Contact Us

Dear College Community,

We are certainly living through unprecedented times and it has been great to see people coming together, as always, to support those in need. There is no doubt there will be challenging times ahead, but I, like most people are very optimistic that we will come through this together.

We join with Bishop Pat in congratulating him on his appointment as Archbishop elect to the Archdiocese of Adelaide. While this is a time of celebration it is also a time of sadness that we will be farewelling Bishop Pat. He has been a key member of our community not only as Governor of the College, but joining with us as a school community in Masses, especially the annual Peace Mass, assisting us with the development of our school leaders and in the frequent visits to the College, teaching us all how to be compassionate with each other. We wish him all the very best for

Pope Francis offers advice about how to face the daily challenges posed by the COVID-19 pandemic:

"We need to rediscover the concreteness of small things, the small acts of kindness shown to those who are close to us, family and friends. We need to realize that our treasure lies in small things. There are tiny gestures that sometimes get lost in the routine of everyday life, gestures of tenderness, affection, compassion, that are nevertheless decisive, important", he says.

*Dear Lord,
please be with us during this time of uncertainty.
Let us recognise the importance of everyone around us and treasure the small things of life.
Help us find calm and certainty in the midst of this pandemic and teach us to treasure our friends and families.*

*We make this prayer through Jesus
Christ Our Lord
Amen*

PRINCIPAL'S REPORT

the future and we hope that we do have the opportunity to farewell him at a later date.

On Wednesday 26th February all students and staff were provided with the opportunity to receive the Ashes as a reminder of our humanity. We should always try to do good, and support each other, especially those who are marginalised in our society. Unfortunately, our Easter Liturgy was required to be cancelled. As you are aware, all Parish services are now cancelled, but those who wish may access 'Mass For You At Home', please [click here](#) to do so.

I would like to take this opportunity to congratulate our students and staff in how they have worked together to achieve the best possible outcomes for student learning over the past four weeks. Our teachers have stuck to the task and our students have shown their resilience in adapting to changing circumstances. On behalf of the staff I join with our students, families and wider community in acknowledging the disappointment many have felt in the cancellation of recent events, including the Presentation Ball, excursions and inter-school sporting competitions. We certainly hope that when our community returns to normal, we have an opportunity to revisit some of these events.

We were fortunate that our Year 9 Munjara camps (photos below) were able to proceed before cancellations commenced. Congratulations to Alison Edgar, Year 9 Coordinator, and her team for ensuring that students enjoyed three very successful camps.

Due to COVID-19 the College, like all schools in Victoria, has moved to an early start of school holidays for students. I wish each student a safe and enjoyable break. This week our teaching staff are busy preparing to move student learning on-line with the introduction of 'Remote Learning'. Students and parents have received some information about our processes and will receive further information this week and at the beginning of next term. If we move to Remote Learning, it is important that students are engaged in the normal school timetable. Students who are not accessing their lessons will be contacted by the school to assist with difficulties, where possible. Please ensure you are accessing PAM and taking note of instructions as they arrive. It is very important that our young people do not miss out on their learning opportunities as school will resume as normal, as soon as possible.

At the moment, teaching staff will return to work on Tuesday 14th April with students returning on Wednesday 15th April.

Oh behalf of the College Governors and staff, I wish you a very Holy and Happy Easter. We pray that each one of you remains well and safe.

Chris Randell
Principal

LEARNING AND TEACHING

We are living in tumultuous times and the College is working hard to support its community to maximise student learning in difficult circumstances. Should the situation require us to close the College for an extended period of time, we expect to continue our programs remotely. Our staff have received guidance to allow them to confidently deliver remote learning opportunities using a combination of our existing Learning Management System SIMON and Google Docs.

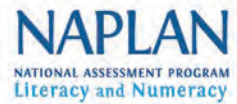

We will deliver curriculum using flipped classrooms, where students progress through work that is set, with support from teachers. Lessons documented on SIMON via Class Notices will require parent involvement, and progress can be monitored via the Parent Access Module. The College has developed a number of Remote Learning Guidelines that are available [here](#).

Our normal teaching and learning program, like that of most schools, is not designed for remote learning, and we will put in place the contingencies outlined above only as a last resort in order to maintain continuity in your child/children's learning and to ensure the health and safety of the whole community.

