Principal's Report

Dear Catholic College Sale Community,

Term 2 has been a whirlwind of curricular and extra-curricular activities at the college. The wonderful dedication and support of Catholic College staff allows us to truly celebrate the diversity of our students' gifts and talents. We are able to daily live out our vision of "Every Student Every Day – Created and Called."

One very important event was Catholic Education Week concluding at the college with our Annual Peace Mass. The college invited its six association primary schools; St Mary's Sale, St Thomas' Sale, St Mary's Maffra, St Patrick's Stratford, St Michael's Heyfield and St Mary's Yarram to celebrate Mass led by Bishop Greg, Fr Antony and Fr Edwin. Bishop Phelan Stadium was converted into a sacred space full of colour, music and spirit for over 2,000 people.

Our Peace Mass coincided with National Sorry Day, a day when we pause to remember the Stolen Generations of Australia's Aboriginal and Torres Strait Islander people. In many ways it is a difficult day for Australia, as we reflect upon the violence and injustice of our history and consider what it means for the present. Yet it is an important day, especially for us as Christians, allowing space for both repentance and hope. As a college community we are committed to:

Learn more of the stories of our collective history

Reflect upon the Stolen Generations and their families

Speak about National Sorry Day, and

Pray for God's spirit to be present in these conversations.

Psalm 119: 33-40 speaks of God's mercy and is poignant when reflecting on National Sorry Day:

*God, teach me your ways and I will follow them closely.
Help me understand your will, that I may cherish your law.*

*Guide me along your path, a way of delight.
Open my heart to your laws and not to riches.*

*Let me speak the whole truth,
For I await your justice.
I keep your word, now and always.
Remember what you promised me,
I wait in hope.*

*In sorrow, this is my comfort:
Your life-giving word.*

Principal's Report

On June 6th, we celebrate the feast day of Saint Marcellin Champagnat, founder of the Marist Brothers. The feast, according to Catholic tradition, coincides with the date of his death 180 years ago.

At Catholic College Sale, we always take time to reflect on the wonderful characteristics St Marcellin role-modelled to us and now help guide us daily:

- To make Jesus known and loved
- May we value the simple joys in life for they are God's greatest gifts
- Our presence with each other helps us to trust and grow to our full potential
- We are a family where everyone is welcomed, accepted and respected with individual dignity
- In going 'Beyond the Ordinary' we achieve our best in our daily work and study
- We know and love God in the Way of Mary, knowing that there is goodness in everyone.

May I take this opportunity to acknowledge the generosity of so many staff whose time and dedication has made a number of recent student activities and adventures possible.

- Year 10 Camp to Ballarat
- Outdoor Education Camps
- SSV Sports Tennis, Swimming, Athletics, Cross Country, Netball, Football, Soccer
- College Production
- Eisteddfods & Music Recitals
- Pathway Camps

I would like to extend the college's congratulations to the netball team and officials who travelled over to Perth to compete in the Marist Netball Carnival (18-21 June).

A reminder that school finishes at 2:15pm on Friday 23 June for the mid-year Term Break. Students return on Tuesday 11 July.

Have a great and safe holiday.

May Jesus be present in your life.

Learning and Teaching

With term 2 concluding, we reflect on what a busy term we have had in all areas of our school community. I would like to take the opportunity to thank our wonderful staff who have contributed so much to the school. I also acknowledge our parent community for their strong and ongoing support of our work. Catholic College Sale is at its best when we are busy and connecting with peers and colleagues in a range of engaging classroom activities and throughout our celebrated co-curricular programs. I extend my sincere appreciation to the staff who empower and enable students to seize opportunities, develop and contribute to the school and wider communities, and represent our school as great examples of confident, respectful, and compassionate people.

This term, our students have had the opportunity to experience many extracurricular activities that have included, the Peace Mass, a variety of sporting events, whole school athletics carnival, Year 7 play at the Wedge, Year 10 camp to Ballarat, Medieval Day for Year 8. As well as a range of guest speakers that encourage our students to immerse themselves in activities that promote them to be critical thinkers of our world.

