## Gratitude

During this Lenten season, loving God, we come to you in gratitude. We thank you for all that you have provided for us. Be with us as we move through our day. Help us to do your work and to be kind as we encounter each other in our classrooms, in the playground and in our extra-curricular activities. We also pray that we can find kindness in the way we treat our family members and friends outside of school.

We pray for all the people who are struggling; those who feel lost, unloved or overwhelmed. This month we especially keep in mind the people affected by wars and dispossession around the world and those who are suffering because of natural disasters.

We pray these things in your name. Amen

## Celebrating Lent

The 40 day journey of Lent, from Ash Wednesday to the celebration of Easter, has many ways of being celebrated at Catholic College Sale. Students have been involved in fund raising for Caritas Australia through Project Compassion as well as reflecting on why we care for others through Ash Wednesday, St Patrick's Day and a special day of prayer for peace in the world.

As we celebrated Ash Wednesday, we welcomed Fr Francis, the new parish priest for St Mary's Cathedral. He certainly made an impact on the school community

as he burst into song during an explanation of Amazing Grace. He impressed upon us the importance of being kind to one another as a sign of God's grace working through all of us. Through that kindness we find love.

Those actions of kindness and love were made very obvious to us as a number of students from the year 11 Service in Action class demonstrated a parable told by our Bishop at the launch of Project Compassion. In describing two paintings: one of the Kingdom of God and one which represented the world which wasn't part of the Kingdom, he indicated that both paintings were the same. He spoke of two tables surrounded by people with bowls of rice in the middle. Every person had chopsticks. However, the chopsticks were one metre long. In the world without the Kingdom, everyone tried to feed themselves, focused only on their own hunger and own needs – but it is not very easy to eat using metre long chopsticks. In the painting which represented the Kingdom of God, people fed one another – reaching out with their chopsticks to look after each other.

Through these reflections on grace, kindness, love and service we hope that our whole school community learns to work together to create a sense of the Kingdom of God in our presence.

On Friday March 25, a group of Year 8 students represented the school at a special Mass at St Mary's Cathedral to pray for peace in the world with a focus on Ukraine and Russia. Bishop Greg Bennet prayed with all bishops around the world for the consecration of these countries to the prayers and care of Mary. Our students read prayers during the Mass and spoke with the Bishop afterwards.

## Project Compassion

Every year Caritas Australia uses Lent as a time to raise funds to assist its work both in Australia and overseas. Catholic College Sale has a number of events to assist with this vital work including BBQs at the swimming sports and a St Patrick's Day free dress. Students certainly appreciated the green spiders! We also have Project Compassion boxes around the school to allow students to donate some money. As we pass through the half way point of Lent we ask that families consider how they may practically help others. If you would like to donate to Project Compassion, please use this link.

## YEAR 8 ENGLISH

### Stargirl

The year 8 students are currently studying *Stargirl*, a story which helps us all reflect on how we value each other through our own stories and sense of identity. Some of our students held their own "Hot Seat" interviews where they got to learn a little more about each other as well as speaking in front of their class. It was a great time of affirmation. It's great to be able to put the ideas we read about into action through class activities.

## 2022 College Swimming Carnival Report

Our annual College Swimming Carnivals have traditionally been a terrific way to gather together and showcase school spirit at the start of the year. Our 2022 intraschool swim meets were no exception with terrific attendance at both our Senior and Junior Swimming Carnivals, held on February 7th and March 1st respectively.

Hosted by the Lex Glover Regional Aquatic Centre (Aqua Energy), students and staff were greeted by pristine, sunny conditions, conducive to two fun days in the water.

Students had the opportunity to trial for various swimming strokes and participate in some light-hearted (at times highly competitive) games of water polo for inter-house bragging rights.

Once house representatives were decided for Freestyle, Backstroke, Breaststroke and Butterfly, the 50m pool would take centre stage for our final events.

