Principal's Report

Dear College Community

Welcome to Term 4. We are well and truly at the business end of the academic year as we continue to develop and ensure students achieve the best possible outcomes in all their endeavours at every year level.

Over the next few weeks, our support and prayers are with all our Year 12 students as they approach their final secondary schooling exams. We know from experience that the vast majority of students' success is the result of dedicated hard work. We encourage all our students, with the support of their families, to work until the last moment of their VCE/VCAL, thereby giving themselves the best opportunity for choices in the near and distant future.

We look forward to celebrating with our Year 12 students at their final assembly on Tuesday 23rd October, Gratitude

day on the 24th October and the Valedictory Mass and celebratory dinner on Thursday 22nd November. We wish each and every student all the very best for their exams. As always, we expect students to be respectful of themselves, other individuals and of all property. Most importantly we pray that they are safe and have the opportunity to enjoy the fruits of their labour.

Thank you to Ann Roffe and staff for your dedication and hard work in presenting our 2018 Junior School Production, Caesar and the Pirates. The students gave a wonderful performance with much laughter and enjoyment by both the participants and the audience.

CCS has recently experienced a number of sporting achievements.

**Mary, woman of Listening,
Open our ears;
Grant us to know how to listen to the word of your
son, Jesus among the thousands of words of this
world;**

**Grant that we may listen to the reality in which
we live, to every person we encounter, especially
those who are poor,
in need, in hardship.**

**Mary, woman of decision,
Illuminate our mind and our heart, so that we may
obey, unhesitating, the word of your Son Jesus;
give us the courage to decide, not to let ourselves
be dragged along, letting others direct our life.**

**Mary, woman of action,
Obtain that our hands and feet move "with haste"
toward others, to bring them the charity and love
of your Son Jesus, to bring the light of the Gospel
to the world, as you did.**

Amen

Congratulations to all students and staff involved.

We welcome home our immersion group from East Timor. This group of students from Year 11 had a magnificent experience and developed a greater understanding of the history and culture of the country. Again, significant praise has been received by the College on the maturity and conduct of all students involved. Thank you to all staff involved, Luke McBean, Shannon Nash and Kerrie Robbins

As summer approaches, we are reminded of the perils of skin cancer which visit many of us as we get older. However, the downward journey starts when we are young and I implore students to realise that prevention is far better than the consequences. It is a medical and scientific fact that UV rays have the same affect irrespective of cloud cover or temperature. Our skin is a living organism that we must care for and protect. A hat and sunscreen are compulsory items of uniform throughout this term.

LEARNING AND TEACHING

The final term for 2018 is upon us and we prepare to farewell our Year 12 students from the College. As we are about to embark on the final exam period, it is vital that our Year 12 students fully utilise all resources available to them right up until their final examinations.

Whilst this is a special and exciting time for our Year 12 students and parents, it can also be a difficult and even stressful time. Please be reassured that we the Leadership, House Leaders, subject teachers and all of the support staff will continue to support, encourage, and assist in any way we can to ensure that this time is a most memorable and productive experience for your child.

On the 26th November, all students will roll into their 2019 classes. This two week Headstart program is vital for all students to get themselves prepared and familiar with the learning and pastoral expectation of the

following year. Students will start on new learning outcomes and assessment tasks.

All Year 8 students will be moved up to the St. Patricks Campus. Student timetables

will be available to students in the week prior to Headstart.

The College has launched a new Learning Resource Provision for 2019, outlined in a letter sent home by Mr. Randell on the 19th of October. I have outlined this new process in the table below.

Second Hand Calculators

If you have a current Graphics Calculator Ti Nspire CX (preferably including the connection cord) that your child no longer has use for, please take it to the O'Connor Learning Centre for the opportunity for sale. For calculators in good order, the College will pay approximately \$100. Second hand calculators will then be made available for purchase for that price through our second hand uniform shop at a later date.

WANTED

The Learning Resource Provision Process

Wow! I know I have said this before but the year has just flown.

Our Year 12s have moved on and are only waiting to finish their exams before they are in the big wide world of their future.

