## Principal's Report

Dear College Community

The College theme for 2019 is "Giving with Gratitude". We give to others because we ourselves are blessed with God's gifts. Each student has been presented with a badge to wear on their College blazer to remind them of this goal for each one of us.

Our College Marist theme this year is "Holy Today". In this theme, we are called as a community to grow in awareness of the life in and around us. Putting our faith into action is how we are called to live our lives. These two themes complement each other in allowing our students the grace to fulfill God's plan.

The College year has started with an explosion of activity including celebrating our Opening School Mass, with Dean Peter Bickley and Father Edwin. We welcomed our Year 7 students by ringing them in with the Sion Bell. The 2019 College Captains, Elisa Mijares and Ben Kearns, the Sion Captains, Ellie MacGregor and Ethan Clohesy and the Student College Cabinet were presented with their College Leadership Badges. Together with other school leaders, all were inducted into their positions.

The College recorded some excellent results in the 2018 VCE exams. Ruth Postlethwaite was the 2018 Dux of the

College, achieving an ATAR of 96.95%. Ruth, along with; Caitlin Graham, Hamish Telfer, Griffan Randle, Georgia Bristow and Lauren Kinnish have all been inducted into the 90's Plus Club. We also congratulate Ruth, Caitlin and Hamish on receiving the Mother Raphaela High Achievers Bursary for 2018. We at the College also celebrate the large number of students in Years 10, 11 and 12, who received apprenticeship employment. We wish our 2018 Year 12 students "all the very best" as they transition to life after school. Our challenge is to continue developing strategies that will provide our students with the opportunity to achieve their very best.

*May today there will be peace within.*

*May you trust God that you are exactly where you are meant to be.*

*May you not forget the infinite possibilities that are born of faith.*

*May you use those gifts that you have received, and pass on the love that has been given to you.*

*May you be content knowing you are a child of God.*

*Let this presence settle into your bones, and allow your soul the freedom to sing, dance, praise and love.*

*It is there for each and every one of us.*

We congratulate Kelly Burgiel on her appointment to Campus Director – Sion for 2019. Kelly has been teaching at Catholic College Sale for the past 11 years and is well known to our College Community.

We welcome a number of new staff members to the College:

Alison Edgar	Teacher – English
Belinda Jones	Teacher – English (previously student counsellor at St. Pat's campus)
Josh Davis	Teacher – HPE
Roy Condeza	Teacher – Music
Peter Buckley	Teacher – Building & Construction
Rachael Bown	Teacher – Arts/Technology
Kerry O'Connor	Library Assistant
Josh Manning	Trainee
Seth Irvine	Trainee

We experienced overcast, but warm weather conditions for our two Swimming Carnivals (Sion and St Pat's). Participation and support by students for students was exceptional. Congratulations to Champagnat at Sion and Raphaela at St Pat's Campus for winning the House Swimming Championships for 2019. I thank Jamie Murphy for his excellent planning and leadership on these days.

Last week our Year 12 students completed their four-day Retreat at Lake Tyers and Fern Gully. As always students return full of excitement and appreciation of staff who assisted them in focusing on life's bigger picture - Family, Self, Faith and Future Goals.

The Year 7 students also enjoyed their four-day camp at Licola. This camp provides an opportunity for our new students to get to know each other and their teachers while settling into secondary school life.

The College is continuing to upgrade facilities on the St. Patrick's campus. We will complete stage one of this re-development by mid-year. Stage two, the re-development of the John 23rd building will commence mid third term. The College will amalgamate its two campuses at the end of 2020.

# LEARNING AND TEACHING

Welcome everybody to a new school year full of excitement and opportunities for all of our students. It will be a unique year, during which all of our College community will help write our Catholic College future story. 2019 is a year of review and renewal where the College will set aside time to deeply review our current practices, measure our success and look for opportunities into the future.