I understand parents and guardians of Year 12 students may be anxious. We will do our utmost to

NAPLAN 2020

The College has been advised by the Education Council

that NAPLAN will not proceed in 2020. The decision was made to assist school leaders, teachers and support staff to focus on the wellbeing of students and continuity of education.

minimise disruption to their learning. The Victorian Certificate of Education scheduled School Assessed Coursework (SACs) require supervision in order to be completed. Consequently, we will obtain advice from the Victorian Curriculum and Assessment Authority (VCAA) to ensure that any closure does not unduly impact VCE assessments. Should the situation require closure of the school for an extended period of time, it is likely we would be one of many schools thus affected.

In these circumstances, students can feel overwhelmed by work and some often have no systematic approach to dealing with it. With the possibility of the transition to Remote Learning, I would strongly encourage the use of a weekly planning tool to assist students to remain on top of their work. All of the students at Catholic College Sale are given a College Diary at the start of the year and I would encourage them to utilise these. Inside the front cover of the diary is a Study Planner.

I want to remind all VCE students that if we move to Remote Learning the same requirements exists for homework over and above the daily learning schedule.

Term 3 Holiday VCE Practice Exams - Save the Date -

Practice examinations for Year 11 and 12 students completing a Unit 3/4 sequence will take place during the Term 3 school holidays between **September 28th and October 1st**. These exams provide valuable learning and preparatory experience for students, are taken under examination conditions and give the students valuable practice at exam technique. In addition, these practice exams will enable students to focus on any areas that need improvement for the extremely short amount of time available in Term 4. We are unable to make these examinations compulsory for students given that they are during school holidays, however they will prove to be a worthwhile experience and students should make every effort to be present and assist the College in its endeavour to provide the best possible preparation prior to the examinations in October/November.

The VCAA recommendation is as follows:

Year Level	Suggested Times Per Night	Suggested Times per Week
VCE (Unit 1 & 2)	3 hours	Minimum of 1 - 3 hours per weeknight, up to 6 hours on weekends with this time to be increased as exams approach.
VCE (Unit 3 & 4)	4 hours	Minimum of 3 - 4 hours per weeknight, up to 6 hours on weekends with this time to be increased as exams approach.
Victorian Certificate of Applied Learning		Due to the applied nature of this qualification, homework is task and student specific.

In the case of Remote Learning – Stay Connected

- Check SIMON for updates

The Writer's Craft

This short story was written by Ellie MacGregor in the Year 9 Writer's Craft class. It is written with the Horror genre in mind. It was a drafted piece of work that displayed an understanding of the criteria of short stories, being able to draft and edit, create suspense through description, dialogue and a variety in sentence length and starters.

LEARNING AND WELLBEING

At Catholic College Sale, we continue to encourage all learners to participate with their learning pathways, particularly to remain positive about attending school (face to face or via remote learning), engaging in all subject areas and collaborating with the peers to enjoy and engage in their own education.

For our students, the routine of attending school gives them clear expectations, boundaries, and consistency, thus building routines to help them feel supported and safe. Developing students with good work habits whilst upholding their schooling commitments, forms a level of resilience whilst supporting the development of strong work ethics for adolescents.

As outlined by the Melbourne Child Psychology & School Psychology Services, researchers indicate that the familiarity that comes with routine (particularly regular attendance at school) offers the perfect 'safe space' that kids need. "A consistent routine in the home will have far fewer variables, so your kids can relax in knowing what to expect".

To provide families with simple guidelines to engage with your child who may be feeling anxious about the current situation, this attachment ([click here](#)) provides a simple process to support young people through the International Coronavirus (Covid – 19) outbreak.

If in the event of school closure and remote schooling occurring at Catholic College Sale, students may continue to access Student Wellbeing support staff including House Leader/Year Level Leaders, via school email and/or via the Online Counselling Appointments process using SIMON. The Wellbeing Team will endeavour to continue to support our students where possible to give additional support towards their learning and personal development.

I would also like to take the opportunity to acknowledge the positive contribution made by many students to uphold a positive contribution to the College Community. This includes participation in the SEED Wellbeing program, along with the Sion Student Leaders participating in a Leadership Formation Day, held at St Patrick's campus. This provided our Sion Leaders opportunity to better understand what it means to be a College Leader at Catholic College Sale and to embrace the charism of both Sion and Marist traditions. The Sion Leaders are now planning community activities to implement once all essential restrictions are lifted to provide fun and enjoyable activities to further engage student participation whilst building a stronger cohesive College community.

I would also like to take this opportunity to wish all students and their families/carers a safe and happy holiday and happy Easter.

Warm regards,

Tim Morrison
Deputy Principal – Learning and Wellbeing

Lions Youth of the Year 2020

Catholic College Sale was fortunate enough to have three entrants in the 2020 Lions Youth of the Year. Our entrants were - Molly Hargreaves, Year 11, Emily Knobel, Year 12 and Marni McCubbin, Year 11.