At our Senior Carnival, students have the honour of racing in two memorial events; the Peter Canny 100m Freestyle and the Bernard Peavey 200m Individual Medley – both events named in honour of two prominent past figures of the College. Congratulations to the following students who claimed these prestigious honours:

### PETER CANNY 100m FREESTYLE MEMORIAL EVENT

Girls – Kiana Wedlock

Boys – Max Castle

### BERNARD PEAVEY 200m IM MEMORIAL EVENT

Girls – Tayla Bellion

Boys – Max Castle

Other highlights included the setting of three new records, which bettered long-standard marks. Congratulations to Mia Whitford and Kayla Pratt who etch themselves into the College's history books. Amazingly, the records these students broke were 8 and 14 years old:

**Mia Whitford** – Year 11 Girls 50m Breaststroke – **42.61 seconds** (Former record 44.43, Shaylee Wedlock in 2014)

**Kayla Pratt** – Year 9 Girls 50m Freestyle – **28.31**

**seconds** (Former record 30.29, Kim Ventrella, 2006)

**Kayla Pratt** – Year 9 Girls 50m Backstroke – **35.39**

**seconds** (Former record 37.19, Kim Ventrella, 2006)

These records proved fantastic omens for Mia and Kayla, as they would later feature prominently in our Year Level Champion Honours. Congratulations to the following students who, based on their individual results, were deemed the best swimmers in their Year Level:

### YEAR LEVEL CHAMPIONS

Year 12 – Kiana Wedlock and Owen Gallagher

Year 11 – Mia Whitford and Ben Hall

Year 10 – Tayla Bellion and Max Castle

Year 9 – Kayla Pratt and Kayd Richardson

Year 8 – Olivia Junck, Jasmine Lazzaro (tie) and James Arnup

Year 7 – Isabelle Haskew and Oliver Dyer

At the end of the Carnivals, Champagnat House was crowned the 2022 Junior House Champions, while Raphaela House proved successful at the Senior Carnival, just edging out challengers:

# Swimming

At the completion of both Carnivals, all House points were combined to come up with an overall Champion House. After 112 events, the final standings were as follows:

## OVERALL HOUSE STANDINGS (BERNARD PEAVEY MEMORIAL TROPHY)

1st – Champagnat – 864 points

2nd – Raphaela – 835 points

3rd – Paulinus – 767 points

4th – Allman – 718 points

5th – Theodore – 633 points

6th – Daly – 540 points

Congratulations to Champagnat House – our 2022 Champions of the Pool!

The coveted House Spirit Shield was also on offer across both Carnivals. Students had the opportunity to earn points through encouragement, enthusiasm, and positive, sun smart behaviour throughout the day. Results from the water polo round-robin competition also contributed the award. Congratulations to Theodore House (Senior Carnival) and Daly House (Junior Carnival) for their wonderful efforts across these areas.

Finally, these events wouldn't be possible without support from several groups and individuals:

A big thank you to Mr Paul Lee for his assistance in making sure both events were adequately staffed and supervised, and classes back at the College ran smoothly.

Thank you to House Leaders and House staff for their enthusiasm and flexibility at both Carnivals to ensure we began our 2022 year in such a positive and welcoming manner.

A tremendous effort by our Student Leaders, particularly our Year 12 House Captains, for leading from the front and encouraging participation across both Carnivals: Ruby Dillon, Lane McBean (Allman), Maya Bown, Mason Annear (Champagnat), Jessie Sedman, Ryan Beale (Daly), Kiana Wedlock, Charlie Anderson (Paulinus), Rebecca Bourke, Jack Myers (Raphaela), Tess Hansford and Harry Gravener (Theodore). Thank you also to our Student Voice Cabinet members across Years 7-9.

Also thank you to our Administration team for their behind-the-scenes support with bookings, permissions, attendance, and numerous other thankless roles. Our Maintenance and ICT teams, who make many of the logistical elements of these events that much more manageable.

To Ms Cashman and Mrs Peatling and our Year 11 RESA students, thank you for giving up your time to coordinate two fundraiser BBQs, which raised a significant amount of money for Caritas Australia.

Thanks to Ms Geordie Cutler and her staff at Aqua Energy for hosting our College and providing terrific facilities across both Carnivals.

## Year 7 & Year 8 Cricket

### SSV Wellington Preliminary Round

On Friday 18th March, the College's Year 7 & Year 8 Cricket teams ventured to the College Ovals to compete in the first round of the School Sport Victoria (SSV) cricket competition.

### Year 7

**CCS 1/229** (Josh Duffield 38\* ret, Blake Rowley 37\* ret, Mac Pendergast 37\* ret, Mitch Robinson 36\* ret, Beau Cottrell 30, Pat Horan 21\*) defeated Sale College **8/5**.

