Principal's Report

Dear College Community

This week we celebrated the end of formal classes for our Year 12 students. On Monday 21st October there was a whole school assembly to recognise the contribution these wonderful students have made to our College and to wish them well for their forthcoming exams and/or endeavours to secure their pathway beyond secondary school. On Tuesday 22nd October our Year 12 students celebrated 'Gratitude Day'. This commenced with a student/staff breakfast followed by time in Pastoral groups, a visit to Sion Campus (where their secondary education began) and a dress up celebration and activities. This year the costumes were of a very high standard, clever and in good taste. I join with all the staff in congratulating our Year 12 students in the way they finished their classes. I hope to see them around the College as they prepare and complete their exams.

The Year 12 Valedictory Mass and Graduation Ceremony will take place on Friday 22nd November 2019. The Mass and the Graduation Ceremony will be held in St. Mary's Cathedral and provides a wonderful rounding of our students'

journey and spiritual growth at Catholic College Sale.

Throughout this year the College has been involved in an extensive process of reviewing our School Improvement Plan (SIP). This process has involved examining the 2016-2019 School Improvement Plan and preparing the 2020-2023 SIP. While the SIP covers all areas of the College, our clear focus will be on the learning improvement of each individual student. The College is well supported in this program by the Diocese of Sale and Marist Schools Australia and staff have been working very hard to analyse data that indicates the learning progression of each student. The

Let us pray for our graduating students

Who are leaving our school,

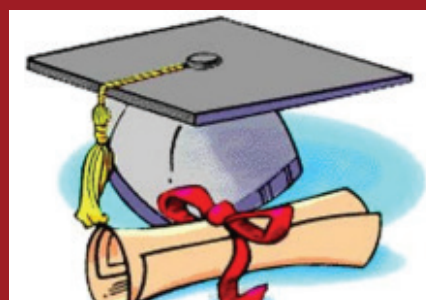

That God will continue

to bless them

And support them

In their future endeavours

With his guidance and love

PRINCIPAL'S REPORT

learning progressions will be a key part of our improvement plan for all students over the next four years.

Another review that the College is currently involved in the “Victorian Registration and Qualifications Authority”. This registration review also takes place every four years and ensures the College meets all its learning and legislative requirements. Each review ensures that a sharp focus is placed on Child Safety and the College processes to ensure the full growth of all students in a safe and welcoming environment.

The College has also reviewed its draft 2016-2028 College master plan. This master plan has been presented to the College Advisory Board and Finance Committee and now will be shared the College staff and the wider community for further development. The master plan program is clearly defined until the end of 2020, after which decisions will be made about which projects will receive priority over the next eight years.

Thank you to Ann Roffe, Roy Condeza, students and staff for their dedication and hard work in presenting the 2019 Junior School Production, ‘Santa’s Zombie Apocalypse’. The students gave a wonderful performance with much laughter and enjoyment by both the participants and audience.

We welcome back students and staff from the Humanities excursion to Vietnam and the immersion to East Timor. I have received very positive feedback on both of these tours and I thank all staff for giving their valuable time, especially during the school holidays, to make these tours possible for students.

On Sunday 11th November, the Sion Convent building will be holding an ‘Open House’ to celebrate the 129th anniversary of the arrival of the “Sisters of Our Lady of Sion” in Sale in 1890. This will be celebrated by Bishop Patrick O’Regan and attending will be the Sisters of Our Lady of Sion from Melbourne, along with many current and past staff members and students. Special thanks to the organising committee who always ensure a welcoming and successful day.

I would like to congratulate our College Captains for 2020 Emily Knobel and Murray McLaren. Congratulations also to our Senior Cabinet Leaders being; Ashley Missen – Wellbeing, Isobel Morcom – Academic, Bridget Forster – Celebrations, Tahlia Hill- Service, Mackeely Bennett – Arts, Lily McCaughey – Sport. The College is now in the process of selecting House Captains for each of our six Houses.

