## Principal's Report

Dear College Community

This will be our last newsletter for our 2018 school year. It has been an exciting journey with student enthusiasm, participation and development, highlighting every aspect of our College life. As we reflect briefly on significant events that have taken place; Our College Masses and liturgies; our music events; our sporting achievements; camps and Immersions.

Last Thursday we farewelled our Year 12 students with a Valedictory Mass and Dinner. This was an outstanding recognition of the beautiful young people that are leaving our College and forming their pathways into the world. We wish them all the very best and we hope that they always travel in God's hands. We pray that they celebrate safely over the next few weeks and as they wait anxiously for their results in mid-December.

The cycle of College life continues this week as we welcome our new Year 7 students and parents for the 2019 school year.

We congratulate all students for their work ethic and commitment to improvement this term. Years 9, 10 and 11 have completed their end of year exams and Years 7 and 8 their final assessments.

This week we moved to our 2019 timetable and welcome all students into their new year levels, especially Year 8's into Year 9 and Year 11 into Year 12 as our new College leaders. This is a valuable time in which students can set themselves up for a rewarding 2019 school year.

**DEAR INFANT JESUS  
IN A SHORT TIME  
YOU WILL COME  
TO VISIT US  
AND YOUR HOLY, DIVINE COMING  
IS FULL OF PEACE, JOY AND LOVE  
FOR ME AND EVERYONE.  
OUR HEARTS ARE FULL OF YOUR LOVE  
IN OUR DAILY LIFE.**

# PRINCIPAL'S REPORT

On the 4th December, the College will host one of three Marist Cricket Carnival's, held across Australia. Participating teams being: St. Joseph's Hunters Hill (NSW), St John's College, Woodlawn (NSW), Sacred Heart, Auckland (NZ), Marist College Ashgrove (QLD) and Notre Dame Shepparton (VIC). We wish all teams, especially Catholic College Sale, all the very best.

On Thursday 6th December at 7.00pm we will acknowledge and celebrate the achievements of our students at our Annual College Awards evening.

The school for students will conclude on Friday 7th December with our final Mass of Thanksgiving and a whole school assembly.

The College office will be closed from Thursday 20th December and will re-open on Thursday 17th January 2019.

Congratulations to our Year 8 Boys Basketball team in winning the State Schools Victoria School Basketball Championship and to our Year 8 Girls, who missed by a couple of points from winning their State Championship.

While we look forward to the coming holidays and celebrations, this time of year can also be sad as we farewell friends and colleagues. We will wish our students and families that will not be returning to the College in 2019, all the very best for the future.

A number of staff will be retiring or moving on to other career opportunities - Mrs Kaye Morris, Ms Gabrielle Costin, Mrs Natalie Macpherson, Mrs Rebekah Warner and Mr Todd Proud. I would like to acknowledge the valuable service that each departing staff member has generously given to the College.

On behalf of the College Governors, Bishop Patrick O'Regan and Brother Peter Carroll fms, the College Advisory Board and our College staff and community, I wish everyone a Holy, happy and safe Christmas and New Year.

# LEARNING AND TEACHING

Congratulations to all students who completed exams over the designated period. VCE results and ATAR's are available from 7.00am Friday 14th of December. Please link here for further information: [http://www.vcaa.vic.edu.au/Pages/vce\\_results.aspx](http://www.vcaa.vic.edu.au/Pages/vce_results.aspx). Staff will be available at the College to offer guidance and advice following the release of results.

With the conclusion of the 2018 school year, we have already started our 2019 timetable. Students have been allocated to Pastoral groups and we have completed a full rollover. This has been hugely successful and allows a smooth transition prior to the beginning of Term One, 2019. Many of our senior students will have been provided with study and homework to complete over the break and all Year 11 and 12 students have been provided with their novels.

On Thursday 6th of December we celebrate our 2018 achievements at our Annual Awards Evening. The event begins at 7.00pm and is to be held at Bishop Phelan Stadium. We look forward to seeing you all there.

If any parents are interested, Gippsland Consulting Suites are hosting a Youth Mental Health First Aid Course on December 3rd and 10th. This course can help to learn skills and gain confidence to assist young people experiencing mental health problems. Please access more information here.

## Second Hand Calculators

If you have a current Graphics Calculator Ti Nspire CX (preferably including the connection cord) that your child no longer has use for, please take it to the O'Connor Learning Centre for the opportunity for sale. For calculators in good order, the College will pay approximately \$100. Second hand calculators will then be made available for purchase for that price through our second hand uniform shop at a later date.

