Dear College Community,

Welcome to Term 2 at Catholic College Sale, as we continue our celebration of the Risen Christ, living amongst us. At the end of Term 1 we celebrated a beautiful Easter mass for the first time as a whole school since the beginning of our COVID crisis. We were blessed to have Bishop Greg Bennet, the new Bishop of the Diocese of Sale, as celebrant, and Dean Peter Bickley, Father Jithin Anto, and Deacon Kevin O'Sullivan from the RAAF as co-celebrants and assistants.

In his homily Bishop Greg focused on unity and working together and gave a practical demonstration of how we can achieve great things through the strength of numbers. His message of support and inclusion was heard loud and clear by all present.

Towards the end of last term we celebrated the gift of the 'Our Lady of Sion Sisters' presence with us for 130 years and in particular the gift of the

Autumn,  
 We give thanks for the  
 harvest of the heart's work,  
 Seed of faith planted with  
 faith;  
 Love nurtured by love:  
 Courage strengthened by  
 courage.

We give thanks for the fruits of the struggling  
 soul,  
 The bitter and the sweet;  
 For that which has grown in adversity  
 And for that which has flourished in warmth and  
 grace;  
 For the radiance of the spirit of autumn  
 And for that which must now fade and die.  
 We are blessed and give thanks.  
 Amen.

# PRINCIPAL'S REPORT

Sion Charism. Over the course of a weekend we commissioned our Sion garden with the blessing of Sister Mary Barbuto NDS (Sion Congregation Leader) and Brother Peter Carroll FMS (Marist Provincial). Our beautiful Charism Garden celebrates the characteristics of the Sion and Marist Charisms and provides us with a practical guide to our everyday practice of faith. Over the weekend our John XXIII redevelopment was officially opened by Darren Chester, our local member of Federal Parliament, and blessed by Bishop Greg Bennet. Our past Sion students held a moving remembrance ceremony at the Sale Cemetery for the 64 Sion Sisters who are buried in Sale. A decommissioning ceremony for the Sion Chapel was held with a recognition of the past contributions of Sion Sisters, their current presence among us and a commitment to continue to work with the Sion Sisters to proclaim the Sion Charism in Catholic College Sale and community. A magnificent celebration was held on Saturday evening with a dinner for the Sion Sisters, acknowledging their past, present and future contribution to our community. On Sunday the Friends of Sion held a reunion on the Sion Campus with over 200 past students attending. Many wonderful stories were revisited and many friendships renewed.

*Above and Below - The decommissioning ceremony for the Sion Chapel.*

Towards the end of term, the College held a very successfully Parent Student Teacher interview program. A wonderful Year 12 RE seminar day, and a magnificent Year 11 Presentation Ball. 84 students attended the ball, which was live streamed to families. The majority of students were still present at the end of the evening, and clearly a number did not want to leave. A special thank you to Julia Moulton, who ensured this event was a great success.

Recently the College initiated its enrolment process for Year 7 2022. Due to COVID it was not possible to visit all the primary schools, but information was sent to all primary schools in the Sale area. The College promoted an information evening and tour which was attended by over 300 prospective students and parents. First round offers closed on the 19th March and there was a significant increase in the number of applications to the College. The College normally has applications from 30 - 32% of Grade 6 students in the Sale area. At the close of first round applications, the College had received nearly 42% from possible applications in the Sale area. The College intake for 2022 in Year 7 will be 168 students, and we deeply regret having to place a significant number of wonderful student applications on a waiting list. The College continues to explore possible ways of alleviating this situation. We thank all families for their support of the College.

Term 2 has again started as a busy term. Last Wednesday we had a magnificent day for our College Athletics Carnival. We congratulate all students who participated, the magnificent work of House Captains and the outstanding achievement of the Age Champions. We congratulate Theodore House as the overall winner of the Carnival.

I congratulate all students on their presentation this week for College photos. The College and students take great pride in our beautiful uniform and I remind a small number of students that our uniform requirements have not changed. Please refer to our College website if you have any queries or call the College if required.