LEARNING AND TEACHING

The final term for 2019 is upon us and we have farewelled our Year 12 students from the College. As we are about to embark on the final exam period, it is vital that our Year 12 students fully utilise all resources available to them right up until their final examinations. The library and Ratisbonne Centre will continue to be open to our students.

Whilst this is a special and exciting time for our Year 12 students and parents, it can also be a difficult and even stressful time. Please be reassured that we the Leadership, House Leaders, subject teachers and all of the support staff will continue to support, encourage, and assist in any way we can to ensure that this time is a most memorable and productive experience for your child. Can I request any loaned books or resources be returned to library at the conclusion of the exam period. If these are not returned, charges will apply. Exams for students in Years 9-11 begin on 15th November. It is a challenging time for some young people and parental support is paramount. Below I have identified some ways parents can help their child with exam preparation:

- A good strategy for revision is to create FLASH Cards. Revision occurs through composition of flash cards. Once made – quiz children using the cards about key vocabulary, terms or definitions.
- Ensure a quiet space for your son or daughter is available for undisturbed study time.
- Ask questions about content - read the novel and ask questions about the themes or characters.
- Ensure a healthy balanced lifestyle with physical activity, healthy food and relaxation in balance with a regular study routine.
- Help your son or daughter to write up their study routine – ensure it is realistic and practical.

2020 VCE subjects and booklists will be emailed to parents at the beginning of next week. Some secondhand textbooks are available for purchase through our Secondhand Uniform Shop. Titles available will be uploaded to our website and will be under the news section here – www.ccsale.catholic.edu.au/events/news-events/ Students in Years 11 and 12 English are required to purchase novels directly from the College during Headstart.

What Causes Mind Blanks during Examinations?

On the 25th November, all students will roll into their 2020 classes. This two week Headstart program is vital for all students to get themselves prepared and familiar with the learning and pastoral expectation of the following year. Students will start on new learning outcomes and assessment tasks. All Year 8 students will move to the St. Patricks campus. Student timetables will be available to students in the week prior to Headstart.

Cindy Foat
Assistant Principal - Learning and Teaching

VIETNAM TRIP

Twenty five senior Geography/History students, accompanied by three staff, set off on September 18 for a ten day tour of Vietnam. The journey began in Ho Chi Minh City where students learnt about the battle of Long Tan and visited Long Phuoc Tunnel and Long Tan Hill before attending a moving memorial ceremony honouring the fallen soldiers. Other adventures in Ho Chi Minh City included the markets, Reunification Palace, Mekong River, Cu Chi Tunnels and the University of Science and Humanities.

Day Four the group moved on to a two nights in Hoi Ahn, before heading to Hanoi. Experiences from our Hanoi base included the Dragon Boat, Thien Mu Pagoda, the Imperial City and Halong Bay.

For further details about the trip please click here to access the student/teacher blog.

SION PERFORMING ARTS

Our Year 7 and 8 students gathered at Bishop Phelan Stadium on Friday August 30 to showcase their performing arts talents. Following a similar format to the senior school, some of the talented Sion students performed individual acts, followed by the six House acts. Congratulations to all involved in both performances and organisation of this fun event.

For more Performing Arts photographs please [click here](#).

YEAR 8 PRODUCTION

Santa's Zombie Apocalypse

This year the Year 8 Production was Santa's Zombie Apocalypse and almost thirty of our talented Year 8s strutted their stuff on stage for three performances at the end of Term Three. The enthusiasm and effort put in by these students was inspiring and the progress that they made from the beginning of the rehearsal period to the final performance was amazing – I am sure that they would all agree that they ended up being able to do things that they never thought that they were capable of to a standard that they can be truly proud of.

As director I am indebted to the skills and enthusiastic support provided by Roy Condeza as the Musical Director and to the many people who said “yes” when asked for help to make this production possible including teaching staff of CCS and the Maintenance Department, thank you all! The show also relied for its success on the first year students from the VCE/VET Music Industry class who provided sound and lights in a most professional manner – well done Emily, Mackeely, Aaron and Will.

