Dear College Community,

We continue to be challenged by COVID and the detrimental effect it is having on many in our community. Thank you for the support you are providing to each other, to our children and to the College, as we continue to negotiate the challenges of lockdowns. We continue to hope and pray that our Leaders can find a way forward for everyone.

Our transition in and out of Remote Learning lockdowns are becoming smoother but we know there is an ongoing toll on student learning and wellbeing. We continue to explore ways to engage and assist students in their learning development. Upper most in our thoughts and prayers are our Year 12 students who literally only have weeks before their final assessments and exams.

While many of us are back to living in lockdown  
And with a myriad of restrictions, more than ever,  
We need the gift of the Spirit to bless us,  
move

Among us and anoint us. Of course, there are as Many gifts of the Spirit as there are needs and There are so many, many needs. May the gift of the Spirit embrace each of us as we continue to speak Our own language, experience our own feelings And share our own stories about what COVID Means for us. Mary the gifts of the Holy Spirit Bring us life, healing, hope and peace.

This is our prayer.

# PRINCIPAL'S REPORT

I know our students are trying their best and teachers are trying everything possible to support each individual student. Please let us know if there is anything we have missed in our support and we will do our best to implement whatever we can.

We were fortunate to have a beautiful Reflection Day for our Year 12 students. A chance to reflect on their time at the College and an opportunity to look forward to a future of hope and dreams.

We also offered a study guide day for our Year 11 students who explored organisational skills and prioritising work goals. Students completed the day with lunch at the ovals and fun with team building exercises.

Valedictory plans are in place, but we will need to assess requirements closer to the event to determine what format we can use.

In the next week I will write to all families offering fees assistance where required. There are no plans for a general fee reduction as the College's commitments are already established. I encourage all families experiencing financial hardship to complete the form provided.

It is with great excitement for Fr. Peter but a sadness for our community that I share the following news.

On Wednesday Fr. Peter Bickley announced that he will be retiring as Dean of St. Mary's Cathedral and as a Parish Priest.

Fr. Peter has given his life to the service of God and the Parishioners of Gippsland and will be sadly missed from active service. The Catholic College Sale Community joins in honoring the wonderful service Fr. Peter has given our community. We thank him for sharing his Faith in Jesus, his Spiritual Leadership, his wisdom and especially his kindness and inclusiveness of all.

Fr. Peter's retirement will not become effective until the 12th of January 2022 and it is hoped we will have many opportunities to appropriately celebrate with Fr. Peter before that date.

## SAVE THE DATE

On Tuesday 14th September 4.00-8.00pm the College will be holding ZOOM PST's for all students Years 7 - 12. Details on making appointments through our Parent Access Module will be emailed home closer to the date.

Fr. Peter plans to retire to Traralgon next year, where he will continue his life of service as a retired Priest.

We thank God for the gift of Fr. Peter to our community.

Stay safe and well  
God Bless

# LEARNING AND TEACHING

In these challenging times, more than ever it is very important to continue to foster a positive partnership with home and the College. I believe it sets good foundations for students to build confidence around their learning and feel supported. As teachers and parents share the responsibility of encouraging, modelling and reinforcing appropriate behaviour:

We ask parents to collaborate with us and support their child and the College by:

- Demonstrating a positive attitude at home about school, teachers and the importance of education;
- Keeping open communication with their child's teacher, Pastoral Teacher and House Leader. Communicating any concerns directly with the College ([Contact Guide available here](#)). This helps to address any difficulties, and maintains a positive learning and social environment;
- Monitoring homework and assignments to make sure they are completed well and on time, and encouraging your child to work to the best of their potential, academically and socially;
- Demonstrating respect and good manners towards others in the school community; including teaching staff, administration and other staff working in the school in person and via emails;
- Making themselves aware of their child's performance at school and be open to a mutual sharing of concerns; and
- Being a positive role model when visiting the school.

Please see our [Parent-School Relationships Code of Conduct](#) for further details.

For Year 12's there remains just six weeks of learning left, then begins the lead up to their VCAA exams. The General Achievement Test has been rescheduled to Thursday 9 September. The 2021 VCE and VCAL results release date has changed to 16th December. For further details and to stay up to date in this fluid climate please refer to the [VCAA website](#).

Many of our Year 11 students will also be doing their first VCAA examination in the near future. To support this, on Wednesday 18th of August, all Year 11 students were involved in our inaugural Year 11 Study Day. The first part of the day was developed to expose students to effective study techniques with the second half of the day focused on Year 11 community building. The College is working towards ensuring we have a whole school approach to universal study techniques in order to maximise student learning growth. Further information can be found on SIMON.

