Swimming Carnivals

Dear College Community,

A belated welcome to our 2021 school year and hasn't it started with a rush. Our Catholic College Sale Marist theme for this year is 'Breathe: the Spirit of Life'

What is more important to us, to every human being and to creation itself, than Breath?

To breathe is to live! Exploring this theme together will help us grow as a Marist community.

Our College theme continues to be 'Every Student, Every Day'. *How do we interact with each student in our spiritual, academic, wellbeing and community life.*

We will explore these two themes with our school community throughout this year.

As we reach the half way point of first term, we are continually reminded of our safety and hygiene requirements to protect ourselves and our community against COVID-19. We have already had an interruption to our school year with a five day lockdown and the requirement to wear masks indoors. There is no doubt that throughout most of 2021 there is a strong possibility of changes

A Prayer for Lent

*Almighty and Everlasting God,
You have given the human race
Jesus Christ our Savior as a
model of humility. He fulfilled
Your Will by becoming Man And
giving His life on the Cross.
Help us to bear witness to You
By following His example
of suffering And make us
worthy to share in His
Resurrection. We ask
this through our Lord
Jesus Christ, Your Son.*

PRINCIPAL'S REPORT

to regulations for short periods of time and heaven forbid we move into another lockdown and school closure. If the school is required to close, we will move immediately to remote learning within one day. I thank all students and parents for their cooperation and understanding throughout 2020 and know that we will continue this journey together supporting each other through the majority of 2021.

The College has celebrated its opening school liturgy and we thank Fr. Peter Bickley for his words of encouragement. During our liturgy we also congratulated our 90+ club for 2020. These students were Holly Hansford ATAR 96.1, Emily Knobel ATAR 94.35, Alexandra Stephenson ATAR 92.95, Jonathan Lam ATAR 91.8 and Lily McCaughey ATAR 91.4. We also inducted our 2021 school leaders.

All leaders are to be congratulated and I especially recognise the commitment from Molly Hargreaves and David Brinker-Ritchie for their leadership as school captains. This year the College is introducing a new leadership structure for all students. This leadership structure is based around the College House system Years 7 – 12 and provides opportunities for student leadership and student voice.

Already this year the College has held its two swimming carnivals. The carnivals were separated into Years 7 – 9 and Years 10 -12 and were full of enthusiasm by students and provided an opportunity for building of house spirit, informal interaction and friendship building. We congratulate all age champions and Champagnat House who was the overall winner of our swimming carnival Years 7 – 12.

This year the College has changed its process for Year 7 enrolments. On Tuesday evening we held a widely publicised open evening for all prospective 2022 Year 7 students and their families. The evening was extremely well attended and enrolments are now open and will close on the 19th of March. Please ensure you visit the College website if you wish to enroll a 2022 Year 7 student.

At the end of 2020 the College commenced its transfer to one site. This amalgamation of campuses has been extremely successful and staff and students have worked very hard to ensure a smooth transition. Due to COVID we were unable to celebrate our Sion campus heritage and this will take place through a number of events in the next couple of weeks. Unfortunately, COVID restrictions still apply and a number of our celebrations have had to be invitation only. On Friday 12th March Brother Peter Carroll FMS Marist Provincial and Sister Mary Barbuto NDS will open our Charism garden to celebrate the Sion and Marist Charisms of the College. It is through the Charisms that Mary invites us to meet, know and love her son, our Saviour Jesus. On Saturday 13th March Bishop Greg Bennet will bless and the Hon. Darren Chester MP will open our new John XXIII expansion and redevelopment building. This will be followed by a graveside service at the Sale cemetery in remembrance of the Sisters of Our Lady of Sion that have served our community for the last 130 years. Later in the afternoon there will be a Mass and Decommissioning held in the Sion chapel with a formal dinner that evening. On Sunday the 14th March the Friends of Sion will be present at the 9.30am St. Mary's Cathedral Mass. This Mass will be followed by a gathering of past students on the Sion campus for lunch and a liturgy. Between 10.30 and 11.30am Catholic College Sale will open its St. Patrick's and John XXIII buildings for past student tours. On Sunday 21st March the College will have a COVID safe opening and tours of the Sion building. Participants wishing to tour the historical Sion building will need to register [via this link](#).