The entrants were interviewed by a panel about their leadership in our community. They were also asked to deliver a prepared speech and an impromptu speech.

Marni McCubbin was awarded best public speaker and Emily Knobel won overall and goes on to the regional competition. An amazing effort by all three girls.

Bushfire Letters

During our recent fires, a group of students from Villers-Bretonneux in France wrote to one of our local fire brigades to express their solidarity with Australia during times of trouble. This village in France is the site of one of Australia's hardest fought battles of WWI – to this day the people of Villers-Bretonneux remember Australia with parades and other tributes. A number of students from CCS have responded to the letters from the other side of the world to thank them for their support and compassion during a difficult time for many Gippslanders. Mr Freeman's class wrote their letters in French, while Ms Peatling's RESA class were a little less adventurous in their

writing but were still able to give the French students some sense of what it was like last January. Sale CFA will send those letters back to France along with some other mementos and information about the fires. Hopefully Australia's links to Villers-Bretonneux will continue to blossom over the years.

Ash Wednesday

All students at Catholic College participated in an Ash Wednesday service this year: the Sion students were led by Mr Randell and students from years 10-12 were involved in a service led by Mr Hobbs. As it was during camp week,

a number of year nine students joined in reflecting on the meaning of Lent with Mr Kelliher while those who remained at school on that day were able to attend the Cathedral with a Mass led by Bishop Pat. Ash Wednesday is the commencement of Lent, the time leading up to Easter, where Christians are asked to reflect on their own lives and how we can strive to be better people in the world by giving up those things which lead us away from God and aim to serve God and our neighbours more generously.

Project Compassion

During Lent every year, Caritas

PROJECT COMPASSION

Australia asks us all to dig a little deeper to help those in need. Our Project Compassion campaign aims to raise awareness of how others live around our world and what we can do to help them find hope. In looking at the main ideas behind Catholic Social Teaching, the students realise that all people have dignity and that our call is to help those less well off than ourselves. A number of activities will be run over the next few weeks to raise funds to help others. Please contribute generously.

Prayer

SIMON and PAM now have a daily prayer on them to help our school community reflect on our faith and our connection to God. Please feel free to access the prayer each day as a way of living your faith more deeply.

Olympic Trials Qualification

Former Catholic College Sale student and 2018 Sports Trainee, Rachel O'Brien has qualified for the Australian Olympic trials, to be held in Sydney.

The 19 year old recorded a personal best time of 2.14.87 minutes in the women's open 800 metres at the recent State Track and Field Championships, just 48 hours before the deadline for qualification.

Congratulations Rachel and best of luck at the trials.

GEOGRAPHY EXCURSION

Unit 3 Geography students Field trip to Phillip Island Nature Park.

The Unit 3 Geography class travelled to Phillip Island in order to investigate the impact of 'land use change' in regards to the habitat of the little penguin colony at Summerlands Beach. We left on the Monday at recess and returned the following day.

As a group we learnt that that the colony is currently thriving due the concerted efforts of the management team to revegetate and control the feral animal population on the island. The colony was in severe decline until a 1980's program of acquisition of all houses on the Summerland Estate (which is penguin breeding habitat) began. It took over a decade and many millions of dollars to buy back all the houses and revegetate the area.

Now, the penguin colony is expanding and numbers have grown from 800 back in the 1970's to over 32,000 today. Our guide Sue was a ranger with many years' experience and she was very passionate about the Island and its environment. She gave us great insights into the issues surrounding the land use change that has occurred here. She showed us direct evidence as to how habitat restoration can impact on the health of these little creatures and the overall colony.

The night before we had joined 1000 plus tourists to watch the penguin parade. Here the 1100 penguins waddled up the beach to find their

burrows. This in itself was quite amazing as visitors are able gain an excellent view of the parents returning to feed their chicks as they peer down from the boardwalk at the burrows.

Geography students are now compiling a Field Trip Report based on the data they gathered. Students had a very interesting day and should be able to produce a report that reflects their firsthand knowledge of this site.

PROJECT COMPASSION

The launch of Project Compassion in 2020 was held at St Francis Xavier College Beaconsfield, focussing on working together in our global community to support the worlds most vulnerable with our actions and generosity. Ten students from our Year 10 Religious Education Service in Action (RESA) class attended the launch. Students then enjoyed Shrove Tuesday celebrations with pancakes in a gathering afterwards with all other participating schools.