Ann Roffe

MATHS CAMP

During the first week of the Term 2 school holidays, myself and 23 other Year 10 students from around Regional Victoria all met in the City of Melbourne preparing for a long week ahead of maths and newly found friendships. The maths camp run by the

Mathematical Association of Victoria allowed myself and other students the opportunity to work with mathematicians and industry representatives, solving real-world maths problems in teams. Throughout the week we visited a number of industries including FORD, The Reserve Bank of Australia (RBA), Texas Instruments, and the Victorian Space Science Education Centre to create real world mathematics investigations in the fields of Engineering, Economics/Commerce, Coding and Biomedical research. In our groups of five students we were put to the challenge of undertaking problem solving activities as we worked through a scenario presented to us at the beginning of camp. Each day we spent countless hours complete these projects and receiving mentoring by Mathematicians from leading universities such as RMIT and La Trobe University.

On our first day we began with numerous introductory activities as well as settling in and meeting our fellow students at the Jasper Hotel. On the second day we travelled to the Victorian Space Science Education Centre where we explored the areas of engineering and some aspects of biomedical research and what it takes to become an astronaut. We then finished off our day by working on our projects at RMIT and attending a fun filled session at Bounce. Over the next two days we attended Texas Instruments where we took part in coding challenges and areas of robotics, we also attended the Queen Victoria Night Markets where we immersed ourselves in different cultures. We also attended Ford and got to experience virtual reality and took a look inside some of the newest and hitech cars before we headed of to the State Library to finish our projects and touch base with our mentors. On the final day of the camp we undertook a tour and problem solving activities at La Trobe University Bundoora, before presenting our project findings to MAV staff, industry partners, university academics invited guests and parents.

Overall the camp is one of the best experiences I have participated in so far. As well as exposing me to an investigation that I would not be offered otherwise, it gave me an opportunity to experience activities that gave me an idea as to where maths can lead me in the future. I also was given the opportunity to make friends with people who have the same interests as me and can give me a different perspective on things I wouldn't have thought of otherwise. For anyone interested in attending the camp in future years I would encourage you to give it ago as I have made lasting friendships across the state and enjoyed my time thoroughly.

Molly Hargreaves
Year 10 Student

East Timor Fundraising Trivia Night

On the 23rd of August a trivia night was held at St. Mary's Hall to fundraise to support the wonderful work of the Australian Marist Solidarity team in East Timor and elsewhere. A great crowd attended and a fun night was had by all. Special mention to the Year 9 Community Project students who supplied some tasty treats. If you are interested in any of the recipes - please [click here](#).

GEOGRAPHY EXCURSION

The start to Unit Two Geography has been very busy as we prepared for our second field trip for the year. We travelled by bus to the sporting precinct in Melbourne where we spent the morning collecting data for the reports we were to write on return, addressing the impacts and importance of sporting tourism on Melbourne. The students spent time wandering round the precinct taking photos, collecting notes and completing field sketches. This was followed by a tour of the different venues including the National Tennis Centre and Rod Laver Arena.

The students were able to access some fantastic statistics and data on visitor numbers, direct and indirect economic benefits of the precinct and costs related to the redevelopment from

our guides. They were also shown through some of the new areas that were completed as part of the stage 2 redevelopment of Rod Laver Arena. Access to the Women's player's lounge, locker room and change room was given in the tour so the students could photograph where the money was being spent and enjoy the luxury afforded to the player during the Australian Open.

This was followed by a walk up to Federation Square where the students conducted head counts, questionnaires, measurements and more observation and photos. After they had collected the data a relaxing lunch was in order.

After a leisurely walk through Southbank the afternoon was spent at the Eureka Skydeck getting an elevated view of Melbourne and the stadiums. Students completed observations, took pictures and drew field maps from the Skydeck before we headed back to the bus and back to Sale.

SKOOLBAG APP

There have been numerous changes made by Skoolbag to the app over the past six months. Unfortunately these changes have made the app less suitable for our needs. This is accompanied with some ongoing issues regarding shortfalls with the app. As a result, we have decided to no longer use the Skoolbag app, and instead communication will continue via the website, email and sms.