As a community we recognise the sadness of the closing of the Sion campus but we celebrate the Sisters of Our Lady of Sion, their enormous contribution to our community and know that their heritage will live on through Catholic College Sale.

Chris Randell
Principal

"I am strong of mind, gentle of heart and loved by God"

LEARNING AND TEACHING

Welcome back to another year - fingers crossed 2021 is a little more predictable than 2020! I'd also like to extend a special welcome to all of our new students.

I hope you're starting to become a little more familiar with your timetables, teachers and classrooms, and that you're feeling supported and confident. Our 2020-2023 strategic theme, 'Every Student, Every Day' reminds us of the unique personal gifts and talents every student brings to our community.

Every person in our community is unique but we do share common feelings and stages of learning. Parents can help their children by acknowledging when we learn new skills and knowledge, we all have a sense of being uncomfortable. For every stage of learning there can be confusion and feelings of failure. However, with courage and a willingness to persist these feelings always dissipate. Normalising the learning stages will help children because they are prepared for these feelings and know it is a part of the process and those feelings will lessen over time, this will help to build a community of resilient learners!

2021 Contacts Guide/Parent Access Module

The partnership between students, parents and the College is vital to strengthen the learning platform for each student. We are continuing to strengthen communication and keep our community up to date on what is happening in the College. [Our 2021 Contacts Guide](#) helps identify key people and areas of responsibility. This is available on both SIMON and our website, which is being continually updated with news and events.

I encourage all parents to regularly check the Parent Access Module (PAM). PAM gives parents access to student grades with teacher feedback, access to the school calendar and student profile which includes students timetables, attendance data, commendations and historical reports. Correspondence from the College is also accessible via PAM, including most letters and excursion permissions. When new correspondence is generated an email notification is sent to alert parents/guardians.

Unpacking VCE

Our Director of Senior Studies Mr Ken Holmes conducted a ZOOM information session on February 9 highlighting important VCE information for all senior students and parents. This session includes valuable information for preparation and assistance in student's final years and the recording is [available here](#).

If you have any queries please do not hesitate to contact the College to discuss either over the phone or to arrange an appointment.

Student Graduate Criteria

An important requirement of Catholic College Sale that parents and students need to be aware of at the start of a school year is the Graduate Criteria. This document outlines the criteria students must meet before they will get approval to complete a VCE or VET subject. The application process for these subjects will happen in line with our Subject Selection in early Semester 2. [To read the Graduate Criteria please click here](#).

I wish everyone a year of new discovery and the opportunity to develop a love of learning!

Cindy Foat

Assistant Principal - Learning and Teaching

LEARNING AND WELLBEING

As we approach the mid-point of Term 1, our College Community celebrates the many milestones we have achieved this year including welcoming all students to one campus, the implementation of a Vertical House System and a new Student Leadership Structure.

The College would like to announce the appointment of those students who will form the 2021 Student Leadership Team. Together, these students share the responsibility to represent all students of the College, through regular engagement in College activities and participation in structured meetings with members of the College Leadership Team. There was a strong field of applicants from the College student body, and we as a College Leadership Team, are grateful to all those who submitted their expression of interest to join the Student Leadership Team.

We are proud to announce the 2021 Student Leadership Team:

TH6 - Hannah Medhurst
TH7 - Keisha Jackson

I would also like to take the opportunity to highlight to students and their families that the College offers support structures to assist students' wellbeing and learning via their Pastoral Teachers and House Leaders. Further to this, we have two College Counsellors on-site, who are available to provide additional support for all students with their learning journey and personal development.