In the next few weeks the College will be holding a number of year level camps. Our Year 10

# PRINCIPAL'S REPORT

Camp will be held on 10th – 14th May. This year the camp will be held in Ballarat as COVID restrictions make interstate travel too high a risk, due to a possible lockdown. Our Year 7 Camp will be held on 25th – 28th May at Licola. This is a wonderful opportunity for students to get to know each other outside of the classroom and make new friends within the year level. Our Year 8 students will hold a similar camp on 11th – 14th May. This camp is being held for our Year 8 students as they missed out on their Year 7 Camp due to fires in February and COVID from March onwards. Our Year 12 retreats will be held on 15th – 18th June. This year our Year 12 students will be divided between two retreat sites. Our Year 12 retreat has a proven history of providing our students with a time of reflection, evaluating current goals and establishing

possible pathways for a future beyond secondary school. I would like to take this opportunity to remind all students that the highest standard of behaviour and quality of interaction and inclusiveness should always apply. I would especially like to thank all staff who are giving up their time out of school hours, and away from their family, to ensure each of our students has a joyful and valuable experience.

Throughout this term the College will be introducing a new student leadership program called 'Student Voice'. This program is being established to ensure students have the forum to contribute their ideas to the smooth running, growth and development of their student community.

I would like to congratulate Molly Hargreaves who received the RSL Jack McMillan award for youth leadership in the Sale community. Molly spoke beautifully at the recent ANZAC Day Memorial Hall Service and is a wonderful role model to our students at Catholic College Sale and the broader community.

I remind all in our community that while we are very fortunate in Sale to be experiencing minimal disruption due to COVID we are still very much living in a COVID environment. I ask all students and members of the community to be attentive to the hygiene requirements that we have learnt so well over the last 12 months and I pray that we continue to live in the safe environment that has been established. Our thoughts and prayers are with the millions of people throughout the world who are still exposed to COVID on a day to day basis.

# LEARNING AND TEACHING

There is significant research that shows students who are most successful at school have a balanced attitude to organising their life commitments. They devote an appropriate time to study and homework, but they also play sports, have part time jobs and have time for friends and family. Being able to participate in various forms of activity helps young people grow, develop positive relationships with peers and adults, keep them physically and therefore mentally fit, and this gives them opportunities to develop life skills.

At times students can feel overwhelmed by work when it starts to mount up, and some often have no systematic approach to dealing with it. I would encourage the use of a weekly planning tool to assist students to get on top of their work. All of the students at Catholic College Sale are given a

College Diary at the start of the year. Inside the front cover of the diary is a Study Planner. I would strongly suggest that students put in all commitments and then add College expectations. I have added our suggested homework/study times below:

<b>Year Level</b>	<b>Suggested Times Per Night</b>	<b>Suggested Times per Week</b>
Year 7	1 hour	2 – 6 hours
Year 8	1.5 hours	3 – 7 hours
Year 9	2 hours	5 – 9 hours
Year 10	2 hours	5 – 12 hours
VCE (Unit 1 & 2)	3 hours	Minimum of 1 - 3 hours per weeknight, up to 6 hours on weekends with this time to be increased as exams approach.
VCE (Unit 3 & 4)	4 hours	Minimum of 3 - 4 hours per weeknight, up to 6 hours on weekends with this time to be increased as exams approach.
Victorian Certificate of Applied Learning		Due to the applied nature of this qualification, homework is task and student specific.

When students are doing study or homework and feel they need further clarification from their teacher, please send an email. This can be a way of sorting out their own ideas around the task that has been requested. Teachers may not necessarily get back to students that night, but it will allow them to do so as soon as possible and be guided to exactly where clarification needs to be made. All teacher email addresses can be found under the parent and the student's link on SIMON and PAM.

## 2021 NAPLAN Details for all Year 7 and 9 Students

From Tuesday 11th to Friday 14th of May, students in Years 7 and 9 will be undertaking NAPLAN testing. This testing is compulsory, however exemptions and withdrawals can be made. Generally

these are on the grounds of disability or personal circumstances. Parents, Carers and Guardians will be contacted if students have been identified as possibly needing withdrawal or exemption, however if you have any queries regarding this process please contact Rachael Bown at the College.