MELBOURNE WRITER'S FESTIVAL

Fake News! Heroes! And Writer's Block! These were the main elements that Year 9 Writer's Craft were presented when they attended this year's Melbourne Writing Festival on Tuesday 3rd September. A large group of very enthusiastic students were given the opportunity to listen to authors being interviewed about their passion – writing. Each session allowed for Q and A responses which further invited students to respond.

Each author discussed the skills and challenges involved in their art forms. Environmental journalist Linh Do, writer Laniyuk, poet Elena Gomez, and writer and critic Sonia Nair discussed how through writing they could express their ideas on environmental issues; specifically Aboriginal language concerns; holding people to account for their behaviours; poetry and its merits; and the different ways they worked through writer's block. The discussion led to how writing was a great vehicle for them to establish their thoughts, ideas and memories, in order to create writing to

reflect their situation. They were able to acknowledge that it is a very brave move to write and then let others read what you have created. The notion of others presenting opinions on your work is daunting but, in the long run, a very cathartic experience.

The second author, Jack Latimore, was able to establish an outline for our students as to how they can spot 'Fake News', by using the journalistic approach to stories and the tools to critically appraise information. He provided ideas and suggestions that Journalists should use to establish the degree of reliability of their sources of information. By checking sources with other sources; acknowledging the reliability of sources; noting the dates of the events; the use of expert opinions; how much emotional appeal is used as opposed to facts and statistics; we can feel more encouraged as to what is considered 'Fake News' or news of which we should take note. Overall, we all need to have an enquiring mind!

Our third author, Eve L. Ewing presented the notion that heroes don't need to be super, but that they are those unspoken or ordinary people in our lives. The cleaners of an office; the mothers who take us to appointments; the people who make sandwiches for firefighters; those people who quietly go about their days doing small things for us. Heroes have flaws, so why can't they be ordinary people. Remember to keep the situations fairly real; and that your 'baddie' should bring out the flaws of your heroes. Eva worked in cartoons, specifically, Ironheart, where she explained the process for creating cartoons, moving through from summary paragraphs outlining ideas, through to illustrations and colourists before being drafted and redrafted for final delivery. It can take months and unlimited emails between many people before the cartoon can be finally published. Eva reminded us to think, 'What would Wonder Woman do in this situation?'

The students were able to learn about different ways of using writing, and the necessary elements of each style, so as to see their own work in the light of drafting, refining and reflecting to create a solid piece of work. It was a great day, with great weather and great company.

We are just about to farewell our Year 12s which is always a time of mixed emotions for both staff and students. The majority of these eligible students have applied for a university course with a small number choosing to pursue other pathways in the future. ATAR results will be available online at 7am on December 12th and Change of Preference is open up until 4pm on December 14th. Staff will be available at the time the ATARs come out to talk about change of preference and help with any other problems which may arise. There will also be staff at the College when the first round offers come out on December 18th if students need to access support. Students who are applying for apprenticeships, traineeships or other work can also come in and talk to the Pathways staff, if they wish to access advice.

Year 11's are currently looking at issues in the workplace in particular they are exploring the areas of taxation and superannuation.

Year 10's are focussed on the world of work, this includes work experience and for some Structured Work Place Learning, resume preparation, writing cover letters and interview practice. They also cover some discussion on the future of work in their ever-changing world. It is highly recommended that all Year 10 students participate in work experience in an area that interests them and this is organised through Kristine Morrison. Just a few reminders regarding this:

Work experience and work placement must take place during the school year between the first day of the school year and the last day of the school year. Students may undertake work experience during the school holidays in Terms 1, 2 and 3, but not during the holidays at the end of the year (i.e. the Christmas/summer holiday period).

Students must not exceed 40 days in a school year, and 10 days during any school term.

All work experience arrangements must be made using the Work Experience arrangement form that must be signed by the employer, student, parent/guardian and the Principal.