LEARNING AND WELLBEING

Students Safety When Cycling to School

Since the commencement of the school there has been an increase number of students selecting to cycle to school each day. Riding to school is a great way for students to keep active and get the recommended one hour of physical activity each day.

As our school is centrally located in Sale, students must ensure they arrive and depart the College grounds safely and follow all road rules and respect other pedestrians and motor vehicles.

Tips to stay Safe

Signs and signals

Cyclists must follow all traffic control signs and signals including: red lights, stop signs, give way signs.

At crossings, if there is a bicycle lantern, cyclists can continue riding across when the lantern is green. For any other pedestrian crossings, cyclists must dismount and walk across the road.

Who can ride on a footpath

You can ride on a footpath if you:

- are a child under the age of 13
- are a person 13 and over who is accompanying a child under the age of 13
- have been given and are following the conditions on a medical certificate that says you have a disability that makes it difficult for you to ride on the road. You need to follow the conditions on your medical certificate and show it to a police officer or authorised person when asked are an adult accompanying someone with a medical certificate cycling on a footpath.

Riding on a footpath or shared path

When riding on a footpaths and shared paths, a bicycle rider needs to:

- Keep to the left on footpaths and shared paths (unless impractical to do so)
- Give way to pedestrians

A cyclist is required to have a bell or similar warning device on his or her bicycle. When overtaking other path users a cyclist should use this warning device, or his or her voice to warn others.

Mobile phone use by the rider of a bicycle

Using a mobile phone is prohibited, except to make or receive a phone call or to use its audio/music functions provided the phone:

- is secured in a commercially designed holder fixed to the bicycle, or
- can be operated by the rider without touching any part of the phone, and the phone is not resting on any part of the riders' body but can be in a pocket.

Using a phone as a navigational device/GPS while riding is prohibited unless it is secured in a commercially designed holder fixed to the bicycle. All other functions (including video calls, texting and emailing) are prohibited.

The penalty is a fine of \$476. Demerit points do not apply to bike riders, but do apply to drivers of motorised vehicles.

Be seen during daylight hours

Installing and using flashing lights during daylight hours can make you more easily seen by other road users. Wearing a bright shirt over your uniform may also assist to be seen by motor vehicles.

Bicycle helmets

Cyclists and bicycle passengers need to wear a securely fitted and fastened helmet showing:

- a mark of compliance with the Australian Standard, AS/NZS2063
- the symbol of a [JAS-ANZ](#) accredited company (for helmets manufactured or imported after 1 July 2012)

Mandatory bicycle helmet laws were introduced in July 1990. This applies when riding: on roads and road-related areas; on bike and shared paths; in bike lanes; in recreational parks; in car parks; on footpaths.

In special circumstances, you might be eligible for an [exemption from wearing a bicycle helmet](#). [Visit the Wearing a bicycle helmet page for more information about helmets](#).

Riding to school with other riders

A cyclist can ride next to another cyclist (this is called 'riding two abreast') on the road with the following rules:

- On single-lane roads, cyclists can't ride beside more than one other cyclist (unless overtaking).
- On multi-lane roads without a bike lane, cyclists cannot ride more than two abreast in each marked lane (unless overtaking).
- When travelling two abreast, cyclists shouldn't be more than 1.5 metres apart.

Tip for cyclists: when riding two abreast, consider other road users and if necessary, change to single file to help drivers

overtake safely.

Warm regards,

Tim Morrison

Deputy Principal – Student Learning and Wellbeing

2021 STUDENT LEADERS

David Brinker-Ritchie
College Captain

Molly Hargreaves
College Captain

Congratulations to our 2021 College Leaders. Our College Captains, David and Molly were selected from a strong field as they demonstrated good academic rigour, participated in all school events and strongly represented the ethos of Catholic College Sale.

PATHWAYS & CAREERS

Looks like another busy year ahead for all Careers classes.