NAPLAN is a point in time assessment of literacy and numeracy skills. Students in Years, 7 and 9 participate in the annual NAPLAN tests in writing, reading, conventions of language (spelling, grammar and punctuation) and numeracy. This year marks a significant change to the testing as the assessments (except for writing) are adaptive. This means the test will make

adjustments as a student works through the questions so they target the student's ability level. This should make the assessments more achievable for students who have found these tests difficult in the past.

At the College we will be completing some practice testing to give students an opportunity to become familiar with the test format, functions and tools of the online tests. The practice tests are not an assessment of student ability and will not be marked. Excessive preparation for NAPLAN Online is also not recommended.

# LEARNING AND WELLBEING

## Camps & Retreats for 2021

I hope all families have had an enjoyable Easter Holiday and the College is very excited to have continual easing of restrictions to enable our yearly activities and celebrations to occur.

The College is pleased to announce that during Term 2, we will be conducting the Year 10 Camp to Ballarat (10th – 14th May), Year 8 Camp (11th – 14th May) to Licola Wilderness Village, Year 7 Camp (25th – 28th May) to Licola Wilderness Village and also the Year 12 Retreat (15th - 18th June) held at Gelantipy & Mill Valley Ranch, Tynong North.

These opportunities provide students with the chance to participate in a program that is linked to social, cultural and educational outcomes for students and provide shared class and year level experiences, team building and a sense of group cohesiveness. It also reinforces and extends classroom learning, particularly with the extended Year 10 camp, visiting places of historical significance to their learning.

As a result of the cancellation of the 2020 Year 7 camp due to bushfires and not able to reschedule due to COVID 19, the College has been able to provide our Year 8 cohort with a camp that provides a valuable opportunity to participate in a program that promotes and develops self-esteem, problem-solving and life survival skills, resourcefulness, independence, leadership, judgement, cooperation and tolerance, whilst working towards a sense of group cohesiveness.

The Year 7 camp provides a unique opportunity where students can get to know their House groups, whilst making new friends and interact with staff along with participating in an outdoor program that promotes self-esteem, resourcefulness, independence and leadership.

Year 12 students will attend the Retreat program in June, where students are encouraged to reflect on their life's journey thus far and to consider how, if at all, they perceive God as being with them. Students will be invited to consider the reality of what may lie ahead of them, including the challenges of life and also their personal goals and spiritual journey beyond school.

The College appreciates the number of staff who have volunteered to attend these camps during the Term, to provide the opportunity for our students to obtain diverse experiences during their educational journey at Catholic College Sale.

## Student Voice Cabinet (SVC) – Child Safe Committee

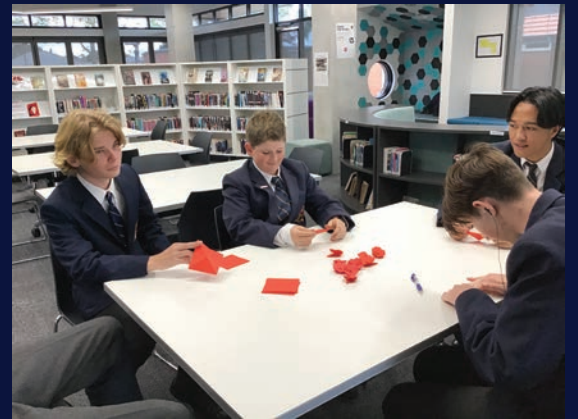

The College Student Voice Cabinet members have been highly active during their first term in their newly formed roles. As we progress into Term 2, SVC members will be invited to nominate to join a Child-Friendly Committee, consisting of approximately 8 to 10 student delegates, providing a student voice to ensure child safety and wellbeing issues are raised and addressed by the College Leadership Team. Further details will be circulated with all members of the Student Voice Cabinet in the coming week.

Warm regards,

**Tim Morrison**  
Deputy Principal – Student Learning and Wellbeing

## ANZAC Day Origami Poppies

As part of the College's ANZAC day celebrations, during lunchtime in the library, students had an opportunity to create origami poppies. After learning some basic folding techniques, they quickly had a finished flower to hang from their blazer pocket.