IN THE CLASSROOM

VicSpell Competition

On 7th August 2019 four students from Sion attended the VicSpell spelling competition Wellington Zone final hosted by Maffra Secondary College. The students who attended were Aspen Connor (Year 7), Emily Birney (Year 7), Mark Thompson (Year 8) and Zach Felsbourg (Year 8). All four students competed very well at the event with Aspen and Emily finishing equal third in the Year 7

section and Zach finishing second in the Year 8 section. Mark Thompson won the Year 8 section and progressed to the state final held at Lavalla College on 4th September 2019. Mark (pictured far right) came 5th at the state final which is an excellent achievement.

Year 8 Italian Pizza Making Experience

Year 8 Italian classes attended a pizza making class at La Porchetta in August. Students learnt about the ingredients that are used to make the dough and how the temperature of the water affects the quality of the dough. John (the manager) explained how to put the toppings on pizza so that the final product was well cooked and not soggy.

It was then the students' turn to put on their food handling gloves and make their own individual pizza. The final part of this experience was to enjoy the pizza they had made.

John said he was impressed by the beautiful manners and behaviour of these students. This experience was made possible by a grant received by the Italian subject area.

MUSIC

Term Three is always a busy one in the Music Department and this year was no exception. Since our last Newsletter we have performed successfully at the Latrobe Valley Eisteddfod. This year we sent our choirs out – the Sion Singers, MVC (our all male vocal ensemble) and Show Choir. All performed amazingly with MVC coming 2nd and Sion Singers HC in the Primary/Secondary Vocal Group. Show Choir combined with MVC and came 2nd in the Secondary School Choir Group and won the Under 20 Vocal Group as themselves.

Congratulations to all!

Our Year 7 & Year 8 Rock Bands completed their first Semester and have reauditioned and reformed into new bands for Semester Two. These bands will be on show in the upcoming concert on November 13th and, like the previous bands, have opportunities to perform at various College events.

This year's Year 12s have almost finished their studies and we wish Emily Fraser, Elisa Mijares and Lewis Black all the best as they head out to bigger and better things. Thank you all for your dedication and hard work in the Music Department – you will be missed!

Upcoming events:

Wednesday 13th November:

- 5pm – Rock Band performances in the Marcellin Room
- 6pm – Choirs, Ensembles and Soloists in the Sion Chapel

Ann Roffe
Head of Music

Year 7 Netball - State Champions!

Catholic College Sale has won the state title for Year Seven netball defeating Wodonga in the grand final on Friday.

The girls won their way through two regional rounds to qualify for the top eight and play off in the School Sport Netball state finals at Waverley.

Sale lost one game early in the day against Catholic College Wodonga but ended up retaining top spot on percentage after a three way tie for top of the ladder in their pool.

Sale defeated Williamstown High School in the semi final then turned the tables on Wodonga with a convincing grand final win 14-27.

It was the Catholic College Sale's second state title in three years, with the school also winning the year seven title in 2017.

Year 7 Team - Sienna Wynd, Tilly Pendergast, Ally Beale, Georgie Hrehoereson, Lola Wilson, Kate Van Der Voort, Kaylah Komen, Alyssa Light, Jemma Birss

Year 8 Netball

A fantastic achievement for our Year 8 team to also make the SSV State Finals at Waverley State Netball Centre on Friday September 6. After three hard fought games the girls narrowly missed the semi finals. Results as follows:

Mercy 19 def CCS 18
Narre Warren 23 drew CCS 23
CCS 40 def Wodonga 20

Year 8 Team - Millie Lamb, Lucy Jones, Kate Ronchi, Scarlett Morris, Camryn Roberts, Ash McDonough, Isla McCarthy, Lilly Corcoran, Milla Anderson, Charlotte Grogan, Lauren Wilson

Intermediate Netballers – State Runners Up

The 9/10 SSV State Finals were held at the Waverley Netball Centre on September 9. The girls won all three of their pool games to earn a place in the semifinals where they played off against Rowville for a spot in the Grand Final. In a thrilling match, CCS defeated Rowville by 1 goal to reach the State Grand Final against Catherine McAuley College Bendigo.

