

Vision and Mission

“I am strong of mind, gentle of heart and loved by God. Inspired by the life and message of Jesus and the example of Mary, I live with courage, simplicity and hope. I belong to a faith and learning community where I am known, cared for and valued.

I will live this by welcoming and accepting the diversity in others, building relationships and making a difference in a complex and changing world. I will be open to learning opportunities that will enrich and enhance my personal journey. I will value and care for the environment, serve the marginalised and positively contribute to my community.

I will strive to be genuine, honest and will embrace the challenge of achieving my full potential.”
