Contact Us

Welcome back to our 2020 school year. It has been great to see all the smiling, enthusiastic and talkative faces as students and staff returned to Catholic College Sale. Friendships renewed and new ones made. Always in our prayers, members of our community and the wider community that have suffered because of fires over the Summer break.

Our Opening School Mass and Assembly was celebrated last Friday with Dean Peter Bickley. Our Marist theme for 2020 is 'One Wild and Precious Life'. We are invited to meditate on our life and its direction and we are encouraged to take our cue from the vibrancy and beauty of nature. We are asked to consider what we value and who we want to become as we grow and develop within our gift of life.

Prayer for a College Student

Heavenly Father, please be with these students as they go where they do not know.

As they seek to grow in knowledge, we ask that they grow in faith.

As they start to conquer the world, we hope that they conquer their fears.

As they strive to find their place, we pray that they find you.

Please go where we cannot, protect when we cannot, give strength that we cannot, and Bring them safely home.

Amen

PRINCIPAL'S REPORT

What is the humanity we wish to celebrate within our own lives and share with others. Our College theme is 'Every Student, Every Day'. How do we interact with each other to ensure the opportunity to grow and develop within our spiritual life, academic life and social interaction? Through our strategic plan, we will be measuring the growth of each student in a variety of ways to ensure we are able to identify the gaps that need to be filled to assist with a rich and engaging learning life.

This year we celebrate 130 years of Catholic Education in Sale. Our Lady of Sion Sisters arrived in 1890 and opened a school in the Bishops house in 1891. The Marist Brothers commenced their school on the St. Patrick's site in 1922. We recognise the dedication of not only our religious and lay educators, but the dedication of the Sale community that values Catholic Education and supported the growth of education for all, with continuing support for Catholic Education today. The College will provide an opportunity to celebrate our heritage later in the year.

At our Opening Assembly we welcomed our Year 7 students and celebrated our Dux for 2019, Ruby Heasley and 9 members of the 2019 '90+ club. We awarded the top three students of the College, who are continuing with tertiary education, with the Mother Raphaela Bursary of \$500 each.

At the Assembly, we recognised and presented badges to our 2020 College Captains, Emily Knobel and Murray Casella, Campus Captains, Matilda Pendergast and Axl Cox, along with members of the Student College Cabinet and House Captains from both campuses. All Year 12 students received a Year 12 badge and each student and staff member have received our 'Every Student, Every Day' badge as a reminder of our theme for 2020.

I would like to welcome new staff to the College:

- Tim Morrison – Deputy Principal Student Learning and Wellbeing
- Tania Fuessel – Teacher Maths/Science
- Tye Robinson – Teacher English
- Ami-Lee Metcalf - Teacher English
- Mahendra Kapoor - Teacher Maths/Science
- Deirdre Marshall - Teacher Science

The College has recently held its annual Swimming Carnivals. Student enthusiasm was outstanding and participation increased at both the Sion and St. Patrick's carnivals. Congratulations to Raphaela House as overall winners and to all our 'Age Champions'. Special thanks to Jamie Murphy and Hayley Castle for their leadership and preparation.

Notifications about the re-scheduling of the Year 7 camp and Year 12 Retreat have been forwarded to students and parents. Our Year 9 camp schedule commences on Monday 24th February 2020.

Have a great year.

LEARNING AND TEACHING

Our 2020 theme, 'Every Student, Every Day' reminds us of the unique personal gifts and talents we share to achieve our personal and communal goals. Presenting our 2019 90's Club to our whole school community at our Opening Assembly allows us to celebrate together how prioritising study, hard work, strength of mind and character can lead to great achievement. Our community acknowledges we are only as strong as the support we offer each other every day.

To achieve success we must however, have high expectations of ourselves, develop resilience strategies and through this, as a College, we can build a culture of high achievement. These high expectations come in many forms; how we treat and value one another, how we wear our uniform; the discipline we show in our study and the sportsmanship we display when we compete.

In line with these high expectations is our explicit Graduate Criteria that outlines what students must meet before they will get approval to complete a VCE or VET subject. The application process for these subjects will happen in line with our Subject Selection in early Semester 2. To read the Graduate Criteria please [click here](#).

I told students that I want Catholic College Sale to be a place where they find their unique skill and use that as a tool to critically evaluate how through 'giving and sharing' that skill they can make the community we live in a better place. Through this high expectation of yourself, we can find personal achievement.