In the Grand Final, Catherine McAuley College Bendigo came out on top 16-21. A great effort from our team to be runners up in this competition.

Team - Kiesha Jackson, Charlotte Ronchi, Ruby Dillon, Lilli Stobie, Indigo Waugh, Maya Bown, Olivia Barnett, Tess Hansford, Courtney McDonough, Jaz Hennig

Wheelchair Basketball Illawarra Festival

Year 10 student Will Firth participated in the 'Wheelchair Basketball Illawarra Festival'.....Slam Down Under Tournament 2019 at Shellharbour City Stadium on the 12th and 13th of October.

Three teams travelled up from Victoria and Will played for Vipers Orange. He played seven games over two days against teams from all along the East Coast and defeated Wodonga Wolves in the final to take the gold medal.

Will was one of five players awarded an All Stars medal for his Division. He has also been invited to attend the upcoming development training camps with the under 23 Australian Spinners Wheelchair Basketball Team.

Uniform Shop Donations Needed

Due to the increasingly high demand of uniforms through the secondhand uniform shop our stocks are somewhat depleted in certain areas. Please consider selling or donating to the school if you have secondhand uniform that you are no longer using.

On Thursday September 19th, our College Athletics team journeyed to Joe Carmody Running Track for the 2019 SSV Gippsland Track and Field Finals. Our 41-strong contingent had qualified for their events by placing first or second at the division finals a month prior.

With a spot at the State Finals on the line, we had a number of pleasing results. Ten students will represent the College and Gippsland at the School Sport Victoria State Track and Field finals at Lakeside Stadium on October 18th - *Oakley Pearson, Marshall Capraro, Jonathan Boyd, Keisha Jackson, Jonti Schuback, Grace O'Brien, Jack Hrehoresen, Zane Perkins, Jayke Hart and Aaron Broadbridge.*

Other place-getters from Catholic College Sale below:

Jayke Hart – 3rd – 17 Boys Javelin (30.72m) and 1st – 17 Boys High Jump (1.60m)

Nathan Nikolajew – 1st – 15 Boys High Jump (1.71m)

Matilda Pendergast – 2nd – 12-13 Girls Long Jump (3.87m)

Courtney McDonough – 3rd – 16 Girls 1500m (6:03.47) and 2nd – 16 Girls 800m (2:55.63)

Sophie Green – 2nd – 14 Girls Shotput (9.38m)

Keisha Jackson – 1st – 16 Girls Shotput (10.84m); 1st – 16 Girls Discus (23.96m) and 3rd – 16 Girls Javelin (22.41m)

Lachlan Allman – 2nd – 15 Boys Javelin (29.41m)

Noah Szabatura – 2nd – 14 Boys Triple Jump (10.72m)

Ashton Wright – 3rd – 12-13 Boys Javelin (20.62m)

Jonathan Boyd – 2nd – 14 Boys 100m (13.00 secs); 1st – 14 Boys Long Jump (5.13m) and 1st – 14 Boys High Jump (1.60m)

Oakley Pearson – 1st – 14 Boys Shotput (11.76m)

Fletcher McBean – 3rd – 12-13 Boys High Jump (1.50m)

Jonti Schuback – 1st – 15 Boys Long Jump (5.31m)

Grace O'Brien – 1st – 15 Girls 800m (2:42.25); 2nd – 15 Girls 200m (27.47 secs); 1st – 15 Girls 400m (1:09.24)

Jack Hrehorsen – 1st – 15 Boys Shotput (12.38m)

Marshall Capraro – 1st – 12-13 Boys Discus (27.47m)

Rueben Bowtell – 3rd – 16 Boys Long Jump (5.12m) and 3rd – 16 Boys Triple Jump (10.67m)

Tiarna Hanson – 2nd – 14 Girls Triple Jump (8.99m)

Milla Anderson – 3rd – 14 Girls 200m (30.25 secs)