While we are farewelling them we are not shutting the door on them. Staff will be available at the time the ATARs come out to talk about change of preference and to help with any other problems which may arise. There will also be staff at the College when the first round offers come out if students need to access support. Students who are applying for apprenticeships, traineeships or other work can also come in and talk to the Pathways staff, if they wish to access advice.

Very shortly the College will begin HeadStart and students will be moving to their classes for 2019. This makes it an ideal time to do a quick review of the Careers/Pathways program at the College. Year 10 are usually focussed on the world of work, this includes Work Experience and for some Structured Work Place Learning, resume preparation, writing cover letters and interview practice. They also cover some discussion on the future of work in their ever-changing world.

Years 11 are able to join in discussions about issues in the workplace and to explore the areas of tax, superannuation and credit. Years 12 are encouraged to focus on pathways information and preparation for employment or further study. All year levels are taken through Pathways planning and goal setting.

It will be great to see the cohort of 2019 taking shape through HeadStart and beginning to get ready for a new school year.

Senior School Public Speaking Competition

The Senior School Public Speaking Competition is an important event on our school calendar that provides our senior school students with practical experience in the fundamentals of public speaking and presents them with an opportunity to display their talents in front of their peers. The selected students represent our school academically and in this forum, become vital role models for other students.

At the end of last term, four students bravely and skilfully presented their

speeches to the Years 9-12 students and to a panel of judges. They were assessed on their understanding of their issue, their ability to persuade their audience and their level of skill in using the conventions of oral language – body language, voice projection and modulation and their connection to their audience.

We were all impressed by Amy Mitchell's speech about 'Consumerism,' Grace Walker's discourse about 'Drug Testing At Music Festivals' and Ben Shanahan's presentation about the potential that 'Country Football Culture Can Be Toxic.' We ultimately congratulated our winner for 2018, Abbey Walsh, who spoke to us about 'Refugees.'

These worthy public speakers are now nominees for the oldest award at our school, the Crofton Lee Public Speaking Award, which will be presented at this year's Award's Night.

DROUGHT RELIEF FUNDRAISER

On Friday 14th of September Catholic College Sale held a Drought Relief Fundraiser where proceeds raised from the day went directly towards Gippsland Farmers Relief. In beautiful Spring sunshine there was live music and a BBQ lunch. Students paid a fee to wear casual clothes for the day. A Gumbboot throwing competition was held and the Year Level winners were Josh Edey, Leyla Berry, Joel Hector and Meika King who all received a canteen voucher. The total money raised was \$2753.20. A big thanks to Centre Bakery and Geddes Meats who donated all the meat and bread for the day.

Smart Start Walk

The Sion Campus will step out for their 'Smart Start' walk each Wednesday and Friday of Term 4. Studies have shown that many young people go from bed to device to transport to class each day. This doesn't allow for their brains to fully wake up. Our Smart Start walk will enable students and teachers to get a breath of fresh air and some gentle movement before they start their day of learning. Students walk with their teachers around the perimeter of Sion before heading off to class. So far it has been a hit!

SANTA TERESA IMMERSION

The Santa Teresa immersion was an amazing experience for the group of us who went. Before the immersion we got to experience a few days in Alice Springs where we visited 'The School of The Air', the famous Desert Park, the iconic ANZAC Hill, Simpson, Emily and Jessie Gap and were lucky enough to go on a camel ride at sunset. Then came a week immersed in the community of Santa Teresa.

We were privileged to experience the lifestyle of the Ltyentye Apurte people in the indigenous community of Santa Teresa where we were welcomed with open arms. It was eye opening to spend time around first Australians to see their way of life and to learn about their faith and culture. Some of our memorable experiences included going to mass in their awe-inspiring church, night camping under the stars near Arrernte spiritual land, spending time in the Creche with the gorgeous, energetic children of the community, assisting in the Community Centre with meals on wheels, and having the privilege of watching the women of the community painting beautiful silk scarves in their Spirituality Centre.