The partnership between students, parents and the College is vital to strengthen the learning platform for each student. We are continuing to strengthen communication and keep our community up to date on what is happening in the College. Our **2020 Contacts Guide (click here to access)** helps identify key people and areas of responsibility. This is available on both SIMON and our website, which is being continually updated with news and events.

Important VCE Information has been uploaded to our website ([click here](#)). VCE/VET Coordinator Ken Holmes has uploaded a presentation for parents and students to review at their convenience. If you have any queries please do not hesitate to contact the College to discuss either over the phone or to arrange an appointment. Mr Holmes is also running 'How to Study' sessions during lunchtimes. This is open to any student completing a Unit 3/4 sequence. Students need to register for these sessions by giving their name to Mrs. Morrison in the Ratisbonne Centre.

I would like to remind students and parents of the extra support the College offers:

LEARNING AND TEACHING

Learning Spotlight @ CCS Community Project – Year 9

Our Community Project is at the core of our Catholic College Sale Year 9 Program. This program starts with focusing on a real understanding of what is community. Students will then identify with an organisation/group and develop a Community Project that they will become actively involved with. This could be raising awareness, developing a website, active participation in an event or existing project, create piece of art work/mural etc. In late 2019, four students, Jack Austin, Alex Buckley, Molly Chessum and Lara Weston, took the initiative and decided to volunteer at Gippsland Women's Health as part of their Community Project. The students turned some of the garden pots at the front of the GWH office into seats for people in the community to use. The new look for GWH is both fresh and functional!

LEARNING AND WELLBEING

It is with great enthusiasm that I join Catholic College Sale Community as Deputy Principal – Learning and Wellbeing. My role within the College is to oversee the organisational structures that support the wellbeing of students and families including the development of a wellbeing program that is contemporary and flexible and allows all students to flourish in their learning.

My family and I have relocated from Toowoomba, Queensland and have appreciated the warm welcome from both Catholic College Sale Students, Staff, and wider Sale Community.

The commencement of term has been an exciting and challenging period, enabling me to meet as many students and staff across both Campuses and I will be continuing to work towards getting to know students and families throughout the year.

The College theme 'Every Student, Every Day' is a key focus for all members through our school community to embrace and live by. Particularly as we commence the schooling year with many new students embracing their new learning environment, along with coming together in forming cohorts, whilst following in the Marist Sion traditions.

During the commencement of the Term, students have embraced a range of activities throughout the College. Activities have included the Year 7 Day, Swimming Carnivals, Year 12 Reflection Day and Opening College Mass.

Students and their families are reminded that the College offers support structures to assist student wellbeing and their learning via their Pastoral Teachers/Learning Area Advisors, House Leaders and Year Level Leaders, as well as two College Counsellors, willing to give additional support towards their learning journey and personal development.

In the coming week, I am looking forward to attending the Sion Family BBQ held this Thursday 20th February to be with the students in sharing their new learning environment with their families and carers.

Warm regards,

Tim Morrison

OPENING MASS

The beginning of the 2020 school year was celebrated on February 14 with an Opening Mass attended by staff and students from Years 7 to 12.

The Mass was presided over by College Chaplain Dean Peter Bickley, St. Mary's Cathedral Parish.

Principal Chris Randell said: "It was wonderful to have Father Dean Peter with us to celebrate our opening school mass. The ringing in of our Year 7 students with the Sion Bell is a now a part of our traditional welcome. It was also fantastic to have members of our 90 plus ATAR club from 2019 with us for the celebration. Our school mass commenced with school captains, Murray Casella and Emily Knobel, signing our 130 year old school bible. The Marist theme this year is 'One Wild and Precious Life'. Our life is a gift to us, that needs to develop to its full potential and be willing to share that gift with others. The College strategic theme for 2020 is 'Every Student, Every Day', ensuring that our priorities are always focused on the student, their needs and full development in their spiritual, academic and social skills. This year is a special year at Catholic College Sale as we celebrate 130 years of Catholic Education in Sale. Our Lady of Sion Sisters arrived in late 1890 and opened their first school at the beginning of 1891. They were joined in Sale by the Marist Brothers in 1922. A highlight after our opening school mass was the blessing of Mary our model, inviting us from our charisms to Jesus. This was followed by the presentation to our 90 plus students and badges to the school leaders. Every student will receive a badge reminding them of the theme, 'Every Student, Every Day'."