# ANZAC SERVICE

Catholic College Sale honoured our ANZACs with a commemorative service, held on Friday morning, the 23rd of April. The whole school service was led by our Year 10 History students and included the laying of the wreath by our College Captains, Molly Hargreaves and David Brinker - Ritchie. Students and staff stood respectfully for the minute of silence, before and after which the Last Post and Rouse were beautifully performed by Mr Roy Condeza. This was followed by the National Anthem, performed by our Choir.

# PATHWAYS & CAREERS

Term 2 is one of our busiest terms for Year 10 Careers as we start looking at students going out on Work Experience. Each group will watch several short videos on an introduction to work experience.

Mrs Kristine Morrison, who coordinates the process, will also speak to students to outline the procedures. Students in Year 10 can do one week in a chosen workplace during school time. It is up to each student to initially contact the employer and to fill out the introductory paperwork (the blue form). I would encourage all Year 10's to participate in this very valuable program. Below is a report by one of our Year 12 students who took up the opportunity to participate in the Defence Force work experience program, which is regularly advertised on our Pathways Website.

## **Defence Work Experience Program - (Air Force Familiarisation Camp)**

On the 31st of March to the 1st of April I had the opportunity to take part in the Defence Force Work Experience Program. The program provided me with an extensive understanding of the Defence lifestyle and day-to-day activities of Defence

personnel. On the first day of the program we went into two different types of flight simulators that are located in the No. 1 Flying Training School. The first simulator was a metal seat with surrounding touchscreens and controls so it felt kind of like a game but was nevertheless a surreal experience. The second flight sim was the fuselage of a PC-21 that was inside a large dome with a 270 degree screen. It was absolutely incredible because you felt like you were moving with it which made balancing very tricky. We then went into the hangars where the PC-21s are maintained and had a tour inside. Later on that day we went and visited the Search and Rescue unit and toured the AW139 helicopter, it was very informative and eye-opening to see how much technologically advanced equipment is involved with their day-to-day operations. Following, we went to the Air Traffic Control training school and learnt how to operate as an ATC operator, then to consolidate everything we learned we got to operate the ATC simulator which is an exact replica of the real thing. Furthermore, we were taken into the ATC control tower and got to watch the ATC personnel work and watch the planes take off and land. This was for sure a once in a lifetime opportunity and honestly just took my breath away. We also had a tour through the fire fighting unit and got extensive tours of the three different fire trucks they have. One of them even has a big remote control water pistol on the front of it. Then we went to the Airfield Defence Guard unit where we saw about 7 different firearms laid out on display and were told all about them. We all thought that was pretty cool.

On Wednesday the 21st of April I had a last minute invitation to join the Honourable Darren Chester at East Sale RAAF base for a tour of the Boeing Business Jet that was transporting him to an event. While Mr Chester was broadcasting an interview with Sky News I had the opportunity to discuss my current recruitment as an Army/Air Force medic into the ADF with WgCDR Svede. He gave me valuable and insightful information about my options and provided me with contacts of current serving Army and Air Force medics and a RAAF Crew Attendant in order for me to discuss my options and hopefully come to a decision about which role I wish to further pursue. After the live broadcast with Sky News Mr Chester took me to the flight line to see the BBJ and it was absolutely breathtaking. He then took me inside and gave me an amazing tour and pointed out one room in particular that the Prime Minister hangs out in. Overall I am so grateful for the opportunity and will never forget it.

# CHARISM GARDEN BLESSING

The weather was perfect for the Blessing and Opening of the Catholic College Sale Charism Garden on Friday March 12. Led by our Masters of Ceremony, College Captains David Brinker-Ritchie and Molly Hargreaves, a short service was conducted in front of College Leadership, Special Guests, two of our Religious Education classes and Student Leaders. Sister Mary Barbuto NDS, Regional Leader of Our Lady of Sion Sisters and Brother Peter Carroll FMS, Provincial of the Marist Brothers shared the Gospel and provided Response of the Mission of the Catholic School before Dean Peter Bickley and Father Jithin blessed the gardens. There was also attendees to walk amongst the garden and reflect on the Marist and Sion Charisms.