On our student's first day I reminded them that we all have a unique skills. I posed the question – "What is your unique skill?" Having belief in yourself and finding that skill is the way to success. YOU DECIDE on your success. That success of an individual is as unique as your fingerprint.

To achieve success we must however, have high expectations of ourselves, develop resilience strategies and through this, as a College, we can build a culture of high achievement. These high expectations come in many forms; how we treat and value one another, how we wear our uniform; the discipline we show in our study and the sportsmanship we display when we compete.

In line with these high expectations is our new explicit Graduate Criteria that outlines what students must meet before they will get approval to complete a VCE or VET subject. The application process for these subjects will happen in line with our Subject Selection in early Semester 2. To read the Graduate Criteria please click here.

A key element of our learning framework is critical thinking. All staff have committed to giving students opportunities to

develop their critical thinking skills, this is how we train our brain. We weigh up evidence and develop an independent point of view. To be true critical thinkers we are creative, reflective and adaptable.

I told students that I want Catholic College Sale to be a place where they find their unique skill and use that as a tool to critically evaluate how through 'giving and sharing' that skill they can make the community we live in a better place. Through this high expectation of yourself, we can find personal achievement.

The partnership between students, parents and the College is vital to strengthen the learning platform for each student. We are striving to strengthen communication and keep our community up to date on what is happening in the College. Our 2019 Contacts Guide helps identify key people and areas of responsibility. This is available on the Skoolbag app and the website, which is being continually updated with news and events.

**Important VCE Information** has been uploaded to our website. Ken Holmes, VCE/VET Coordinator has uploaded a presentation for parents and students to review at their convenience. If you have any queries please do not hesitate to contact the College to discuss either over the phone or to arrange an appointment.

I would like to remind students and parents of the extra support the College offers:

# VCE RESULTS

We congratulate all our Year 12 students as the College continues to build its strong culture of high achievement and results. A special congratulations to College Dux for 2018, Ruth Postlethwaite for achieving an ATAR score of 96.95. A significant number of students received study scores above 40 with Caitlin Graham achieving a study score of 50 in Legal Studies. As a College we are very proud of our students that have achieved apprenticeships, traineeships and employment as we continue to support them with their post-secondary goals.

*Chris Randell*  
Principal

It is very satisfying to see so many of our students achieve ATAR scores that reflect their efforts for the year. Whilst our high achievers deserve special recognition, we are proud of those who achieved results through working to the best of their ability. Congratulations and well done.

# OPENING MASS

The beginning of the 2019 school year was celebrated with an Opening Mass attended by staff and students from Years 7 to 12.

The Mass was presided over by College Chaplain Dean Peter Bickley and Father Edwin Ogbuka, St. Mary's Cathedral Parish.

Principal Chris Randell said: "Our opening school Mass began with the now traditional ringing in of our Year 7 students with the Sion bell and there was excitement everywhere. This year's College theme 'Giving with Gratitude' was the focus of our Eucharistic Celebration. We give of our gifts and talents to help others knowing we are grateful for what we have received. A highlight of the celebrations was the recognition of our new student leaders for 2019, an extremely talented group of young people."

Following the Mass, the six students who achieved an ATAR of 90 or above, including the 2018 Dux of Catholic College Sale, Ruth Postlethwaite, were presented with certificates and recognised by the College community.

The 2019 College leaders were also recognised and presented with their badges during the celebration.

Assistant Principal, Learning and Teaching Ms Cindy Foat said: "One of our mantra's at Catholic College Sale is high expectations breeds a culture of high achievement. The higher expectation and belief our students and community have, the higher personal rewards we share. Our VCE results are a measure of this. I congratulate all of our students who achieved their personal goals."

The VCAL department has taken off this year with huge numbers of Year 11 students. A total of 31 students enrolled in Foundation and Intermediate and 12 students enrolled in Senior VCAL, all of which seem very interested in what challenges they have to face this year.