**WANTED**

I would like to take this opportunity to thank teachers and students for their efforts in 2018 and I wish you all a lovely Christmas and New Year.

**Cindy Foat**  
**Assistant Principal - Learning and Teaching**

## 2019 Resource Lists and Secondhand Textbooks

Our 2019 Resource Lists have been emailed out to all parents/guardians. Orders must be completed by **6 December, 2018**.

All orders will be available for collection from St. Patrick's campus, St. Mary's Hall on Thursday 24th January between 12.30 pm and 5.30 pm. If you are not available on the day, you can request, for a fee of \$15.95, your order

to be posted out. For payment on the day of pickup, preferred method is eftpos or credit card.

To order online please access the Campion Education Online Ordering Portal using the code 6F74.

Students in Year 11 and 12 English are required to purchase novels directly from the College during Headstart to ensure they have adequate preparation time over the holiday period.

For students studying VCE Units 1 - 4 who would like to reserve to purchase a secondhand textbook please do so as soon as possible through the O'Connor Resource Centre.

# YEAR 9 WALHALLA VISIT

“There’s gold in them there hills”. This comment, stated by a student, set the scene for those students who were part of the Year 9 Walhalla Visit on Thursday 18th October. As part of their History unit, year 9 students experienced a day’s visit to Walhalla to glimpse a better picture of how life was like as a miner and associated jobs in the late 1800’s.

Richard took them on a very informative tour of the mine where they could experience the levels into which miners had to tunnel to mine the gold. “It must have dreadful working down in that mine”. This was a comment that was mentioned by quite a few students who still find it difficult to understand the conditions that were required by the miners. The dirt smell and cold was felt by those below, yet even with the electricity flowing through the mine, were able to get an inkling of what the miners had to put up with to do their job.

The explorative nature that this visit took on, gave students a chance to see for themselves the railway line; the mine; the cemetery; and the main street. Each section allowed them to look at different elements of life, and together with their Question Booklet, they were able to establish a greater understanding of working in a gold area.

Looking for the ‘cursed’ headstone in the cemetery; the ages of some of the deaths; walking along the railway line and over-looking the township all added to this experience.

“I can’t believe there were no trees around the township at some point”, stated a student, as we all looked at the forest-like setting that is Walhalla. It was a unanimous decision – this was a great visit and well worth it!

# YEAR 12 FINAL ASSEMBLY

On the 23rd of October the whole school gathered for a final assembly to farewell our Year 12 students. We wish them happiness and success as they begin their next chapter.

# EAST TIMOR IMMERSION

Between September 29 and October 13 a small group of students and accompanying staff travelled to East Timor for the annual Immersion. These are some of their experiences -

Travelling to East Timor earlier this year was a once in a lifetime experience and one I will certainly never forget. As a group we were able to interact with the local community, especially the children, and had the opportunity to give back to those less fortunate than ourselves. As a student it was eye opening to see just how much the kids over there valued education. I heavily encourage any student interested in applying to do so as it is a truly humbling trip.

*Caitlin Rodwell*

East Timor was an incredible experience. Travelling to a country that is so underprivileged and different to Australia allowed me to recognise how grateful I really am. Some of the things we experienced over there will stay with me forever and I have grown and have become much more understanding of the position countries like East Timor are in. As much as it was an eye-opener and I realised how lucky we are, it was equally as fun as it was educational. I am so thankful I went and enjoyed every bit of the immersion and will remember it forever.

*Abbey Duncan*

East Timor was such an eye opening experience for me and I'm sure for the others who went as well. It put me outside of my comfort zone, going away from home into a foreign country and really challenged me as a person. I got to do and experience things I would have never imagined I would be able to do. East Timor is really pretty country and the people are always so happy to say hi and talk to you no matter the circumstances. The immersion was such a worthwhile trip and I would encourage others to apply.

*Alli Carrick*

The Timor Leste Immersion was such a rewarding experience as it allowed us to engage in a completely different culture and form friendships with the local school children. The Timorese are so happy and carefree and they gladly welcomed us into their country. If given the opportunity, I would definitely go on this immersion again without hesitation. I strongly recommend applying for this immersion, as it is an experience that you may

never get the opportunity to partake in again.