Throughout the time we were in Santa Teresa the relationships in the group developed and we were able to learn a lot about others and ourselves. We have also developed as young people as we have learned things that will definitely serve us well far into the future and we are all so thankful for having the had the opportunity. It has given us an ability to recognise how lucky we are to have all the opportunities that we have and the ability to be grateful for them. This experience has also compelled us all to do something meaningful whether it be working towards a field of work that would involve helping those less fortunate or even just smiling at others when passing them in the hall at school.

We'd like to thank Mrs. Mary McNally and Mrs. Jenny Hurst for their guidance and support during the trip. Overall this experience is one we have benefited immensely from and one we will never forget. We strongly encourage other students to apply for an immersion next year as it is a fantastic opportunity and a very enriching experience.

VICSPELL STATE FINAL

On Wednesday September 5 at Lavalla Catholic College, Year 7 student Maya Cairnes and Year 8 student Harry Richardson, participated in the VicSpell State Final. Following the zone final at Maffra, where Maya finished first and Harry finished second, both progressed to the State Final.

The VicSpell competition is a series of rounds where students are presented with increasingly more difficult words to spell in order to progress to the next round. If students make a mistake at any point, they are out of the competition. Maya finished 1st in the Year 7 competition and Harry finished 5th in the Year 8 competition.

YEAR 11 RESA Visit to Uniting Care

For some time now, students have been collecting toiletries to distribute to people in our local area who need assistance. The Year 11 Religious Education Service in Action (R.E.S.A.) class have had two visits to the Uniting Care office in Sale, where they learned about the services offered by Uniting, including assisting local people experiencing homelessness.

During our most recent visit, students helped to bag up individual toiletry packs containing essentials like soap, shampoo, conditioner, toothbrush, toothpaste, combs, body lotion, razors and sanitary items. These packs are distributed to people who approach Uniting Care for help, as well as some other local organisations.

Thank you to families who donated toiletry items. Uniting Care has an ongoing need for toiletry items so the R.E.S.A. class will continue to collect. Further donations of any of the above items,

particularly travel-size items like those that you can pick up during your next hotel stay, would be gratefully accepted and can be handed in to Student Office or Ms Maree Smith.

YEAR 8 MATHEMATICS

Year 8 Mathematics students participated in the 'Great Catapult Challenge'. In small groups they created their own catapults to participate in a range of catapult challenges around distance and accuracy. There were a range of variables that were considered during the research, design, build and testing stages of the catapult build.

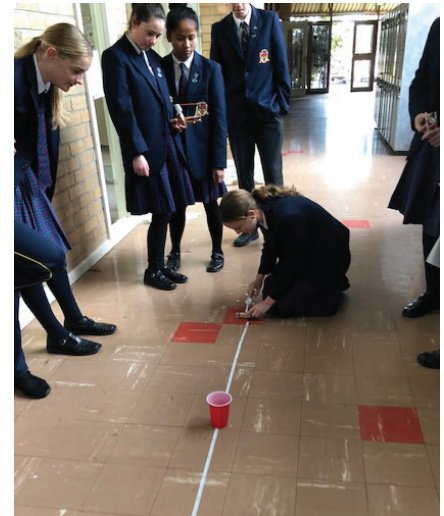

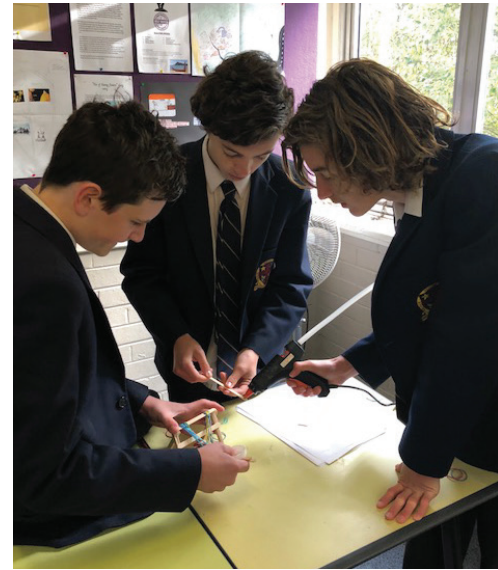

Students were responsible for recording data for their own catapults during the testing phase and used these results to find the ideal parameters required to ensure their machine was at optimal performance during the competition round. They also used this data to predict their own and other group's results over all.