Our Year 12 students are currently exploring their individual career options for the future and their teachers will shortly interview each one of them. This brief interview, based on future goals, will help them to focus on where they want to go in 2022 and what they need to achieve in order to get there. Students need to be checking both the College Pathways Website and their emails regularly for communication from me regarding upcoming events relating to pathways, university early enrolments, scholarships and UCAT information for those who wish to pursue a career in Medicine.

The VCE and Careers Expo 2021 will take place at the Caulfield Racecourse:

Thursday 29 April - Friday 30 April, 9am-3pm

Saturday 1 May - Sunday 2 May, 9am-3pm

This is the biggest careers and education event in Victoria and includes over 140 exhibitors. It also features seminars on VCE subjects for more details [click here](#).

This Wednesday we had a visit from the Defence Force Recruitment team via ZOOM. This was delivered to all students interested in a career in the Defence Force. In addition, next week's Year 12 Career classes will have the benefit of a presentation tailored to them including information on their GAP year program for 2022.

Year 10's have completed their Career Profile using a wonderful new tool on the my futures website. This allows them to create a profile for themselves mapping out their areas of interest and hopefully helping them to achieve a clearer understanding of their future career goals and how to achieve them.

Our work experience program is going ahead in Term 2 for Year 10's this year and some programs such as the Defence Force have already advertised for participants at the RAAF base Sale. All information on these work experience programs and available apprenticeships are advertised on our pathways website which is accessed through the [College website or SIMON](#). I would encourage any student who has a query on any aspect of their future in the world of work to email me or come and see me in my office upstairs in the Ratisbonne Centre in the St. Pats building.

Johanna Clancy
Pathways Coordinator

Micro Mathematics Virtual After School Extension Program

The University of Melbourne is offering a free Micro Mathematics Virtual After School Extension Program for interested students. Students will get to explore mathematical problems at a deep level following the inquiry process.

The program will run using a virtual environment (Zoom and Google Classroom) and students will have 1 hour each week with the University of Melbourne, School of Mathematics and Statistics Outreach Team. Students will be given additional activities to complete in their own time.

CLICK HERE 

Maths Without Limits (MWL) Program

Maths Without Limits provides regional students with free extra support in their maths studies, whilst providing them with insight into university life and encouraging them to pursue careers in STEM.

Free maths tutoring is being offered in the following subjects: Year 10 Enhanced Mathematics, Units 1/2 and 3/4 for Mathematical Methods, Units 1/2 and 3/4 for Specialist Maths.

The tutoring program will commence late March. The program facilitates weekly one-on-one online tutoring sessions (approx. 1 hour). Click below for more information.

OPENING LITURGY

On Wednesday February 10 a liturgy was held to celebrate the beginning of the 2021 school year. Led by Father Peter Bickley and our Religious Education Coordinator Mr. Jeff Hobbs, the liturgy was our first whole school gathering as one campus. Our Year 7 students were welcomed into the stadium to the ringing of the school bell by our College Captains, as is the tradition. This was followed by the recognition of our 2021 College Leaders, with the presentation of their badges.

The five students who achieved an ATAR of 90 or above, including the 2020 Dux of Catholic College Sale, Holly Hansford, were presented with certificates and recognised by the College community. Holly spoke to the students via video link and highlighted the importance of maintaining a positive attitude and asking lots of questions.

Our top three ATAR students also received the Mother Raphaela Bursary, which is \$500 towards their first year of post-secondary education. Congratulations to Holly Hansford, Emily Knobel and Alexandra Stephenson.

Above - 90's Club members L to R Lily McCaughey, Jonathan Lam, Alexandra Stephenson, Emily Knobel, College Dux Holly Hansford and Principal Chris Randell.

HOLOCAUST CENTRE INCURSION

Year 10 History - Jewish Holocaust Centre Incursion

Current Year 10 History students, approximately 80 of our current Year 10 cohort, had the opportunity to take part in an incursion run by the Jewish Holocaust Centre in Elsternwick on Wednesday the 24th of February.

