Principal's Report

Dear College Community

The College Community was saddened by the passing of Sister Lauraine Brice on Easter Sunday. Her funeral service was a joyous occasion because all present knew she was looking forward to meeting her Lord, to whom she had devoted her life.

Sister Lauraine arrived in Sale in 1960 to commence teaching at St. Mary's in Sale. She was appointed Principal at St. Patrick's Primary School Stratford in 1968, a role she held for 24 years. Sister Lauraine retired from teaching in 1990 but continued to work in the Sale community until 2008 when she moved to Melbourne. She was 93 years of age upon her passing.

Sr. Lauraine's funeral was held in St. Mary's Cathedral on Wednesday 1st May. Staff and students from

both campuses of Catholic College Sale formed a guard of honour on Macalister Street (St. Pat's) and Raglan Street (Sion). The students were extremely respectful and Sister Mary Barbuto, on behalf of the Sisters of Sion and members of Sister Lauraine's extended family, expressed their appreciation to the College Community for their recognition of her life of service to others.

As we begin the term we celebrate the resurrection of Christ and a new beginning for each one of us. A belated welcome back to Term 2 and I hope that everybody has had a holy and rejuvenating Easter break and that families have been able to spend some time together.

It has been a very busy start to the term with Parent/Student/Teacher interviews taking place. Interviews were very well supported by families and valuable exchanges highlighted the importance of the partnership between students', parents and the College in ensuring the best outcomes and growth for individual students.

*Breathe in me,
O Holy Spirit,
that my thoughts
may all be holy.*

*Act in me,
O Holy Spirit,
That my work too
may be holy.*

*Draw my heart,
O Holy Spirit,
That I love but what is holy.
Strengthen me,
O Holy Spirit,
To defend all that is holy.
Guard me then,
O Holy Spirit,
That I always may be holy.*

PRINCIPAL'S REPORT

All staff attended the ANZAC Memorial gatherings held at each campus on 24th April. These gatherings were organised and presented by the Year 10 Humanities students. Representatives from the Sale RSL attended both of these services. The College Captains, Ben Kearns and Elisa Mijares, and members of the Student College Cabinet attended the ANZAC service in Sale on the 25th April to participate in the laying of wreaths.

Early in Term Two students, parents and staff were invited to complete the annual 'Insight SRC School Improvement Survey'. This survey provides valuable information in diverse areas and allows the College to adjust its program to meet the needs of all in our community. I would like to thank the parents who participated in this.

Two weeks ago the College held enrolment information meetings in Heyfield, Maffra and Stratford. Last week the College invited all Primary schools in the Wellington Shire to one of its six information sessions and tours of St. Pat's and Sion campuses. These sessions provide an opportunity for parents seeking guidance on individual student needs, curriculum options and financial concerns. All attendees have been informed of the enrolment process and enrolment applications will close on 28th May. This will allow for interviews and offers to take place before the end of Term Two.

As the NAPLAN processes have been developed, the NAPLAN assessment is to go 'online'. Students from Catholic College Sale were chosen as a trial group to initiate this process on a national level. We recognise the efforts and thank Jim Kelliher and our ICT department for their expertise in guiding our students through this informative and learning process. Students in Years 7 & 9 are sitting their NAPLAN testing over the next two weeks.

This week is a very busy week for students and staff with the Year 9 Students participating on Geography and History excursions, the Year 12 Outdoor Education Students taking part in the overnight camp along the Mitchell River, the Year 12 Reflection Day and the Year 10 students are currently on an educational tour of Tasmania. This is one of the largest school excursions conducted in Australia and we wish all our students an enjoyable, knowledgeable and safe tour. I also wish to thank in advance, the generosity of the staff members who will be accompanying our students and spending a week away from their own families.

Time is passing quickly and our mid-year exams and the end of Semester One are only four weeks away. Students are reminded that a homework timetable is essential to ensure work and study are managed and the best results achieved. Thank you to all in our College Community for your support of our College phone policy, the increase in focus and concentration, together with the reduction in distractions is clearly evident in all our learning environments.

TERM 3 HOLIDAY VCE PRACTICE EXAMS - SAVE THE DATE -

Practice examinations for Year 12 students and Year 11 students completing a Unit 3/4 sequence will take place during the Term 3 school holidays between **September 30th and October 3rd**. These exams provide valuable learning and preparatory experience for students, are taken under examination conditions and give the students valuable practice at exam technique. In addition, these practice exams will enable students to focus on any areas that need improvement for the extremely short amount of time available in Term 4.

We are unable to make these examinations compulsory for students given that they are during school holidays, however they will prove to be a worthwhile experience and students should make every effort to be present and assist the College in its endeavour to provide the best possible preparation prior to the examinations in October/November.