As a part of their preparation for end of year exams, trial examinations will be held for students during the second week of the upcoming school holidays. These exams will be held at St. Mary's Hall and will be supervised by VCAA Supervisors. They will provide a valuable learning and preparatory experience for students. In addition, it will enable them to focus on any areas that need improvement for the extremely short amount of time available in Term 4. An exam timetable will be released to students in the coming days.

I would strongly recommend any Unit 3/4 students to register for the ACU online revision workshops. Please refer to the flyer on [page 16](#) for more details. To register use [this link](#).

## School Holiday Trial Exams

As a part of the preparation for end of year exams, trial examinations will be held for students during the second week of the upcoming school holidays on Monday 27, Tuesday 28, Wednesday 29 and Thursday 30 September. These exams will be held at St. Mary's Hall and will be supervised by VCAA Supervisors. They will provide a valuable learning and preparatory experience for students. In addition, it will enable them to focus on any areas that need improvement for the extremely short amount of time available in Term 4.

# LEARNING AND WELLBEING

The students, staff and broader College Community has been faced with uncertainty throughout this term with lockdowns occurring with minimal notice. Although these challenges are present in our lives, the students returned to school from the previous remote Learning with enthusiasm and excitement. To witness the social interactions of young people coming together and enjoying the friendship and social interaction in the classrooms and at breaktime, is a reminder how fortunate we are to have opportunities to still come together as a school community when the opportunity presents, despite the ever shifting challenges. On behalf of the College, we appreciate the efforts made by all families and caregivers through providing the necessary support through these challenging times for all students and our staff during Remote Learning.

## 2022 Student Leadership

As our Year 12 Students focus on their studies and final exams over the coming months, the College is pleased to provide Year 11 Students with the opportunity to apply for the positions of leadership within the Student Leadership Team. The College has appreciated the way the 2021 College Captains and House Captains have served our community and embraced their roles within the College.

The leadership positions include:

College Captain (2 positions)

House Captain (2 positions per House)

Student Voice Cabinet (1 representative from each Pastoral Group – 18 positions within the Years 10-12 Pastoral Groups)

The emphasis for Student Leaders is to take the initiative through their roles in leadership to encourage active peer participation and contribution whilst celebrating Learning, Spirituality and Community throughout College life, thus embracing all College activities through a shared vision.

Students who have provided an expression of interest in these roles will continue through the process in the coming weeks and will be finalized towards the later stages of Term 3.

## Code for Student Behaviour & Expectations— Amendments to College Processes

Students are accepted into Catholic College Sale on the understanding that they are prepared to become familiar with, accept and act in accordance with the Gospel values which are the foundation of the College community and which underpin our expectations for all students.

This includes;

- Treating all people with the respect and the dignity they deserve.
- Behave in a responsible and co-operative manner, enabling all members to feel safe and respected.

*Above - Year 12 Students gather at their Mill Valley Retreat late in Term Two.*

- Respect the right of every individual to learn by consistently behaving in a responsible manner in all classes.

Furthermore, the good standing of the College is significantly influenced by the way students wear the uniform and present themselves. Students are expected to present themselves well and to wear the uniform, including footwear correctly. This applies during school hours, while travelling to and from school and when students are engaged in school activities out of school hours.

At times, individual students are challenged with meeting these expectations and recently the processes throughout the College including the College lunch detention process; continual disruption to teaching and learning and showing a clear unwillingness to co-operate as a student, have been amended.

A summary of the amendments to College processes are outlined below;

A student attending lunch detention – The Parent/Carer will receive an SMS message from the College indicating that your child has completed lunch detention for non-compliance with College expectations. Failure to attend Lunch Detention will be followed up with the student by the Pastoral Teacher and communication to occur with the House Leader if not completed after the second notification.

If a student wears the PE uniform to school due to unforeseen circumstances, the students must present to their Pastoral Teacher a note signed by their parent/carer, and present themselves and the note at the lunch detention room. All student notes are sighted and recorded by the staff member before the student is dismissed.

Students showing clear unwillingness to co-operate as a student and failing to fulfil classroom expectations – The classroom teacher will contact parents/carers regarding the student's behaviour. When continual disruption occurs, the student's House Leader will communicate with the parents/carers about the student's behaviour and the continual disruption to Teaching and Learning.