Our Year 7 boys played in a 30-over a side match-up against Sale College and were incredibly successful on the day. Batting first, we made 1/229 with five batters making 30+ runs. We were equally as impressive with the ball, as we managed to bowl our opponents out cheaply. Lachie Marsh (3/2), Mitch Robinson (1/0), Charlie Kelly (1/0) and Riley Flynn (1/1) all featured in the bowling card. The team now progress to the Wellington Division Final, to be played in Term 4.

Thank you to Mr Smart for his coaching of this team.

**Team:** Blake Rowley, Mitch Robinson, Mac Pendergast, Josh Duffield, Beau Cottrell, Pat Horan, Monty Mayman, Jack Armstrong, Remi Sutton, Charlie Kelly, Riley Flynn & Lachie Marsh

## Year 8

Game 1: **CCS 4/53** (Ryan Wells 31, Archer Stobie 9) defeated **by Sale College 0/57** by 10 wickets.

Game 2: **CCS 5/51** (Jy Higgins 15\*, Archer Stobie 7\*) defeated Maffra SC **10/48** by three runs.

Our Year 8 boys faced-off against Sale College and Maffra Secondary College in a pair of highly competitive, 10-over a side matches.

Batting first against our cross-town rivals, we reached 4/53. Ryan Wells anchored the innings, top-scoring with a run-a-ball 31. Our opponents bowled superbly, only letting through one extra to contribute to our total. In response, Sale College were able to chase the required runs with an over to spare. The result meant we'd need a significant victory against Maffra to still be in the running to progress.

After losing the toss, CCS was sent into bat against Maffra. We were aptly restricted by our opposing opening bowlers, who didn't give away any extras in the first four overs. It wasn't looking good for us when a double-strike in the fifth left us at 2/15 halfway through our innings. However, some late order hitting from Jy Higgins (15\* from 11 balls) lifted our total to a defendable 51.

Maffra got off to a confident start in their chase. Bailey Van Zelst (Maffra) led the way with a well-crafted innings, but the consistent fall of wickets around him meant CCS remained in the hunt. We didn't help ourselves by bowling ten wides and before we knew it, Maffra only required six runs from 12 deliveries. Enter Ryan Wells who backed up his batting display in the previous match to claim 3/1 including the prized wicket of Van Zelst for 13, to give CCS a stirring victory by four runs.

Sale College would go on to defeat Maffra to advance to the SSV Wellington Finals.

Thank you to Mr Garoni for his assistance with this team.

## Year 9/10 Cricket

### SSV Wellington Preliminary Round

Game 1: **CCS 0/145** (Ashton Wright 36\* ret, Harry Tatterson 33\* ret, Sam Anderson 30\* ret, Asher Eastham 17\*, Hayden Wrigglesworth 12\* ret) defeated Sale College 7/17 (Mat Murphy 2/1, Harry Rowley 2/3, Madix Grattan 2/6, Tom Boyd 1/7) by 128 runs.

Game 2: **CCS 1/147** (Max Stobie 29\* ret, Ashton Wright 27\* ret, Harry Tatterson 25\* ret, Sam Anderson 25\* ret, Hayden Wrigglesworth 15\* ret, Asher Eastham 10\* ret) defeated Maffra SC 8/9 by 138 runs.

Wednesday March 16th saw our Intermediate Cricket side register two impressive wins at the Wellington Finals of the School Sport Victoria (SSV). Batting first in both games, we made 145+ from our 15-overs with all our top and middle order batters amongst the runs. The team now progresses on to the Gippsland Finals to be held in Term 4.

Thank you to Mr Davis for his coaching of this team.

## Girls Relay

Catholic College Sale's swimming team has had some wonderful results at the first two rounds of School Sport Victoria's (SSV) Interschool swimming competitions.

Following their impressive display in the Pool at our Junior and Senior House Swimming Carnivals, a 36-strong contingent of student swimmers travelled to the Gippsland Regional Aquatic Centre in Traralgon on Wednesday March 9th to compete against other schools from around Wellington and test out the recently completed indoor facilities.

Standout performers on the day were Kayla Pratt who set new records in the 15 Years Girls 50m Butterfly (31.40 seconds), the 15 Years Girls 50m Freestyle (27.74) and the 12-15 Years Girls 100m Freestyle (1:03.84) – shedding five seconds off the existing record!

Tom Scott also set a new record in the Boys 16 Years 50m Breaststroke with a time of 34.41 seconds.

Other notable performances included:

- James Arnup – First in the 14 Boys 50m Backstroke and Butterfly.