LEARNING AND TEACHING

It was great to see so many parents/guardians at the Parent Student Teacher Interviews during the first week of term. A positive partnership with home and the College sets good foundations for students to build confidence around their learning and exceed their potential. As teachers and parents share the responsibility of encouraging, modelling and reinforcing appropriate behaviour we ask parents to collaborate with us and support their child and the College by:

- Demonstrating a positive attitude at home about school, teachers and the importance of education;
- Keeping open communication with their child's teacher, Year Level Leader/House Leader and communicating any concerns directly with the College ([Contact Guide available here](#)). This helps to address any difficulties, and maintains a positive learning and social environment;
- Monitoring homework and assignments to make sure they are completed well and on time, and encouraging their child to work to the best of their potential, academically and socially;
- Demonstrating respect and good manners towards others in the school community; including teaching staff, administration and other staff working in the school;
- Attempting to provide, to the best of their ability, proper rest and nutrition for their child, as these are extremely important if they are to function well at school;
- Making themselves aware of their child's performance at school and be open to a mutual sharing of concerns; and

The National Assessment Program – Literacy and Numeracy (NAPLAN) online trialling was successful. Over the next two weeks, all Years 7 and 9 students will complete the required testing. NAPLAN tests assess student knowledge and skills in writing, reading, language conventions and numeracy. The information you and the College receive as a result of your child's participation in the NAPLAN tests will be valuable in helping us assess your child's progress and identify any gaps in their learning. I would strongly encourage students to be well rested and have 100 percent attendance during this important period.

The mid-year examination period of 6th to the 14th of June is fast approaching for our students. For our senior students these exams are an important part of their assessment and have a significant bearing on their Semester One and end of year results. Students are strongly encouraged to maintain a high level of study to adequately prepare for their exams, and strive to achieve their personal best. Comprehensive details of

the exam period will be emailed to parents in coming days. Exam schedules will also be available on the website.

During Term 2, Ms Rosie Davidson and Ms Jane Robbins are on Long Service Leave. We wish them all the best during this time away from the College. We welcome back Ms Judith Gillen (English/Humanities) and Mrs Elsje Kool (Art/Drama) who will be replacing them in their classes. Miss Brooke Maxwell has moved on from the College and her Food classes will be taken by Mrs Rachael Bown. Due to this change Mrs Bown will be teaching 8C English and Mrs Kool will be taking her Year 7 Visual Media classes.

COMMUNITY PROJECT

Year 9 Community Project involves students working with a group of peers to reach out and help in different areas of our local community. The projects are completely student driven, in all projects students have decided on what they wish to achieve and they do all the planning, contacting and reflecting, with minimal input from staff.

Throughout the semester students gain invaluable experience working with groups, resolving conflicts and learning from setbacks. They also have the opportunity to gain experience in communicating with various organisations and project/event coordination.

Below is a list of some projects our students have been working on.

- A fundraising lunch at school with proceeds going to Mary's soup kitchen
- Volunteering in different organisations such as St Vincent de Paul
- Assisting lifestyle programs at Royal Freemason's and Ashleigh house aged care facilities
- Supporting local primary school St Thomas', St Mary's and Maffra Primary in their athletics days
- Volunteering at Nurture One childcare and kindergarten
- Creating and donation of art works to the local hospital
- Assisting Animal Aid animal rescue services
- Organisation of a breakfast in support of Suicide Prevention (TBC)
- Organisation of a non-perishable food drive for Farmer Relief
- Volunteering serving at the Mary's soup kitchen.
- Rebuilding and planting a community garden

IN THE CLASSROOM

Year 8 English - Journal Writing

A regular feature of our Year 8 English curriculum is Journal Writing. Students are given 5 minutes to write either about anything, or are given a prompt to write on. We usually share a few stories at the end of this time and practise our public speaking skills while doing so.

During these sessions, I am constantly amazed at the wonderful demonstration of student imagination and skill. In just those 5 minutes, students produce stories that have us enthralled, feeling sad, having a laugh or start us questioning; from stories that spout philosophical thoughts, including the meaning of life, to the more whacky ideas that came from the recent prompt supplied by a student, 'Chuck E Cheese's.'

The prompt may be an object,

or a word written on the whiteboard, like 'Nothing.'

It was in response to this very word during Term 1, that Emily Jewkes wrote this wonderfully insightful piece.

Nothing. Nothing has so many meanings. I'm doing nothing. I have nothing. Or, what about how nothing is everything?

Nothing can hold so many secrets and lies. More than people hold. People ask, 'What are you doing?' and you reply, 'Nothing,' yet you're probably hiding something behind your, or keeping that thought in your mind.

Nothing can mean everything, but only you know what that everything is.

Emily Jewkes

Year 7/8 Textiles

Year 7 and 8 textiles students began the year exploring how to make cloth. They learnt about weaving techniques then made a small piece of weaving - either a wall hanging or a coaster. Year 7 students also made their own wool from raw alpaca fleece or prepared merino fleece. Spinning techniques included using a pencil and a drop spindle. They then used their hand spun wool as part of their weaving design.