Persistent failure to co-operate as a student –The Deputy Principal will inform parents/carers about the student's behaviour and the impact of the learning on others within the classroom. Parents will be requested to attend a meeting at the College with Deputy Principal and House Leader to discuss the situation and strategies to address these matters in accordance with the College values and expectations.

At Catholic College Sale, we are committed to nurturing respectful relationships and active partnerships with you as parents. We believe that our students' learning journeys are enriched through positive and reciprocal home and school relationships.

# CATHOLIC IDENTITY

Despite lockdowns and restrictions, Catholic College Sale has still managed to have two successful reflection days this term: one for the year 8 group and one for our year 12s. The year 8s spent some time looking at how to cope with times of stress and worry with a focus on mindfulness and learning how to know what they have some control over and what they don't. One of the highlights of the day was some group work which enabled students to work together to build a tower using minimal materials. Some groups made some magnificent structures.

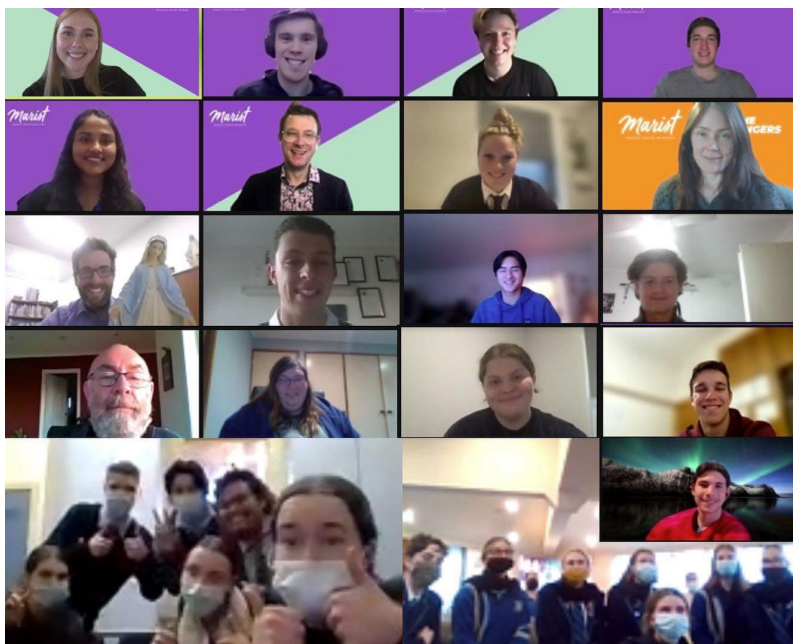

The year 12s had their final day of reflection at the Sale Baptist Church. They welcomed speakers from the local police and HeadSpace who spoke to them about the challenges and risks of leaving school as well as providing some useful advice and resources for when things go wrong. The students also spent some time reflecting on their school years and giving thanks for all that they have achieved with a focus on Eucharist: the Greek word for giving thanks.

As we entered our 7th lockdown a group of year 10 students travelled, via Zoom, to Sion in Box Hill where they gathered with students from Catholic, Jewish and Islamic schools to talk about what made their school special and what people might think about their faith. This Day of Dialogue opened our eyes to the wide variety of cultures and experiences in our own state.

As students in the senior years looked to their roles as leaders in the college some of our students joined in a Marist Connect night with other Marist schools around Victoria. The spoke about how they might discern their future paths as leaders in our schools and our community.

*Top and Left - Photos from the Day of Dialogue. Above - Students build their tower at Year 8 Reflection Day.*

We have found new ways to connect with hundreds of people despite the barriers and our students are growing to understanding the potential the world has to offer them.

# YEAR 12 RETREAT

Following the Queens Birthday Public Holiday weekend, our Year 12 students headed off on their Retreat. Allman, Daly and Paulinus headed to Mill Valley whilst Champagnat, Raphaela and Theodore went to Gelantipy. It was a great chance to reflect on their schooling journey thus far, as well as bond with their peers in their final year at Catholic College Sale.

# PATHWAYS & CAREERS

As the year progresses our Year 10s continue to undertake work experience and work on their job application skills. I encourage them to take this opportunity to challenge themselves and explore the world of work.

This is a busy time for Year 12's as they move towards the end of their last full term at school. At the start of the term, Michael Cielewski from VTAC presented his parent / student briefing on the 2021 VTAC application process. This presentation was also shown in Year 12 Career classes for those who missed out on the night. In addition, [here is a link](#) for parents who might wish to access it.