In more terrific news, every student placed in the top two in at least one of their events, meaning all swimmers progressed to the Gippsland Regional finals, held back at Sale on Thursday March 17th. Overall, CCS placed 5th in the schools standings out of 21 schools. On an individual note, Kayla Pratt continued her winning ways, setting two new records:

- 12-15 Years Girls 100m Freestyle – 1:02.84
- 15 Years Girls 50m Freestyle – 27.74 seconds

# Year 10 Taste of Hospitality

Year 10 Taste of Hospitality along with the Hospitality VCAL students had the fantastic opportunity to visit the Seed Community Garden at Lake Guthridge. Students visited the garden to learn about its purpose to bring the community together whilst making available fresh vegetables for members of our community to pick and use or just time to sit in the garden and enjoy the surroundings. The students were encouraged to explore the gardens and try some of the produce such as the delicious fresh green beans and strawberries. Fresh rocket, basil, rosemary, salad greens, nasturtium flowers, and zucchini were picked and with instruction from Melissa the community garden chef, an outside food tech classroom was set up where the students made delicious wood fired focaccia pizza, basil and rocket pesto, green salad with feta and olives and zucchini pasta. The delicious food was then shared and enjoyed together. The students learned about sustainable practices whilst working together to prepare and enjoy a meal from ingredients sourced from the garden.

Mets l'anglais dans la poche, c'est vrai

Ms Barbetti's year 7 French class getting ready for their test with a short poem and actions. Language is a vital part of the school curriculum here at Catholic College Sale. The students become familiar with the sound of French and recognise similarities with many English words, noting differences in pronunciation. They develop speaking skills and confidence to communicate with their teacher and each other. Students gradually build a vocabulary and grammatical base that allows them to comprehend, compose and present different kinds of simple French texts.

# CCS Trade Skills Centre

Year 7 and 8 technology classes begin the year in the woodwork room, as this year 7 Technology student carefully marks out her timber before performing a rebate joint.

VET Engineering students commencing production of their sheet metal tool boxes.

VET Automotive students rewiring a trailer.

Mr Stubbe demonstrates to his Year 10 Design and Technology class how to perform a cold bend on steel for their combination of steel and timber coffee tables.

VCAL students have had a great start to the year, keeping our themes of community, environment and sustainability in mind when coming up with project ideas. Kail, Oliver and Gus have been fixing up the mailbox for the Elderly Citizens next door. Upcycling objects has been a really popular way to meet the brief; so has finishing off our giant games, like Cornhole and Jenga, now we can all get together and play again. We are really looking forward to opening the VCAL shop again soon.

## MUSIC News

Our ensembles have always been an integral part of the music making experience at Catholic College Sale. We require all our instrumental students to be part of at least one ensemble as this is not only where they can enjoy making music with others, but learn the important skills of cooperation, collaboration, listening, and performing. Currently we are rebuilding the standard of our ensembles as Covid has not allowed us to make much progress over the last couple of years, so we are really celebrating the chance to work together this year.

Our present ensembles include the Concert Band - for wind, percussion and bass instrumentalists; the String Group - for classical strings instruments; the Guitar Ensemble; Sion Singers - for anyone interested in singing in a choir; MVC - for any male vocalists; and Show Choir - an audition-based senior close harmony group. We also run a Rock Band program for musicians in Years 7 and 8 as part of our Instrumental program.

We are always happy to have new members to any of our groups - just contact Ms Roffe or any of our talented teachers.

## Best writing by person ages 18 or younger WINNER

Stratford Town Crier

It's a Girls Life – Ella-Rose Spence

Judges Notes: With its catchy title I was immediately drawn to find out what this story might be about. Interestingly, it was not what I had expected it to be about, but I found I was much more intrigued by the writer's topic and their ability to incorporate many themes into such a short piece. Touching on Australia's historical references to gun control and making comparisons to the American culture this article held Australia up as an example that America could look to. More importantly the writer was able to convey the incredibly important message about young males being most at risk in suicides and strongly argues the point that having access to guns when their mental health causes them to have suicidal ideations is a dangerous scenario. Some great information and statistics were cleverly weaved into the article and clearly supported the writer's message.

Congratulations to Ella-Rose Spence on winning the best writing by person ages 18 or younger at the annual CNAV (Country Newspaper Association of Victoria) Awards, Saturday November 6th.