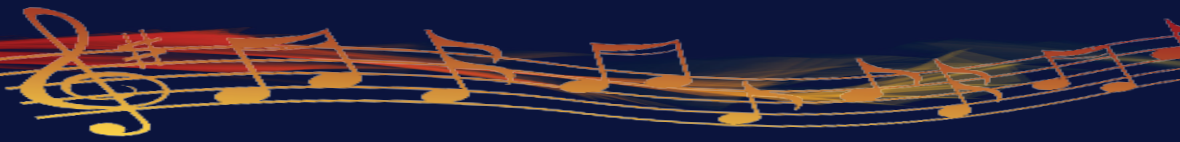

Among the flying mini marshmallows students discovered there was a lot of fun and a lot of math to be had.

In Term 3, our Mathematics student's learnt that sometimes life is about more than just luck. Through the exploration of chance and probability Year 8 students discovered that sometimes your chance of coming out on top is linked to some strategic moves along the way.

The project 'Multo' looked at possible outcomes in comparison to probable outcomes and used Mathematical probability and the strategic placement of numbers to increase their chances of winning at what seemed to be a game based purely on luck.

While for some they learnt that even with all the Mathematical probability they could muster, lady luck still played her part and they went the whole week without a 'W' and more importantly without a snake!

The Catholic College Sale Show Choir, a six member close harmony vocal group from the St Patrick's campus, completed a rare Eisteddfod trifecta. The group placed first in their respective sections in every local Eisteddfod this year – Sale Eisteddfod, Yarram Eisteddfod and the Latrobe Valley Eisteddfod. Their competition ranged from groups younger than them, to young adults, to those old enough to be their grandparents, and from as far afield as Pakenham, Yarram, the Latrobe Valley and Maffra.

Not only has this group won their sections in these Eisteddfods but they were also awarded the George and May Scammell Memorial Award for the most outstanding group performance during the Eisteddfod (including instrumental bands and orchestras) at the Yarram Eisteddfod.

The CCS Show Choir is a hard-working and extremely talented group of singers whose voices 'are extraordinarily mature' and who have been described as 'the choir I have waited all Eisteddfod to hear'. They rehearse after school and at lunch times under the expert guidance of Mr Roy Condeza. Pictured are the six members Abbey Walsh, Emily Fraser, Elisa Mijares, Mackeely Bennett, Hannah Walsh and Marni McCubbin.

Summer Uniform

We have now made the transition to Summer Uniform. New hats are available through the secondhand

uniform shop for \$10.00. The student office at St Pats and the front office at Sion also have a supply of new hats for sale for \$10.00 at all times.

The second hand uniform shop currently has a good range of boys grey shorts.

If you have an excess supply of uniform in good order please bring it to the Uniform Shop for sale. At the moment boys summer white shirts and girls dresses are particularly needed.

Brodie Tohara was selected for the U14 Boys Southern Cross Challenge whilst Ryan Beale, Harper Fraser and Jett Killoran were all named as emergencies in the U15 Boys division. Coby Burgiel and Jack Hrehoresen were both selected for the U16 Boys Australian Country Junior Basketball Cup. Congratulations to these students.

SSV BASKETBALL

CCS through to State Finals!

Both the Boys & Girls Year 8 Basketball teams are through to State Finals for the second year in a row, defeating all opponents at the recent School Sport Victoria Basketball Finals in Traralgon.

The Boys team were dominant all day, with 38 points being the closest margin of victory across their three games:

def. Mary McKillop 62-17 (Hrehoresen 17, Schuback 17)

def. Lowanna 58-16 (Schuback 15, Burgiel 14, Hrehoresen 12)

def. Nagle 52-14 (Schuback 16, Hrehoresen 13, Gravener 8)

Similarly, our Girls team progressed through relatively untroubled in their three matches. While the girls trailed Lowanna College 17 to 18, the girls came out of a smart time-out and went on a 14-0 run to claim back momentum.

def. Foster SC 42-13 (Boulter 12, Hennig 12, Waugh 10)

def. Lowanna 34-23 (Ronchi 13, Boulter 8)

def. Lakes Entrance 58-20 (Hennig 17, Boulter 12)

Both teams will now play at the Melbourne Sports and Aquatic Centre (MSAC) on the 19th (Boys) and 20th (Girls) of November. We wish them the best of luck in their preparations.