Sion Library Activities

Working on a communal jigsaw has been a great activity for Sion students this term. The 750 piece puzzle has been challenging, but finally finding that elusive piece provides a rewarding feeling. Puzzles are a great way for students to stretch their observation skills, develop their patience and work together. Everyone is welcome to come in and work on the puzzle at recess and lunch.

Catholic College Sale News

The News and Events section of the Catholic College Sale website is constantly being updated. There, you will find further information and more photographs of our sport and events.

2020 has so far brought much in the way of growth in the Music Department. The demand for music lessons is continuing to grow – we have 75 students currently taking lessons - which is fantastic news not only for the Music Department but for the College as a whole. Currently our Rock Band program has two Year 7 and two Year 8 Rock Bands. There is a Concert Band, a String group, Sion Singers – open to all interested Year 7 and 8 students, Show Choir – a select Senior close harmony group, MVC – a male vocal group open to all interested Year 9-12 males, and a Guitar Ensemble at the Sion campus. We also encourage students to form their own ensembles, particularly at the St Pat's Campus, and run other ensembles as the need arises throughout the year.

Eisteddfods

Entries are currently open for the Sale Eisteddfod and later in the year we will support the Latrobe Valley (Traralgon) Eisteddfod and Yarram Eisteddfods. We anticipate that the Sale Eisteddfod may be affected by the current health emergency, but are proceeding with preparations until we hear otherwise. See Ms Roffe or your instrumental teacher for details. We will have concerts before the Sale Eisteddfod – see below:

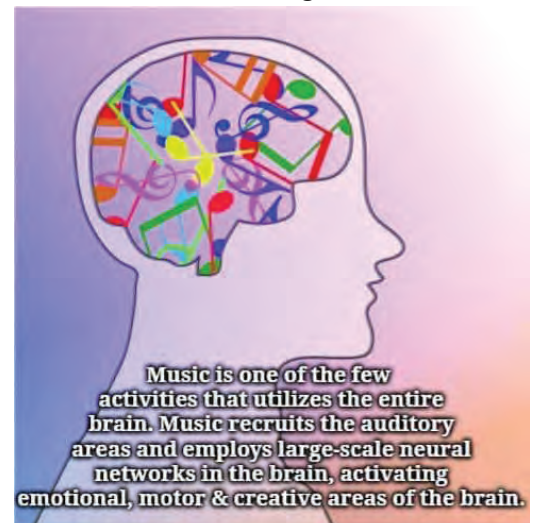

Places available

It is not too late to join in the activities in the Music Department – we have new members joining all through the year! We are almost at capacity, but will endeavor to find more teachers if the demand is there, so do apply. We would particularly like more flautists and brass players and a string instrumentalist or two is always welcome. There is also one vacancy at St Pats for acoustic double bass. Pick up an application form from the office and see Ms Roffe, or any of our other music teachers if you would like to start learning an instrument. All you need is enthusiasm and a willingness to practice regularly.

Ensembles

Playing music in an ensemble is an essential part of learning your instrument, and for most students the element that they get the most pleasure from. Joining a suitable ensemble is therefore a compulsory part of the College Instrumental Program. Our ensembles are not limited to those learning an instrument at school, however. If you have an interest in playing in one of our ensembles or singing in one of our choirs just let us know. This applies to parents as well – if you are interested talk to us about how you can get involved.

Currently rehearsals can only take place at lunchtimes. When the situation allows us to do so, Show Choir and Concert Band will also rehearse after school from 3.30pm – 5pm on Thursdays.

Calendar Dates

May 6th 5pm: Autumn Concert in the Marcellin Room (to be confirmed)

May 7th 5pm: Autumn concert in the Sion Chapel (to be confirmed)

Sale Eisteddfod: **May 18th - May 24th** (to be confirmed)

I look forward to seeing you at one or more of these events and thank you all for your continued support of Music at Catholic College Sale.

Ann Roffe
Head of Music

Winter Uniform

Term 2 marks the transition to Winter Uniform. All students are expected to be in full Winter Uniform by Thursday 16th April. The first two days of Term 2 will be a transition period where although Winter Uniform is expected, there will be an understanding that Summer Uniform may still be in use due to extenuating circumstances.

The Uniform Shop has a good range of secondhand uniforms for Winter, operating hours are:

Tuesday 3.30pm – 4.30pm
Thursday 9.00am – 10.00am

Please consider donating any excess items in good condition for resale.

A reminder that we have introduced new optional items for our girls uniform. In Summer, the uniform now includes Navy Pleated Shorts and a Short Sleeve White Shirt, both with the Catholic

College Sale Logo. In Winter, the uniform includes Navy Pleated Pants with logo and standard Navy socks when wearing the pants option. These items are manufactured by Buxwear, and are available at David's Menswear, Raymond Street, Sale.