Zane Perkins – 1st – 16 Boys Javelin (41.58m)

Chase Capraro – 2nd – 12-13 Boys Triple Jump (10.06m)

Aaron Broadbridge – 3rd – 18-20 Boys 200m (24.34 secs); 1st – 18-20 Boys 400m (55.02 secs); 2nd – 18-20 Boys 100m (12.16 secs)

12-13 Girls 4x100m Relay – 2nd – (58.31 secs)

Runners: Matilda Pendergast Kiah Johnson, Zali Gallagher & Jemma Birss (*pictured right*)

14 Girls 4x100m Relay – 2nd – (59.23 secs)

Runners: Isla McCarthy, Milla Anderson, Livinia Anderson & Tiarna Hanson

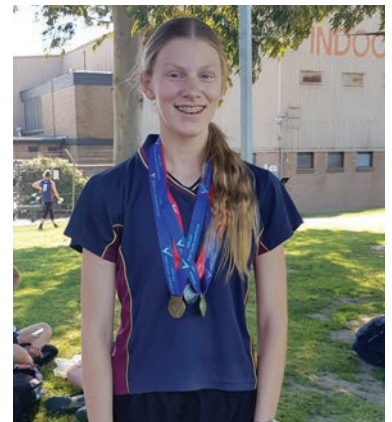

15 Boys 4x100m Relay – 2nd – (50.19 secs)

Runners: Coby Burgiel, Jonti Schuback, Jack Hrehorsen & Harry Gravener

16 Girls 4x100m Relay – 3rd – (58.80 secs)

Runners: Courtney McDonough, Olivia Barnett, Grace O'Brien & Payge Van Ekeren

Year 7 & 8 Girls Basketball

Our Year 7 & 8 Girls Basketball teams travelled to Traralgon to play in the first round of SSV Basketball on Wednesday 11th of September. After some strong performances both teams came up strong Lavalla sides that were too good on the day.

Year 8

Defeated Yarram SC 52-12
Defeated Maffra SC 31-23
Grand Final – Defeated by Lavalla CC 30-14

Year 7

Defeated Maffra SC 45-4
Defeated Sale College 87-7
Grand Final – Defeated by Lavalla CC 24-30

Year 7 Team - Jemma Birss, Ashley Centra, Ruby Goldsmith, Lola Wilson, Alexandra Beale, Georgie Hrehoresen, Alyssa Light, Sienna Wynd

Year 8 Team - Lucy Jones, Scarlett Morris, Kate Harrington, Tiffany Gieschen, Milla Anderson, Zoe Stothers, Isla McCarthy

Year 7 Cricket – SSV Wellington Final

With gloomy weather on the horizon, the Year 7's won the toss and elected to bowl first in the SSV Wellington Final, against Traralgon Secondary College.

Played at the College Ovals, Madix Grattan and Matilda Pendergast opened the bowling, finishing with 2-15 off their combined six overs. Max Stobie, Jackson Annear, Elliot Stables and Ashton Wright all chipped in with one wicket each, while Jack Cantwell was our best with 2-5 off two overs. Our efforts in the field restricted our opponents to be all out for 32 inside of 15 overs. Hayden Wrigglesworth (11* off 30) and Captain Asher Eastham (27* off 21) both played watchful and mature innings to ensure a ten-wicket win before the rain set in.

We now progress to the Gippsland finals on Thursday October 31st.

Team - Hayden Wrigglesworth, Asher Eastham, Jackson Annear, Matilda Pendergast, Ashton Wright, Madix Grattan, Max Stobie, Cameron Missen, Jack Cantwell, Matthew Murphy, Elliot Stables

Year 9/10 Cricket - SSV Gippsland

After our semi-final opponent pulled out in the days leading up to the competition, CCS arrived at the Traralgon West Sports Complex on Tuesday October 15th knowing it would play one of Leongatha or Bairnsdale Secondary Colleges for a chance at the State Quarter final. As we arrived, Leongatha SC were wrapping up a comprehensive victory in the first match of the day, and were happy with a quick turn-around time for the final.