*Ruby Condon*

# SALE SHOW

Twenty-seven items made by Semester 2's Year 7 Textiles students were entered, in three categories, to the secondary student age art and craft competition at this year's Sale Show. For many of the students these items were their first ever sewing projects.

In the 'Article of Embroidery' category eleven small wall hangings featuring buttons and embroidery stitches of the students own original design were entered. CCS students Millie Lamb received the second place award for her plaque featuring a bee and flowers, while Quinn Hose won third place with her plaque with a pink dress design. Mia Whitford's 'Zoo', Harry Stables' 'Apple' and Arielle Pawley's 'Lady with long hair' received Highly Commended certificates.

Ten of the pincushions students had designed and made for as a hand sewing project during the Semester were entered in the 'Article of Felt Work' section. Mia Whitford's pink pincushion decorated with flowers and bees won the first place prize. Millie Lamb picked up another second place with her cactus in a pot, while Eden Horder received a Highly Commended for her unicorn head.

In the Soft Toy Category there were three winners from the six toys entered. Quinn Hose won second prize for her giraffe; Mia Whitford came third with her cat toy; and Millie Lamb was Highly Commended for her elephant.

Congratulations to all the winners, but also to the other students who entered their work:- Sophie Green, Tiarna Hanson, Zade Mallinson, Mitchell Caruana, Kohen Anderson, Dylan Sullivan, James Edney, Coby Bronts, Kate

Ronchi and Rohan Wishart. All their work made a colourful display in the Exhibition Pavilion and showcased some of the creativity, talent and skill of younger students.

## Gippsland Art Gallery Visit

During our last Visual Communication lesson, our class went to the Gippsland Art Gallery. We spent about thirty minutes walking around the gallery taking in all of the local pieces from the Esso Collection of Australian Art and the John Leslie Art Prize exhibition. The Esso Collection of Australian Art is a collection of pieces comprising of 40 original artworks donated to the Gippsland Art Gallery, mostly landscape subjects, as well as admirable examples of street scenes, still life, and portraiture. The gallery's exhibitions are forever changing, there's always something new. During our visit, we had the pleasure of seeing the John Leslie Art Prize 2018 exhibition. The exhibition consisted of 61 shortlisted paintings, each piece was incredibly unique and displayed every artist's own individuality. We were all truly inspired by the local art. The experience as a whole was terrific, every student undeniably gained something from the excursion.

*Madison Connors (Year Nine)*

# ITALIAN POETRY COMPETITION

Year 7 and 8 students were invited to participate in an Italian Poetry Competition. The competition involved reciting a poem which was supplied by Swinburne University, different poems were used for different levels. As travel to the university was going to be difficult, the decision was made to conduct the competition at school with an outside judge. Rosanna Murray was the judge for this competition and she was amazed by the dedication and talent of the students who entered the competition. The winners were:

## Year 7

First Place – Ella Bransdon

Runners Up – Lauren Wilson and Emily Jewkes

## Year 8

First Place – Isabel Hearsey

Runners Up – Ryan Heskey and Jessie Sedman

*"This year I competed in the Italian poetry Competition with some year 7's and 8's from Sion. I entered the competition because I thought it would be an interesting experience and kind of get me out of my comfort zone. Learning the poem was really interesting as it was a different language and it was something I wasn't used to. I tried it and I really liked it as I was reading another language not English, I think that's what really stood out to me the most. I would just like to thank Ms Tantaro and the teachers for helping us for being able to enter this competition and also thank you to the other competitors for a great competition."*

## Year 8 Longest Lunch

On Thursday 18th October, the Year 8 students and teachers sat down together at a table in the Marcellin Room and enjoyed a hot meal together. This was to show solidarity to Foster children who don't always have an opportunity to eat at a table with a family. The Year 8 Food Technology students prepared the meal to share, including Butter Chicken with rice, Beef Stroganoff, Bolognese Pasta Bake, garlic bread, fresh lemonade and salads. At the conclusion of the meal everyone pitched in to help wash up and clean the Dining Hall. It was a great team effort all round. Students have also had a clothing drive to collect good quality clothing to be donated to 'A Better Life for Foster Kids'.

The meal was a great success and provided an opportunity for genuine sharing and conversation between teachers and students.

# YEAR 9 DEBATES

During Term 4, all Year 9 students and teachers have been involved in teaching and learning debating skills. Students have been put into teams and have debated against each other in the classroom situation on a variety of topics and from this the class 'Dream Team' has been nominated.