Each VCAL student is enrolled in a VET course and all students are currently in the process of learning how to organise their own work placement that will kick off in the next couple of weeks. Some of the students enrolled in Senior VCAL have already organised their own work placement and have already started.

The VCAL department is very excited about our VCAL shop that will be opening early this year to sell products made by the VCAL students. Having this opportunity will be a great experience for the students to sell products made by our department to the general public.

We have been approached by the Heyfield Wetlands committee to make improvements to the local wetlands. This fits in very well with the Year 11 Community Project. The project will give the students involved the opportunity to learn about why wetlands are important and will help make improvements, to what already is a great area in Heyfield.

The VCAL staff are also very excited about what exciting challenges and projects they will be undertaking with the students this year and are looking forward to working with each and every one of them.

Welcome to 2019 – another year of growth in the Music Department with many exciting developments on the horizon. The demand for music lessons is continuing to grow which is fantastic news not only for the Music Department but for the College as a whole. Mr Roy Condeza is now working fulltime alongside Mr Cruickshank (Concert Band) and Ms Roffe (Strings). This means that our Rock Band program is fully booked with two Year 7 Rock Bands and two Year 8 Rock Bands, and our Choirs are also expanding. Particularly exciting news is that we are forming a Senior Male Vocal Ensemble to support our highly successful Show Choir.

## Eisteddfods

Entries are currently open for the Sale Eisteddfod and later in the year we will support the Latrobe Valley (Traralgon) Eisteddfod and Yarram Eisteddfods. See Ms Roffe or your instrumental teacher for details. We will have concerts before the Sale Eisteddfod – see below:

*Above: Year 11 student Kyle Lyon*

## Places available

It is not too late to join in the activities in the Music Department – we have new members joining all through the year! We would particularly like more woodwind players and a string instrumentalist or two is always welcome. There is also one vacancy at St Pats for acoustic double bass. Pick up an application form from the office and see Ms Roffe, or any of our other music teachers if you would like to start learning an instrument. All you need is enthusiasm and a willingness to practice regularly.

## Ensembles

Playing music in an ensemble is an essential part of learning your instrument, and for most students the element that they get the most pleasure from. Joining a suitable ensemble is therefore a compulsory part of the College Instrumental Program. Our ensembles are not limited to those learning an instrument at school, however. If you have an interest in playing in one of our ensembles or singing in one of our choirs just let us know. This applies to parents as well – if you are interested talk to us about how you can get involved.

## Calendar Dates

**May 7th 5pm:** Autumn Concert in the Marcellin Room (to be confirmed)

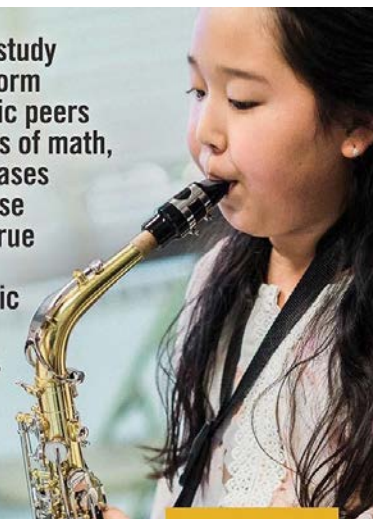

**May 8th 5pm:** Autumn concert in the Sion Chapel (to be confirmed)

**May 20th- May 26th:** Sale Eisteddfod

I look forward to seeing you at one or more of these events and thank you all for your continued support of Music at Catholic College Sale.

**Ann Roffe**  
**Head of Music**

Students who study music outperform their non-music peers in assessments of math, and that increases over time. These findings hold true regardless of socio-economic status and race/ethnicity.

# YEAR 12 RETREAT

Year 12 students attended the annual Retreat from the 12th of February. The Retreat took place at two different sites with Paulinus, Raphaela and Champagnat at Lake Tyers and Allman, Daly and Theodore at Ferngully Lodge.