# JOHN XXIII OPENING

Catholic College Sale officially opened its refurbished John XXIII building at the newly - amalgamated Desailly Street site on Saturday March 13.

The weekend of celebrations, which included the decommissioning of the Sion building, began with the Most Reverend Gregory Bennet (Bishop of Sale), joining Gippsland MHR Darren Chester and Brother Peter Carrol FMS, to officially open the refurbished John XXIII building.

The John XXIII building has been rebuilt internally and extended to provide state-of-the-art learning with open space classrooms, break-out rooms and the latest technology, with funding support from the Federal Government and the College local community.

Principal Chris Randell said, "Catholic College Sale community gathered to celebrate the redevelopment of the John XXIII building into a modern learning hub for Years 7 and 8 students. The College was very privileged to have the Honourable Darren Chester, Member for Gippsland, representing the Commonwealth Government, Bishop Greg Bennet, Bishop of Sale Diocese and Br. Peter Carrol FMS, Provincial of the Marist Brothers, governors of the College to open and bless the building. The College was also grateful for the presence of Maria Kirkwood, Director of Catholic Education at Diocese of Sale and Sister Mary Barbuto NDS, leader of the Sion community as well a number of Sisters of Sion and Marist Brothers."

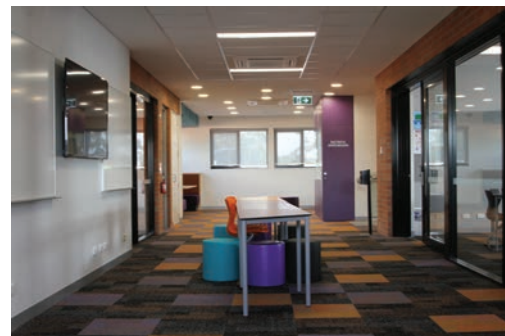

Assistant Principal of Learning and Teaching Cindy Foat said "This is an amazing facility that will support our whole learning community now and in the future. Our new learning studios open up to allow team teaching and there are large amounts of glass to help supervise breakout areas. Both our students and teachers have already settled into the space and are taking full advantage of all it has to offer."

# YEAR 7 ARCHAEOLOGY DIG

On a beautiful sunny day, Mr Robinson's intrepid Year 7 archaeologists hiked to their dig site at the school ovals to uncover mysterious artefacts of the past. Firstly they were broken into two groups and carefully buried their artefacts that they stole from home (probably with permission from their parents) to try to represent an archaeological find that would rival the Valley of the Kings. Each group carefully covered their artefacts and then swapped dig sites. With incredibly authentic and expensive archaeological tools acquired from Kmart, the students carefully brushed away the dirt to reveal the treasures the other team had left in their site. While they dug, they also mapped out their findings so that they would be able to use their historical skills to be able to make some sort of conclusions about what sort of people lived there. Where it took Howard Carter eight years to uncover the treasures of Tutankhamun, the Year 7s were able to uncover their treasures in under an hour. While it was messy, so is history.

As we begin Term Two the Music Department is in full swing (pun intended!). Our Ensembles are up and running: a String Ensembles, a Concert Band, Rock Bands at Year 7 and 8 and a Guitar Ensemble. Our choirs include a Male Vocal Ensemble, the Sion Singers and the Show Choir who are all working hard. Instrumental lessons are well attended and practice habits are starting to pay off.

## Eisteddfods and Performances

We have entered some of our ensembles and soloists for the upcoming Sale Eisteddfod and later in the year we will support the Latrobe Valley (Traralgon) Eisteddfod and Yarram Eisteddfods. See Ms Roffe or your instrumental teacher for details. We will have concerts before the Sale Eisteddfod which takes place in the last week of May. Details will be published shortly.

*Above - Zaidyn Berns, Ryan Heskey and Jay Steed perform at the Sion Chapel.*

Our MVC were involved in the final Mass at the Sion Chapel, providing a memorable performance which showcased the unique and beautiful acoustics of that space. Further performances will take place that will feature our Ensembles and soloists as Term Two progresses.