All of these wonderful skills were then put to the test in our annual Year 9 Debate Day last Wednesday. All of the 'Dream Teams' competed against each other in the semi finals, in front of the entire Year 9 student body.

Teams debated the following topics:

- 'Ban the sale and production of bottled water.'
- 'Should Australia impose a tax on sugar-sweetened soft drinks.'
- 'Should Australia change the date of Australia Day.'

The top two teams made it through to the Grand Final, which was held later on the same day. This took the form of an impromptu debate and these two teams were given one hour to prepare their arguments on the following topic:

- 'Should Australians be legally able to carry non-lethal weapons for self-defence.'

Many thanks to all involved, the students, the teachers and the adjudicators and special thanks go to our chairpersons, Noah Bennett and Tameicka Ross, who kept the debate organised and the time on track.

Congratulations to the winning team members who were Matthew Phelan, Emma Carrick and Jay Steed!

## Camps Sports and Excursion Fund 2019

The Camps, Sports and Excursions Fund (CSEF) provides payments for eligible students.

### Who can apply

Families holding a valid means-tested concession card or temporary foster parents are eligible to apply. There are two criteria that must be met (please read the information on the links below):

If you applied for the CSEF at your child's school in 2018, you do not need to complete an application form in 2019 unless there has been a change in your family circumstances.

Your child's school will apply for the CSEF on your behalf.

You will only need to submit an application form in 2019 if any of the following changes have occurred:

- new student enrolments: your child has started or changed schools in 2019 or you did not apply at the same school in 2018
- changed family circumstances: such as a change of custody, change of name, concession card number, or new siblings commencing at the school in 2019

Please see below the attached links for further information and 2019 application form.

# ENGINEERS WORKSHOP

## Melbourne University: Engineers Without Borders Workshop

On Wednesday 21st November, Engineers from Melbourne University came to the Sion campus and conducted two workshops aimed at inspiring students about humanitarian engineering and global challenges such as water, sanitation, construction and climate change. Fifty students from Years 7 and 8 participated in the hour-long workshops, teaching them about the different types of engineering whilst working on a challenging problem. During the workshops the facilitators worked to promote careers in engineering and provide discussion around university pathways.

The workshops included a short presentation followed by a hands-on activity using materials provided. The students were given the problem of engineering and creating a model floating house to counter the issue of communities being flooded and requiring rebuilding after devastation. The short workshops were well received, with the students enjoying the challenge.

## Canteen News

The close of another great year. Thank you to our volunteers at both Sion and St Pat's Canteen, this is very much appreciated

If you are able to volunteer your time to the canteens for 2019 we will be appreciative roster duty is 1 hour every 6 weeks. The volunteer form can be downloaded here, if you could complete and return to St Pat's Reception.

To the following volunteers who have their last student completing Year 12. We thank you for your time at both canteens - Lynette Terse, Mandy Pasmucans, Kerri Darby and Jo Jones.

Also to the Year 12 students who have taken time to volunteer at St Pat's - Natasha Breed, Sam Binotto, Nic Meester, Kyle Missen, Abbey Walsh.

Have a great restful holiday.

June and Julie

# ITALIAN PIZZA MAKING

Year 8 Italian students made pizzas as the final activity at the end of their 'Food – Il Cibo' unit. Students had learnt the vocabulary for a variety of food and talked about which food they liked and disliked. Students were also able to say which foods were eaten for breakfast, lunch, dinner and for snacks.

Before the students made their pizzas, they wrote out the ingredients and the method in Italian. This was to consolidate their knowledge on vocabulary and the verbs which are associated with eating and cooking. As you can see in the pictures, they loved making their own pizzas and eating them.

## FRIENDLY REMINDERS

Just a friendly reminder to all families to submit their 2019 direct debit authority for their 2019 payment

plan. If you have any queries or are on a current plan and require assistance please contact the Administration Office – St Patrick's Campus on 5143 9700.

If you qualify for the 2019 CSEF (Camps, Sports and Excursion Fund). Please submit your application with a copy of your valid Health Care Card.

Also to be returned is the permission form for excursions, photographs, etc. This must be completed, signed and returned to the College as soon as possible.

## THE OPENING THE DOORS FOUNDATION

The Opening the Doors Foundation provides financial assistance to Aboriginal and Torres Strait Islander families, so that they are able to choose and successfully maintain a positive education environment for their children.

