We congratulate all our Year 12 students as the College continues to build its strong culture of high achievement and results. A special congratulations to College Dux for 2018, Ruth Postlethwaite for achieving an ATAR score of 96.95. A significant number of students received study scores above 40 with Caitlin Graham achieving a study score of 50 in Legal Studies. As a College we are very proud of our students that have achieved apprenticeships, traineeships and employment as we continue to support them with their post-secondary goals.

Principal

It is very satisfying to see so many of our students achieve ATAR scores that reflect their efforts for the year. Whilst our high achievers deserve special recognition, we are proud of those who achieved results through working to the best of their ability. Congratulations and well done.