Above: Sion Captain Axl Cox receives his badge from Dean Peter Bickley at the Opening Mass and Assembly.

The nine students who achieved an ATAR of 90 or above, including the 2019 Dux of Catholic College Sale, Ruby Heasley, were presented with certificates and recognised by the College community.

Our three top ATAR students also received the Mother Raphaela Bursary, which is \$500 towards their first year of post-secondary education. Congratulations to Ruby Heasley, Jessica Reid and Neeve McQuillen.

The 2020 College leaders were also recognised and presented with their badges during the celebration.

Assistant Principal, Learning and Teaching Ms Cindy Foat said: "Our community acknowledges we are only as strong as the support we offer each other every day. Our theme 'Every Student, Every Day' reminds us of the unique personal gifts and talents we share to achieve our personal and communal goals. Presenting our 2019 90's Club to our whole school community at our Opening Assembly allows us to celebrate together how prioritising study, hard work and strength of mind and character can lead to great achievement."

2019 VCE RESULTS

We are very proud of all our Year 12 students. They have worked extremely hard and shown tremendous resilience to follow their post-secondary pathway dreams.

A special congratulations goes to our 2019 College Dux, Ruby Heasley for achieving an ATAR score of 97.15. A large percentage of our students achieved study scores above 40 with a perfect 50 for Neeve McQuillen in VCE/VET Sport and Recreation. The expertise of our Trade Skills Centre to develop sought after apprentices continues to be recognised with a huge number of apprenticeships in a wide variety of industries.

Chris Randell
Principal

Once again we are extremely pleased with our well deserved VCE results. We applaud our students who achieved an ATAR of 90 or above for their magnificent achievement. However, we also gain an enormous amount of pleasure in the large number of students that achieved excellent ATAR scores through effort and application. Congratulations and well done.

CATHOLIC IDENTITY & RE

Catholic Identity and Religious Education

2020 has started on a different note than most years. The recent fires have meant that our retreat and year seven camp have had to be postponed. The scorching weather of the first week back also saw the postponement of the School Opening Mass. However, that has led to many new opportunities for students on both campuses.

Year Seven Charism Day

To introduce the Year Seven cohort to our school we invited them to participate in a Charism Day. This allowed them to explore the physical, historical and spiritual foundations of our school. As students found their way around both campuses, they were asked to complete a booklet which guided them through some of the new features of St Pat's all the way through to the one room in the convent which has been maintained as it would have been when the Sion Sisters lived there. Mr Randell explained some of the symbolism of the front garden to the students at St Pat's while Mrs Marg Robbins gave the students some insight into the heritage of the Sion Campus. The students worked their way through a number of stations around the school to discover what makes Catholic College Sale the school it is.

*Above: The new statue of Mary in the St. Patrick's garden.
Below: Year 7 students enjoy the RE Day.*

Year Twelve Day of Reflection

At the other end of the school, the Year Twelves spent a day considering what is important in their lives and how that might be lived out over this coming year. We were lucky enough to have two speakers from Uniting, Toni and Megan, who spoke about Mental Health and gave some strategies for handling situations of concern which may arise. The students also had opportunities to spend some time talking about issues which are of importance to them with other students as well as looking at all these issues in the light of their spirituality and faith. The Laurels,

at the Sale Turf Club, was a great location for the students to begin the year getting to know themselves and each other a little better.

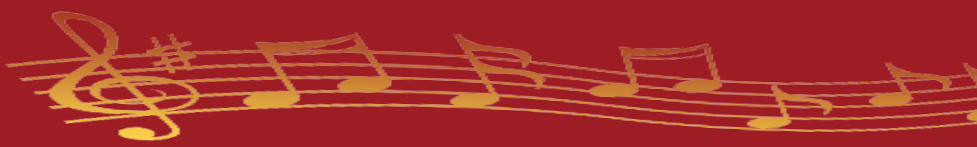

Opening Mass

Our Opening Mass was held on Valentine's Day with a celebration of being a part of the school community and our leaders. We welcomed the Year Sevens with huge applause to the sound of the old Sion School Bell ringing in the background. Our two school captains signed the Sion Bible and Dean Peter Bickley led us through an exploration of the impact of the recent fires on our community in both negative and positive ways. A highlight of the Mass was a live broadcast of the blessing of our new Marian statue from the front of St Pat's into the Stadium.