VTAC preferences opened on the 2nd of August. All Year 12 students should activate their accounts and begin the process early. [Click here for a link](#) to all the Key Dates for VTAC applications, University offers and relevant fees.

# VIC COUNTRY REPRESENTATIVES

Four of our talented students have recently been rewarded with selection to Victoria Country representative teams in their chosen sports. Jonti Schuback (Year 11) was selected to the U17 Vic Country team to compete in the 2021 NAB AFL U17 Championships and Alexandra Beale, Ashley Centra (Year 9) and Tayli Dimarco (Year 8) were selected to the U16 Vic Country basketball team to compete in the 2021 Australian Under-16 Junior Championships.

Jonti, who plays with Gippsland Power and whose home club is Maffra, was selected in the team scheduled to compete in the Championships on the Gold Coast from July 5th. Due to the challenges of border closures most of the games were unable to proceed as planned. However, Jonti did get a chance to play for Vic Country against Vic Metro in Geelong on Saturday 26th

June. Against a strong metro side, Vic Country went down 7.4.46 to 12.8.80. Congratulations to Jonti on this achievement and hopefully he gets to showcase his talents in a rescheduled competition at a later date.

Ally, Ash and Tayli, were a part of the ten strong Women's U16 Vic Country basketball team that was scheduled to head to Perth, Western Australia from 3-7 July 2021 for the Championships, to be held at Warwick Stadium. Unfortunately, government restrictions and State border closures postponed the event. It has currently been rescheduled to take place in Darwin in the September school holidays. We congratulate the three girls on this achievement and look forward to them having the opportunity to compete in 2021.

# SSV CROSS COUNTRY

## SSV Gippsland Cross Country

Tarla Stewart – 7th in the 12-13 Years Girls classification;

Jy Higgins – 10th in the 12-13 Years Boys classification;

Acacia Sutton – 7th in the 14 Years Girls classification;

Luke Dwyer – 3rd in the 14 Years Boys classification;

## SSV Wellington Intermediate Netball

One of our Intermediate Netball teams have qualified for the Gippsland round of SSV competition, after an impressive display at their first interschool event at GRSC on Wednesday 14 July. The team led from the front in all games and capped off the day with a strong win against Lavalla in the final:

Defeated Maffra SC 16-4

# SSV YEAR 7 & 8 SOCCER

## Game 1 vs Sale College:

Our first game proved to be a tightly contested affair, with both teams creating plenty of chances. Sale moved ahead 1-0, however, a handball penalty inside our 30-yard box saw Oliver Austin step up to the mark to equalise 1-1, with the referee calling time soon after.

Result: CCS 1-1 Sale College

## Game 2 vs Lavalla Catholic College:

Another hard fought out contest was played out in our second game, this time against our rivals, Lavalla Catholic College. Our defence got off to a good start, as we kept our opponents scoreless for an extended period. Not long after however, Lavalla put their first into the back of the net. Our defence stayed strong and fought until the end, but unfortunately it was Lavalla taking home the chocolates quite comfortably in the end.

Result: CCS 0-7 Lavalla

## Game 3 vs Traralgon Secondary College:

After a well-earned break between games, our Year 7 & 8 side had some confidence heading into our last match of the day. CCS were on the back foot early, with some fancy footwork from the Traralgon College midfielders making life difficult for our centre backs and goal-keeper. Despite this, we managed to keep a clean sheet in the first half, and even got on the scoresheet ourselves, as Tom Aeschlimann capitalised on a cross from Oliver Austin from a set-piece corner opportunity. We entered the main break with a 1-0 lead.

Fatigue set in for the second half in this match as TC equalised, then continued to add to their total late in the game. Our boys yet again put up a great fight but Traralgon College proved too strong in the end.

## Result: CCS 1-4 Traralgon College

A great day in tough conditions was had, in what was an enjoyable and fun experience for our Year 7/8 Soccer team. A big thanks to Sale United for hosting, and also a massive thank you to Mr Freeman for coaching and guiding the boys through the day

*'The MAV Methods Revision Program provided me with highly thorough and comprehensive notes and walk-throughs, helping me consolidate and revise what I had learnt throughout the year. I love how the presenters go through past exam questions and areas where students went wrong by breaking them down into steps that are easy to grasp. I would definitely recommend this course. It offers great advice, especially for those who want to get a high score. Really helpful.'*