The Foundation covers the extra costs associated with schooling (where this is in a non-government school environment), costs not otherwise funded from government or other educational funding sources, such as school uniforms, books, school camps and other school associated costs.

Applications close on Friday 29th March 2019. Please go the link as listed to obtain an application form. The form **MUST** be completed in full and submitted directly to Opening The Doors Foundation and Certificate of Aboriginality must be submitted with the application.

Should you require a proof of the 2019 Tuition Fees please contact the College 03 5143 9700.

As the year draws to an end I would like to take the opportunity to announce that in 2019, Ms Johanna Clancy will be taking on the role of Pathways Coordinator at Catholic College Sale. This is an area of the curriculum which I really enjoy and I will continue to be involved with taking some classes at Year 10, 11 and 12. Ms Clancy is very well qualified in this area and I wish her every success.

With end of the year coming closer, the celebration of Valedictory Mass and Dinner and the completion of 2018 classes, as Pathways teachers our thoughts turn to the future for the current Year 12s. I wish them well as they await their results. The next step for them will be when they receive their university offers in January. For many of our students we have already had good news concerning offers of apprenticeship and future work.

Opportunities in the workplace are very much dependant on the foundation of a good education. Students who take every advantage of the learning they are offered in each year level, and work diligently, set in place the building blocks of their future. There is a direct correlation between completion of Year 12, and future education and the amount of money earned during a working lifetime. So, as the students move to a new year level, and begin a fresh page, it is a chance to begin working hard for the rest of their educational future.

Good luck to all. Have a safe and happy Christmas, and summer break.

Pathways Coordinator

*Team - Harry Gravener, Ryan Beale, Coby Burgiel, Jack Hrehoresen, Jonti Schuback, Lachlan Allman, Owen Gallagher and Nathan Nikolajew.*

## Year 8 Girls

A great result on Tuesday 20th of November with our Year 8 Girls Basketballers finishing third overall at the School Sport Victoria State Finals at MSAC.

The girls won two of their three pool games convincingly, and went toe-to-toe with the eventual winners on the competition in Templestowe College, with a Jas Hennig 3-pointer bringing us within two points of them late in the second half.

Game 1: CCS defeated Berwick SC 30-20 (Jas Hennig 12 points, Charlotte Ronchi 8)

Game 2: CCS def by Templestow 35-28 (Hennig 10, Ronchi 8)

Game 3: CCS def Mercy Regional 46-23 (Hennig 14, Abbi Boulter 12, Ronchi 11)

The girls were terrific on and off the court.

# STATE ATHLETICS

The SSV State Athletics took place in Melbourne on the 22nd of October.

Grace O'Brien (Year 8) ran 2nd in the 14 Year Girls 400m in a time of 61.08 which bettered her personal best time in the event.

Other results:

Keisha Jackson finished 4th in the 15 Girls Shotput and 6th in the discus.

Jonathan Boyd finished 4th in the 12-13 boys long jump, 8th in the high jump and 8th in the triple jump

Courtney McDonough 7th in the 15 Girls 800m and 14th in the 1500m

Zane Perkins 7th in the 15 Boys Javelin

Oakley Pearson 7th in the 12-13 Boys Shotput

Jack Hrehorsen 7th in the 14 Boys Shotput

Brent McKenzie 14th in the 18-20 Boys 1500m

16 Years Girls 4x100m relay – 7th (Jess Jackson, Dawn Pfeil, Bridget Brown & Tuana Cooper)

Well done to these students! They are terrific achievements at the State Level.

## Clay Target Shooting

On Monday the 22nd of October 80 students from four schools competed in the Wellington Shire DTL Clay Target Shooting competition at Sale Field and Game in Longford.

We were well represented with 25 shooters from both St Pats and Sion campuses. The weather was perfect and the competition was strong. Our squads performed well, with one finishing 3rd overall just a few points behind the winners. We had some excellent individual performances with Ben Anderson finishing equal 1st in Senior boys. This required Ben to have a shoot off. Unfortunately Ben missed a couple of clays and finished 3rd overall, well done Ben. Tuscian Lowe finished 3rd in the Senior girls and Zac Jones finished 1st in the Junior boys category. We look forward to 2019 with some strong shooters climbing the ranks.

## Year 8 Cricket

Our Year 8 Boys Cricketers fell just short of progressing to the State Quarter Finals, after losing to Marist-Sion Warragul by three wickets, on the 2nd last ball of the day.