Currently auditions are underway for our College Production – this year we are presenting Freaky Friday, which will be performed midway through Term Three. We are blown away by the talent we have seen so far and choosing the main roles from over forty applicants will be challenging. Rehearsals begin on Wednesday afternoons this week and will continue each week.

It is not too late to join in the activities in the Music Department – we have new members joining all through the year! We would particularly like more brass and woodwind players and a string instrumentalist or two is always welcome. There is also one vacancy for acoustic double bass. Pick up an application form from the office and see Ms Roffe, or any of our other music teachers if you would like to start learning an instrument.

All you need is enthusiasm and a willingness to practice regularly.

## Ensembles

Playing music in an ensemble is an essential part of learning your instrument, and for most students the element that they get the most pleasure from. Joining a suitable ensemble is therefore a compulsory part of the College Instrumental Program. Our ensembles are not limited to those learning an instrument at school, however. If you have an interest in playing in one of our ensembles or singing in one of our choirs just let us know. This applies to parents as well – if you are interested talk to us about how you can get involved.

Thank you all for your continued support of Music at Catholic College Sale.

# SSV TENNIS

On Friday March 26th, four Catholic College Sale Tennis teams competed at the School Sport Victoria (SSV) 2021 Division Tennis Finals.

Glorious, sunny conditions greeted teams at the Traralgon Tennis courts on the day, as our students battled it out against secondary schools from around the Wellington area. Our Year 7 Boys and Intermediate Girls came runners-up on the day, after being narrowly pipped by Lavalla Catholic College.

Our Year 8 Boys Tennis team were victorious against Lavalla Catholic College, while our Year 7 Girls were also fortunate enough to progress through, after no other schools submitted entries. These two teams advanced to the SSV Gippsland Tennis finals back at Traralgon on Friday April 23rd.

## Team lists:

# SSV STATE SWIMMING

## SSV State Champion

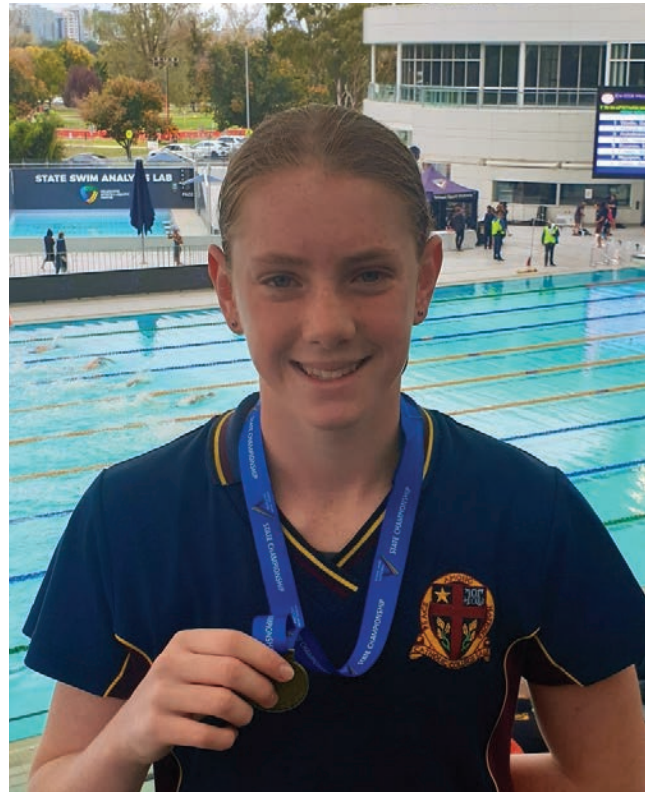

SSV State Swimming was held in Melbourne on Thursday 22 April and there were some wonderful results from three of our swimmers at MSAC.

Kayla Pratt (Year 8) swam a 1:02.69 to claim the state title in the 12-15 Years Girls 100m Freestyle event.

Tayla Bellion (Year 9) swam 6th in her 200m Individual Medley, and James Arnup (Year 7) swam 8th in both his 50m Freestyle and 50m Butterfly.

Some terrific results for these students and the College!