CCS won the toss and chose to bat on a cool, overcast day.

Zak Russell (44 off 34) and Tom Morrison (33 off 31) laid a terrific foundation, amassing 63 runs without loss inside nine overs. However, some good bowling coupled with poor shot selection crippled CCS to 9-109 after 20 overs, putting us 30-40 runs short of our desired total.

An early breakthrough from Meika King gave us a glimmer of hope, but Leongatha opening batsman Ethan

Lamars innings of 69* guided Leongatha to an 8-wicket win with overs to spare.

Sol Nash was our other wicket-taker, who finished with 1-19.

Focus now goes to Marist Cricket selection, as our team heads up to St John's College Woodlawn in the first week of December.

A big thank you to Josh Davis for his coaching and mentoring of the team this year.

Team - Ethan Aurisch, Lakshay Panwar, Noah Hurley, Tom Morrison, Zak Russell, Seb Pendergast, Noah Bennett, Meika King, Jake Pendrick, Sol Nash, Mason Annear, Ben Harrington

Year 7 & 8 Boys Basketball

Our Year 7 & 8 Boys Basketball teams travelled to Traralgon to play in the first round of SSV Basketball on Wednesday 11th of September. After some strong performances both teams came up against two strong Lavalla sides that were too good on the day.

Year 8

Defeated Sale College 54-19
Defeated Maffra SC 43-19
Defeated Traralgon SC 49-7
Grand Final – Defeated by Lavalla CC 42-28

Year 7

Defeated Maffra SC 51-13
Defeated Traralgon SC 56-25
Grand Final – Defeated by Lavalla CC 26-32

Year 7 Team (pictured above right)
- Ben Stephenson (abs), Harrison Rowley, Jackson Reid, Ashton Wright, Sam Elvin, Max Stobie, Noah Johnson (abs), Luca Centra, Cayden Johnson

Year 8 Team - (pictured below right)
Harper Fraser, Jett Killoran, James Allman, Zach Felsbourg, Wil Ross, Wesley Anderson
Mitch McQuillen, Oakley Pearson, Darcy Davis, Cooper Lett

Clay Target Shooting

Glorious conditions greeted staff and students at this year's annual Wellington Secondary Schools Shoot at Sale Field and Game. The College sent a 20-strong team to the event.

Students were placed into teams of five and were required to shoot two twenty simulated targets and five 'down the line' targets. Simulated Field targets have no set trajectories or shooting stand layouts and can be thrown from all sorts of positions, with all sorts of trajectories. Down the Line has five shooting stands with targets being mechanically thrown from a central trap house, moving away from the shooting stands within a defined arc. Shooters move between the stands after each round of targets, rotating between the five set shooting points.

Ryder Miller (Year 9) placed 3rd in the Junior Boys division, shooting 20 of 25 targets.

Jessie Sedman shot 17 of 25 to just miss out on a place in the Senior Girls top three, while Zac Jones (20/25) and Campbell Gladman (19/25) weren't far away from medal contention either in the senior boys event. Callum Farley and Blake Ross claimed 18 and 16 targets in the Junior Boys Division respectively.

Our best overall team score was 77/125 and featured; Jack Peatling, Ryder Miller, Tuscian Lowe, Sophia Salce and Jessie Sedman.

Big thankyou to John Hirt and the team at Sale Field and Game for their preparation of another terrific event.

Team - Matt Murphy, Ashton Wright, Emily Birney, Charlie Dillow, Noah Szabatura, Liam Matthews, Blake Ross, Ethan Clohesy, Callum Farley, Jessie Sedman, Ryder Miller, Jack Peatling, Campbell Gladman, Zac Jones, Jasper Bentvelzen, Tuscian Lowe, Sophia Salce, Baylee Van Ekeren, Riley Wood, Ethan Cook, James Robbins

L to R - Baylee Van Ekeren, James Robbins, Zac Jones, Riley Wood and Campbell Gladman