Our History students have been investigating and learning about World War Two. Students looked at the political landscape after World War One and how this contributed to the rise of Hitler and the Nazi Party. Students have identified significant events and turning points of World War II, Australia's involvement and have gained an understanding of the nature of warfare. A key component of this area of study is the Holocaust.

This incursion was a wonderful opportunity to gain great insight into the horrors of World War Two and how they were able to be carried out, through firsthand accounts of those who have witnessed one of the greatest atrocities the world has ever seen.

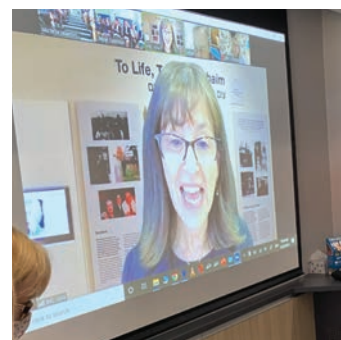

Michelle Mawhinney
Year 10 History teacher

Today we had a Zoom call with the Jewish Holocaust Centre, we were taken on a virtual tour of the museum and shown artifacts from World War Two. We were shown the striped uniforms worn by prisoners of the concentration camps and shown documents such as passports and letters. Our guide, Tracey, spoke about how Jews were stripped of their identity and dehumanised during the Holocaust. We watched multiple videos of World War Two survivors, who talked about their experience in Germany before and after the war, and the contrast between the inclusivity of the community. At the end of the session we were fortunate enough to speak to Sarah Saaroni, a survivor of the Holocaust. She shared her story of growing up in Germany and was 13 when the war started. When Sarah was 16, she was sent away by her family and had no choice but to live by a false identity; Sarah pretended to be a Christian Polish girl and worked in Germany during the War. One of Sarah's family 'friends' turned her in to authorities and she was sent to an extermination camp. Sarah described her experience here and explained that they paid no attention to her and simply ignored her, she was given no food or water. Luckily Sarah was able

to escape the camp, although she was not welcome back home. Sarah settled in Australia after the war. Many students were able to ask Sarah questions about her experience as a Jew during the holocaust. This was a great opportunity for us to all learn more about World War Two and the Holocaust.

Ruby Fisher and Allanah Williams

Welcome to 2021 – and we are so excited to be back on campus and working as whole school on one campus. This is such a positive for the Music Department as age is no barrier to playing music, and we can have musicians from all year levels playing and enjoying music together in our various ensembles.

Despite the limitations imposed on our promotional activities due to the ongoing COVID management the demand for music lessons is continuing to grow which is fantastic news not only for the Music Department but also for the College as a whole. We are so fortunate to have such high quality and experienced teachers working for us: Mr Roy Condeza for Choirs, Rock Bands, vocal, guitars, drum kit, keyboards; Mr Cruickshank

(Concert Band) and Ms Roffe (Strings). This means that our ensembles can continue to grow in quality and quantity. Currently we are auditioning for our Rock Band program with the aim of two Year 8 Rock Bands and two Year 7 Rock Bands. There is a Concert Band, a String group, Sion Singers – open to all interested Year 7, 8 and 9 students, Show Choir – a select Senior close harmony group, MVC – a male vocal group open to all interested males, and we are forming Guitar Ensemble. We also encourage students to form their own ensembles and run other ensembles as the need arises throughout the year.

Places available

It is not too late to join in the activities in the Music Department – we have new members joining all through the year! We would particularly like more flautists and brass players and a string instrumentalist or two is always welcome. There is also one vacancy for acoustic double bass. Unfortunately some instruments are fully booked, but a waiting list exists, and in the meantime you could always try a second choice. Pick up an application form from the office and see Ms Roffe, or any of our other music teachers if you would like to start learning an instrument. All you need is enthusiasm and a willingness to practice regularly.