## SSV Tennis - Gippsland Round

We were back at it again in the first week of Term 2 for round two of SSV tennis. Our Year 7 Girls competed against Mirboo North and Marist-Sion Warragul, while our Year 8 Boys faced-off against Wonthaggi SC, Drouin SC and Nagle CC. All students performed admirably in ominous weather conditions, to finish 3rd (Girls) and 4th (Boys) in the region.

## Man From Snowy River Challenge

Year 12 student Bridget Gallagher recently experienced great success in competition at the Man from Snowy River Bush Festival held at Corryong. The 2021 Festival celebrated the recovery from bushfires and importantly 25 years of the MFSR Challenge. During four action packed days of competition, Bridget placed first in the Harrison's Packhorse, first in the junior finals and third overall in the juniors. Congratulations Bridget!

# SENIOR BOYS CRICKET

Our Senior Boys Cricket side have narrowly lost their State Quarter Final match against Melbourne High School, after a thrilling day's cricket at the College Ovals on Monday March 22nd.

After winning the toss and electing to bat, our innings got off to a rocky start, losing both openers inside the first four overs. Runs were difficult to come by with Melbourne High School's opening bowlers hitting a sharp line and length and proving difficult to get away. Luckily, skipper Tom Morrison (38) and Mason Annear (17) stabilised with a 5th wicket partnership of 43 to get us to a total of 76. Probably 20 runs short of our goal, but still a defendable total.

In response, after a great start, we had our opponents at 4/29 after 10 overs, with the match outcome still a coin-flip. Knobel (2/13), Pendergast (1/7), Pendrick (1/11) and Annear (1/14) were all able to chip in with timely wickets, however, a crucial 6th wicket stand of 25 propelled Melbourne HS from 5/41 to 6/67; within striking distance of their target. Some mature, lower order batting saw Melbourne reach their total with four deliveries to spare.

A big thank you to the Collegians Cricket Club for their assistance in preparing a magnificent turf wicket and manicured outfield and Sale Maffra Umpires Association for their supply of umpires for the day. Finally, thank you to Mr Anthony Robbins for his coaching and mentoring of this team throughout the term and his continued willingness to assist with our interschool sport teams. This event wouldn't have happened without all of your support.

CCS 7/76 (20) defeated by Melbourne HS 6/77 (19.2)

Batting: Morrison 38 (55), Annear 17 (33)

Bowling: Max Knobel 2/13 (3), Seb Pendergast 1/7 (4), Jake Pendrick 1/11 (3.2), Mason Annear 1/14 (3)

# SSV GIPPSLAND SWIMMING

Congratulations to all students for their amazing efforts SSV Gippsland Swimming on Thursday March 11.

James Arnup (Year 7), Tayla Bellion (Year 9) and Kayla Pratt (Year 8) qualified for SSV State Finals after fantastic results in Freestyle, Butterfly and the individual medley. Kayla set a new record in the Girls 12-15 Years 100m Freestyle with a time of 1:03.31

Maeve Hatwell, Zac Mezenburg and our 14 Years Boys Freestyle Relay team just missed out on state final qualification, after finishing 2nd in their respective events.

A big thank you to our VCAL students who assisted with timekeeping, marshalling and results throughout the day.

## Australian Age Swimming Championships

Year 8 Catholic College Sale student Kayla Pratt recently returned from swimming in the Australian Age Swimming Championships held on the Gold Coast from 5th -12th of April, 2021 after some doubt the event would go ahead with COVID lockdown restrictions in the greater Brisbane area just a week before.

Representing Traralgon Swimming Club in the 50m freestyle and 100m freestyle Kayla finished ranked 39th for 50 free and 45th for 100 freestyle for her age group. Significantly improving her national ranking.

"I was so happy to get my times for Nationals and getting the opportunity to compete after an uncertain year with COVID restrictions preventing swimmers from training in the pool. During lockdown I kept busy with running, band exercises and zoom yoga. I even re educated one of our horses and I am now taking her to pony club and hope to compete her soon.

Thankyou to my coaches and parents for helping me achieve my goals. It was an amazing experience and I am looking forward to the coming season."