A competitive total of 134 was setup by Lakshay Singh (28), Seb Pendergast (20 off 10) and Jake Pendrick (16), but unfortunately, we let far too many extras go through in our bowling innings. Lakshay backed up with the ball, claiming 2/12 off his four overs, while Seb, Ethan Aurisch and Brad Nikolajew were also amongst the wicket-takers.

They side have performed well across their campaign, and it was a great contest against our Marist rivals.

*Team - Lakshay Panwar, James Moutlon, Ethan Aurisch, Jake Pendrick, Seb Pendergast, Mason Annear, Harry Gravener, Bailey Carubia, Ben Harrington, Charlie Anderson, Nathan Nikolajew*  
*Injured: Lachie Allman (inj.), Tyson Birss (inj.)*

## Year 7 Cricket

After another nail-biting last over result against Marist-Sion Warragul, our Year 7 Boys fell just short of making it to the SSV State Quarter Final.

### Game 1 – Gippsland Semi-Final vs Wonthaggi SC

In their first match of the day, the team had a solid victory against Wonthaggi SC. Batting first, we made 4/106 with solid contributions from Waltley Sutton (23) and Jay Diamond (20), while some great late hitting from Oakley Pearson (33\* off 22) helped us amass 60 runs from the last 8 overs. Our South Gippsland opponents began well in their chase, racing to 0/30. Tyson Dobson was brought on with near-immediate success, claiming two wickets and finishing with 2/16 from his four overs. Wickets from Ryan Phelan (2/20) and Zac Felsbourg (1/6) allowed us to restrict Wonthaggi to 6/87.

### Game 2 – Gippsland Final vs Marist-Sion Warragul

After losing the toss and being asked to bowl, Warragul were quick out of the blocks, accumulating 47 runs after seven overs, without loss. Charlie Fry came on to bowl his second over, with a short, slower ball doing the trick to dismiss Warragul's dangerous opener. A run out two deliveries later, and a double strike from Jack Kelly (2/17) in the 11th over swung momentum back our way, but some strong lower order hitting from Warragul saw them claim back ascendancy and post a difficult 6/137.

Our opponents started well in their defence, bowling tight and taking regular wickets. After ten overs, we were 3/36, not without hope, but still a significant distance from victory. Another wicket reduced us to 4/50, but with skipper Jay Diamond set at the crease and Oakley Pearson coming off his 33\* off 22 in the previous game, we were still an, albeit slim, chance. The pair went about forging an 82-run partnership from the last eight overs. Jay finished on 39\* and Oakley again put in a claim for man of the match, rocketing 48\* not out from 32 deliveries. Despite a valiant effort, we would fall 5 runs short; our 25 extras with the ball costing us.

# INTERNATIONAL SHOWJUMPING

Year 9 student Cohen Wade has had a busy year competing in various Showjumping competitions, including internationally. He competed at the Pony Club international Showjumping and mounted games competition held in China where he was a member of the Australian team of eight riders aged 14-18 years that travelled with a coach and team manager. Cohen competed in two official Showjumping competitions placing 1st and 6th respectively and 1st and 2nd in the unofficial competition that not all riders were allowed to compete in. He rode a borrowed horse that they had only had one practice on. Competitors also did some sightseeing and experienced Chinese traditional activities including some traditional dishes and a home stay. Only the very rich can afford horses in China and so most horses are owned by riding schools. The riders also did some instructing of the younger riders and generally enjoyed making friends.

In September school holidays Cohen was selected as part of a Victorian junior Modern Pentathlon team to compete in New Zealand at the Waikato Modern Pentathlon Championships in the Youth Male 15/16 years section. Modern pentathlon consists of swimming 200m, horse riding a Showjumping round, épée fencing, and a combined event of running 800m and shooting five targets and this is repeated four times making 3.2kms and 20 shots. Cohen competed well and received the silver medal, only 20 points off the gold medal. He also received an award for the fastest run shoot time over all the age groups.

At the recent Australian Showjumping Championships, held on the Mornington Peninsula, Cohen competed in the Ivory and Pearl Pony Showjumping series picking up 7th Overall in the Ivory (placing 2nd, 3rd and 5th in the qualification classes) and 5th overall in the Pearl 90cm series - winning two of the qualification classes and coming second in the third classes to lead the series coming into the final - an unlucky rail saw him finish 5th overall in the Australian SJ Pony Series.

Congratulations Cohen!