YEARS 7 & 8 SSV CRICKET

Round 1 – Wellington Semi-Finals

It was a great start for our Year 7 and 8 teams, who both registered strong wins in the first round of the School Sport Victoria Cricket competition.

Held at the College Ovals on a beautiful autumn day, our Year 7 side faced off against Sale College, while our Year 8s played Maffra Secondary College.

Bowling first, our Year 8s restricted Maffra to 6/55 from their 20 overs. Lewis Clive was the leading wicket-taker, claiming 2/9 off two overs. Madix

Grattan (1/3), Max Stobie (1/4) Hayden Wrigglesworth (1/5) and Jack Cantwell (1/7) all chipped in to keep our opponents to a reachable total.

In reply, Hayden Wrigglesworth (32* ret) Asher Eastham (31* ret) and Ashton Wright (35* ret) chased down the total. Max Stobie (17* ret), Madix Grattan (17*) and Tilly Pendergast (1*) were at the crease when the final ball was bowled.

Thank you to Maffra for allowing us to bat out our allotted overs.

Year 8 Team (pictured above): Asher Eastham (C), Ashton Wright (VC), Hayden Wrigglesworth (VC), Madix Grattan, Max Stobie, Matilda Pendergast, Matilda Berns, Jackson Annear, Jack Cantwell, Lewis Clive, John Wells & Oliver Duffell.

Our Year 7 side were in similar vein of form across the day. Batting first, Blake Aurisch (35 off 21) and Harry Tatterson laid a great foundation for our innings, with a 43-run opening stand inside the first five overs.

Blake regularly sent the ball towards the leg side boundary and finished with a powerful 35 off 21 balls, while Harry played a fantastic supporting role. Scoring runs of his own, but always backing up at the non-strikers end, looking to turn 'ones' into 'twos'.

Following another terrific partnership with Sam Anderson (34* ret), Harry would leave the crease having reached 62* retired off 33 balls, including nine boundaries.

Tom Boyd (25* ret) and Jye Brickley (15) added some middle-order runs to push our total to 3/196. In response, we proved just as strong with the ball.

Nic Walker claimed a wicket off his second delivery, and would finish with 2/2 off two overs. Brandon Manson (1/2 off three), Tom Boyd (1/1), Jye Brickley (2/0) and Acacia Sutton (2/0) were our other wicket-takers. The highlight came late in our innings, when Acacia claimed consecutive wickets on the 4th and 5th

balls of her second over to set up a hat-trick ball.

Both teams will now take on the winners from the Traralgon end of the Wellington division, later this year.

Year 7 Team (pictured above): Harry Tatterson (C), Sam Anderson (VC), Thomas Boyd, Acacia Sutton, Nic Walker, Jye Brickley, Charlie Morris, Brandon Manson, Mitchell Straw, Blake Aurisch, Katie Robinson and Jack McQuillen.

CLAY TARGET SHOOTING

On Tuesday March 10th, the Bairnsdale Field and Game Club hosted the 2020 Riviera Secondary Schools Championship. The College had some really pleasing results across the day, both individually and in the team's event. Students shot 20 simulated targets each, and competed in teams of five or six with students from their school.

In a brilliant effort, Year 10 student Ryder Miller was crowned the overall championship shooter of the day, hitting a remarkable 19 of 20 targets. In the Junior Boys category, Year 7 Will Gerrand was one target off forcing a shoot-off for 2nd place, shooting a very competitive 16/20 targets.

It was fantastic to see some of our more experienced shooters assisting our younger team mates throughout the day.

Some of our better overall performers:

Senior Boys

Ryder Miller – 19/20 (Overall Champion)

Jon McPherson – 16/20 (Equal 3rd)

Riley Wood – 15/20

Junior Boys

Will Gerrand – 16/20 (Equal 3rd)

Callum Farley – 15/20 (Equal 7th)

Senior Girls

Jessie Sedman 13/20 (Equal 4th)

In the team's event, our best placed teams were as follows:

68/100 – Jon McPherson, Callum Farley, Jack Peatling, Liam Matthews and Ethan Clohesy

66/100 – Ryder Miller, Riley Wood, Jasper Bentvelzen, Seb Pendergast and Blake Ross

A big thank you to Mr. Ben Turner for his assistance and mentoring of our Clay Target team, and to the Bairnsdale Field and Game Club for putting on such a great event.

At this stage, the next Clay Target event will be at Sale on June 15th.