Ensembles

Playing music in an ensemble is an essential part of learning your instrument, and for most students the element that they get the most pleasure from. Joining a suitable ensemble is therefore a compulsory part of the College Instrumental Program. Our ensembles are not limited to those learning an instrument at school, however. If you have an interest in playing in one of our ensembles or singing in one of our choirs just let us know. This applies to parents as well – if you are interested talk to us about how you can get involved.

Currently rehearsals take place at lunchtimes for most ensembles, however Show Choir also rehearses after school from 3.30pm – 5pm on Wednesdays.

Thank you all for your continued support of Music at Catholic College Sale.

Ann Roffe
Head of Music

I would teach children —
 [redacted] music, —
 [redacted] physics, —
 — and philosophy;
 [redacted] but most —
 [redacted] importantly
 [redacted] music, —
 for the patterns in music —
 [redacted] and all —
 [redacted] the arts —
 are the keys to learning. —

SENIOR SWIMMING CARNIVAL

The first sporting event of the CCS 2021 calendar, the Senior Swimming Carnival, took place at the Sale Pool on Monday 22nd of February. A bit of a cooler Summers day saw excellent participation from our Years 10 – 12 students. Alongside the regular swim races, student's enthusiastically participated in the Water Polo, pitting house against house. Congratulations to Allman House, champion house on the day and winners of the House Spirit Award.

SENIOR CARNIVAL RESULTS

Allman – 458 points
Champagnat – 450 points
Daly – 426 points
Raphaela – 409 points
Paulinus – 371 points
Theodore – 204 points

JUNIOR SWIMMING CARNIVAL

Following on from a successful Senior Swimming Carnival on the Monday, the Years 7 – 9 students participated in the Junior Swim Carnival on Friday the 26th of February at the Sale Pool. Congratulations to Champagnat House, the champion house on the day and to Daly House, winner of the House Spirit Award

JUNIOR CARNIVAL RESULTS

SENIOR CRICKET

Back L to R - Coach Anthony Robbins, Charlie Moulton, Seb Pendergast, Max Knobel, Zak Russell, Bradley Nikolajew, Jake Pendrick, Brody Dobson
Front L to R - James Moulton, Mason Annear, Tom Morrison (C), Lakshay Panwar, Miller Eastham, Ben Harrington

CCS progressed through to the SSV Gippsland Finals following their Senior Cricket Division Final win against Lavalla at our College ovals on February 25. A great result, with CCS restricting Lavalla to 9/88 from their 20 overs after making 2/182. Tight bowling from Tom Morrison, Jake Pendrick and Lakshay Panwar, was capitalised on by James Moulton (3/7), Seb Pendergast (2/12) and Miller Eastham (2/13).

On March 2 at Maffra, CCS won both their SSV Gippsland games, against Drouin SC and then Nagle College to progress through to the next round which will be held later this term.

Calculators

Any secondhand Texas TI-Nspire CAS calculators for sale can be left at the

Digital Learning Provision

For Years 7 – 10 Families there is a Learning Resource Provision. The charge of \$200.00 per child for the 2021 Learning Provision has been applied to your College Account as per College Statement 1819 on 1 January 2021. Please ensure this amount is paid within 14 days, as this currently does not form part of any direct debit payment plan, unless already discussed or arranged with the College. For families that have already paid this amount we thank you for your payment.

Uniform Shop

The Uniform Shop is currently running online. For any enquiries please use the [request form here](#).

Blazers and hats are purchased directly through the College.

Items must be paid for at the time of purchase and cannot be charged to school accounts.

Clothing is not sold on consignment but purchased by the College Uniform Shop, however, only items in good order will be accepted for sale. Blazers and winter skirts left for sale must be dry-cleaned.

Canteens

The Canteen Menu and price list is available through CDF Pay by clicking the logo.

To pay for items, please ensure the Student Card has money on it (this can be done by either bringing cash to the canteen at recess or through CDF Pay) .