Netball Victoria State Titles

Congratulations to the nine Catholic College Sale students who attended the Netball Victoria State Titles in Shepparton on the 6th and 7th of October. Representing East Gippsland in the Under 15 team, Charlotte Ronchi, Maya Bown, Indigo Waugh, Lilli Stobie, Cleo Fox, Keisha Jackson and Olivia Barnett all contributed to the team placing second in the competition, the best ever result that East Gippsland has achieved. In the Under 17 division Jasmine Schellen vice-captained the team, which also included Hayley Castle, to place 15th.

Australian Polocrosse Nationals

In the first week of October Thomas and Brady Wilms represented Victoria in The Australian Polocrosse Nationals held at Brigadoon in The Swan Valley, north of Perth. Brady had the amazing experience of traveling across the Nullarbor with his Pop and Nan in the Horse Truck. Brady had the responsibility of making sure the horses arrived in optimum health ready for competition. Thomas flew over on the plane with his younger sister Hannah, who was also representing Victoria in the Under 12 team. The first week of school holidays was spent practicing and preparing for play. It was an amazing week of competition, meetings and social events. Thomas and Brady played to their highest standard yet and their Under 16 team

made it through to the Final on the 7th day of the competition. After a hard fought final Victoria lost by 10 goals to the NSW team. An excellent result for our comparatively small state. The boys have returned home very pleased with their efforts and hope to have the opportunity to attend the World Cup in Warwick, QLD next April.

STUDENT COUNSELLORS

eSafety

Late last term, Rose Basford, Leading Senior Constable from Sale Police, spoke to our Year 7 and 8's about cybersafety and the important laws that protect young people from online bullying, abuse and sharing intimate images with others. The students were shown videos and a PowerPoint presentation outlining the many problems that can arise when young people do not have their social media settings on private and display too much personal information.

Rose also explained the new laws that have recently been introduced regarding intimate images of young people under the age of 18, and how this is viewed as child pornography.

There are some excellent resources for young people and parents on the Federal Government website - <https://esafety.gov.au/> eSafety's Parent portal also has a range of resources to help parents and caregivers understand the online environment and keep their children safe.

Another website that may be of assistance to parents is Family Zone. They have some information on five apps that they believe parents should know about: Tik Tok, Secret Calculator, Discord, Vora and After school. Clicking on this link (<http://goo.gl/MqGXtV>) will take you to their free information sheet on these five Apps. If parents wanted more information then you would need to subscribe.

Headspace.org.au

Another excellent website for parents and young people to access is headspace.org.au.

The Headspace website offers a range of supports and guidance on how to have conversations with your family members about stress, thoughts and feelings and where to get additional help if needed.

The Student Counsellors, Mary McNally, Fay Goldsmith and Belinda Jones are available at both campuses for students and parents to contact, if you have any concerns regarding your young person. Students can book online or at the student office and parents can either phone the counsellor or make an appointment with reception.

Camps Sports and Excursion Fund 2019

The Camps, Sports and Excursions Fund (CSEF) provides payments for eligible students.

Who can apply

Families holding a valid means-tested concession card or temporary foster parents are eligible to apply. There are two criteria that must be met (please read the information on the links below):

If you applied for the CSEF at your child's school in 2018, you do not need to complete an application form in 2019 unless there has been a change in your family circumstances.

Your child's school will apply for the CSEF on your behalf.

You will only need to submit an application form in 2019 if any of the following changes have occurred:

- new student enrolments: your child has started or changed schools in 2019 or you did not apply at the same school in 2018
- changed family circumstances: such as a change of custody, change of name, concession card number, or new siblings commencing at the school in 2019

Please see below the attached links for further information and 2019 application form.