Jeff Hobbs

Religious Education Coordinator

Welcome to 2020 – another year of growth in the Music Department! The demand for music lessons is continuing to grow which is fantastic news not only for the Music Department but for the College as a whole. We are so fortunate to have such high quality and experienced teachers working for us: Mr Roy Condeza for Choirs, Rock Bands, vocal, guitars, drum kit, keyboards; Mr Cruickshank (Concert Band) and Ms Roffe (Strings). This means that our ensembles can continue to grow in quality and quantity. Currently we have a Rock Band program with two Year 8 Rock Bands already formed, and auditions happening for two Year 7 Rock Bands. There is a Concert Band, a String group, Sion Singers – open to all interested Year 7 and 8 students, Show Choir – a select Senior close harmony group, MVC – a male vocal group open to all interested Year 9-12 males, and we are forming a Guitar Ensemble. We also encourage students to form their own ensembles, particularly at the St Pat's Campus, and run other ensembles as the need arises throughout the year.

Year 12 student Mackeely Bennett

Eisteddfods

Entries are currently open for the Sale Eisteddfod and later in the year we will support the Latrobe Valley (Traralgon) Eisteddfod and Yarram Eisteddfods. See Ms Roffe or your instrumental teacher for details. We will have concerts before the Sale Eisteddfod (see below).

Places Available

It is not too late to join in the activities in the Music Department – we have new members joining all through the year! We would particularly like more flautists and brass players and a string instrumentalist or two is always welcome. There is also one vacancy at St Pats for acoustic double bass. Pick up an application form from the office and see Ms Roffe, or any of our other music teachers if you would like to start learning an instrument. All you need is enthusiasm and a willingness to practice regularly.

Ensembles

Playing music in an ensemble is an essential part of learning your instrument, and for most students the element that they get the most pleasure from. Joining a suitable ensemble is therefore a compulsory part of the College Instrumental Program. Our ensembles are not limited to those learning an instrument at school, however. If you have an interest in playing in one of our ensembles or singing in one of our choirs just let us know. This applies to parents as well – if you are interested, talk to us about how you can get involved.

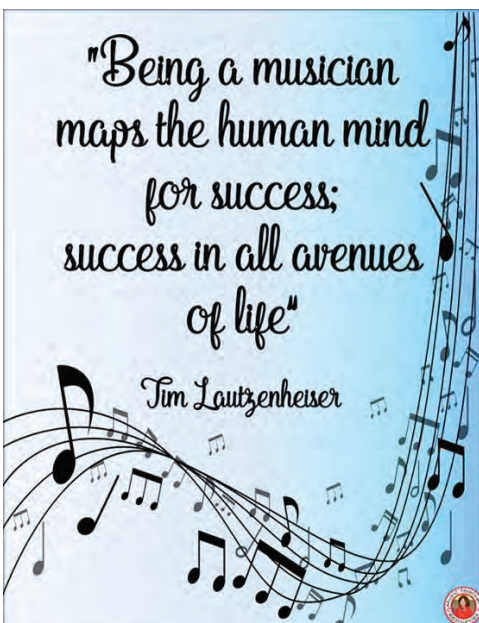

Currently rehearsals take place at lunchtimes for most ensembles, however Show Choir and Concert Band also rehearse after school from 3.30pm – 5pm on Thursdays.

Calendar Dates

- May 6th 5pm:** Autumn Concert in the Marcellin Room (to be confirmed)
- May 7th 5pm:** Autumn Concert in the Sion Chapel (to be confirmed)
- May 18th - May 24th:** Sale Eisteddfod

I look forward to seeing you at one or more of these events and thank you all for your continued support of Music at Catholic College Sale.

MARIST CRICKET

A great effort from our cricketers to finish third overall at the annual Marist Cricket Carnival held in Lismore from December 1. In other pleasing news, Seb Pendergast was selected in the Marist XI following his efforts for the week. Seb's main work was achieved as a first or second-change bowler,

with the following outputs for each match:

- Vs Marcellin 0/11 off 6 overs
- Vs Assumption 1/15 off 4 overs
- Vs St. John's 2/14 off 5 overs
- Vs Bunbury 2/15 off 5 overs
- Vs Newman 4/22 off 8.3 overs

Seb finished with nine wickets for the Carnival (5th most) at an average of 8.56; strike rate of 19.00 and economy rate of 2.7 runs per over. It is a fantastic effort for a debutant player.