VCAL has been off to a very bust start in Term 2, with the grand opening of our VCAL shop. The shop is open for one hour per week (10.00am – 11.00am Wednesdays). Due to this small window, we didn't know what to expect on the opening day. However, we had quite a few members of both staff and the local community come in and have a look at what we had to offer. A number of items produced by the students were sold. For me, as the coordinator of the VCAL program, I was very impressed with how our students interacted with the general public, and how they sold items. We had nothing but excellent feedback from each member of the public who came into the shop to see what we had for sale, which was the feedback we were after.

Win News contacted us on the morning of the opening day and wanted to come into our shop and interview some students involved, which was fantastic. There was a lot of excitement in our area from the students as the Win News cameraman walked into our room.

The students are now very motivated to produce more great products to fill the gaps in our shop shelving. This gives them a better understanding of how the shop will run, by replacing new products with the sold products. This is great for their development as they continue to work towards the end of their school career and transition into the workforce.

PRESENTATION BALL

Van Gough's "Starry Night" was the delightful theme for the 2019 CCS Presentation Ball. Event Co-ordinator, Leanne Chester created a lovely setting for the night where ninety-one students were presented to the dignitaries, including, Fr. Peter Buckley, members of the Leadership team and the College Board.

The young ladies looked beautiful and the young men, handsome as they proudly showed off their dancing in groups. The students danced to choreographed dances taught by the very talented and patient, Libby Collins. Libby also organised parent dances, which allowed

for family members and special friends to take part in the night of their children. Bailey Smith and James Robbins organised and choreographed dances that the students performed from a selection of songs for their audience. They were both entertained and enjoyed by all. The overall feel was fun, friendly and unforgettable for all involved.

Term One

We had a visit from the RAAF Hornet Simulated which saw about 15 of our students have the experience of simulated flying. Students got to “fly” planes in to land and take off, as well as being given a taste of what it is like to fly in a Hornet.

Term Two

The Tertiary Information Service was held on May 13th in Bishop Phelan Stadium. This began the process for our Year 12s in introducing the requirements for students going on to study.

In the Year 12 Careers classes’ students have had a number of guest speakers, including one from Centrelink. They have also begun the process of researching possible courses/careers and were given dates for Open Days at Universities in Melbourne.

Term Three

On Monday 15th of July, the day before students are required back there will be an opportunity for Year 12 students and their parents to meet with a representative from VTAC. This will be in St Mary’s Hall at 6.30pm. These sessions are always informative and a great way to get a head start on entering preferences for further study in 2019.

Students will be able to open their VTAC accounts and begin applications for University Courses, Scholarships and Special Entry Access Scheme (SEAS) on August 5th. Students know that my door is always open during recess and lunch if they wish to come for a chat or they can catch me at other times and make an appointment at a time suitable to them.

Our Year 10 and 11 Careers classes are finishing off looking at getting ready for the workforce, checking out Resumes, cover letters and interviewing techniques. From here we will move to looking at the future of work.

Our Pathways Evening is coming up on Tuesday 23rd July, this is an excellent opportunity for Years 8 - 11 and their parents to meet with the various subject learning areas and Higher Education providers to help with decisions on subject selection and future pathways.

It will soon be the time for selecting subjects and thinking about what comes next year. Students in Years 10 and 11 should keep an eye on what they think they might like to do in future study and ensure they have the prerequisites.

Pathways Coordinator

“Verbal Combat”: Brainstorm Productions Performance.

www.brainstormproductions.edu.au

Students at Sion were able to watch a performance last Wednesday that helped students to understand the harm caused by cyberbullying. It also addressed the issues of

students being bystanders and getting caught up in peer pressure. The performance made it clear to students that certain behaviours such as excluding people, spreading rumours and sending unwanted messages, is in fact bullying and will not be tolerated at our school. This was an entertaining way to promote discussion and give students strategies to avoid being a bully or a target.

It also made all students aware of the people that they can contact at school to get support and to make sure the bullying behaviour is stopped.

Brainstorm Productions

Report Bullying

Students at both campuses are also able to report bullying behaviour, by either talking with a staff member or going to their SIMON page, Student Links, and click on Report Bullying. This will then allow the student to fill in a form that outlines the type of bullying, and what they want done and by who. This email will go to the House Leader/Year level leader, Campus Director and the Student Counsellor. The student will be able to choose which staff member/s they want to follow up their request for support.

The email address is: bully.sion@ccsale.catholic.edu.au or bully.stpats@ccsale.catholic.edu.au

Booking Student Counselling appointments

Students who wish to make an appointment with Fay Goldsmith, (St Pats) or Mary McNally (Sion) can book in at the Student Services office at St Pats, or at the Sion reception.

Students can also book online on the SIMON page under Student Links, click Counselling appointments, and request a particular counsellor, time and day, depending on which campus they attend. The counsellor will then reply to the email, within work hours, with an appointment time.

Parents are very welcome to ring any of the student counsellors to discuss any concerns or to make appointments.