Students have recently completed the mid-year exam period. Mid year exams provide students with a genuine opportunity to test themselves in real examination conditions and gain experience in managing time, workload, and emotional needs. If your child receives feedback that indicates the need for further application to their studies, please encourage them to reflect on their learning behaviors. Reports will be released at the end of the term, and they focus on how students can continue to make progress in each of the subjects they are studying, through looking at their engagement and organisations skills for each of their subjects.

It was encouraging to see students and parents taking the opportunity to meet with their teachers of VCE and Senior VM studies. The purpose of these parent teacher interviews is to allow for communication between home and the College. They are an opportunity to discuss your child's progress in their subject and to gain advice

on how improvements can be made moving forward. As the rigours of VCE continue, if you have any concerns about your child please contact our Director of Senior Studies, Mr Ken Holmes to make a time to discuss your concerns. Ken can be contacted via email kholmes@ccsale.catholic.edu.au.

Our Pathways expo will be held on Tuesday the 18th of July. This event will take place in Bishop Phelan Stadium and it aims to provide students and families with information that will assist them in making decisions regarding pathways and subject choice for future studies. One of the goals of the subject selection process is to ensure every student chooses the pathway that is best suited to their interests, aptitude and goals. The expo is an important event that will support your child and we encourage you to attend so informed decisions can be made. A reminder that in making subject choices the [graduate criteria](#) will be applied by the College. All current students in Years 8 - 11 are invited to attend. More information will be sent our early next term regarding session times.

As we approach the end of the term, we have some teachers taking some well-earned Long Service Leave for varying periods of time. At the beginning of the semester, we welcome Ms Catherine Putnam to our staff who will be teaching mainly Mathematics, Mr Damian Hogan who joined us during Term 2 teaching mainly P.E along with Mr Brendan Morgan who will be a generalist teacher. We also welcome back Kiera Guareschi from Maternity Leave.

A reminder: end of semester reports will be available to view on Friday 23rd of June via the Parent Access Module (PAM). If you have any difficulty accessing your reports or would like a hard copy printed please contact reception 5143 9700.

I would wish everyone a safe and restful mid-year break and I look forward to seeing our school community refreshed and ready for a positive start to the new semester.

Kind regards,

Rachael Bown

Student Learning and Wellbeing

At the time of writing, we are approaching the Feast day of St. Marcellin Champagnat. When we reflect on the journey of Marcellin and the Marist brothers I think it serves us well to remember the pillars of Marist education and its goals. At its core the purpose of Marist education is to help our young people within our care to grow into being responsible citizens and good Christians. This is noted in the pillars of Marist Education. These pillars are things our community should regularly reflect on.

Presence - Presence is a way of being readily available to our students and being actively immersed in their world, and to model for them the values of the Gospel. We walk gently with our students, inviting them into respectful relationships with each other.

Simplicity - Simplicity evokes the idea that we try to be uncomplicated people, that we are straightforward and honest in our dealings with others.

Family Spirit - Our family spirit calls on us to welcome everyone in the College community as a member of the one family. It leads us to be attentive to one another within a respectful and safe environment.

Love of Work - To achieve our goals, whatever they may be, we must work for them and being inspired by Mary, the mother of Jesus (often referred to as 'In the way of Mary'). We believe Mary is the first disciple of Jesus, and that we will come to know better Christ's love for us by following her example of faith, strength, care and compassion.

These pillars are very important to reflect on and prioritise especially in the modern world where we often get caught up in a material and sometimes self centered existence.

Term 2

This term has seen a calendar chock full of activities and opportunities for our students and staff. We have conducted our Year 10 Camp to Ballarat. Students enjoyed a combination of cultural activities and adventure activities as well as much anticipated formal evening. Thank you to the staff who volunteered to

attend this camp for the gift of their very precious time. Thanks also to all staff who have been involved in any number of extra curricula activities this term that require them to go above and beyond in terms of an investment of time and their expertise. These are very important opportunities for our students to obtain diverse experiences.

The College was also pleased to continue to present The Resilience Project to both staff and students. The College will continue to work with the TRP Team in order to provide our students with the opportunity to hear about self-care and building resilience. Term 3 sees us celebrate the key theme of kindness. Something I think we could all practice and see more of in our community.

Upon return to the school an ANZAC day service was held and run by students from Humanities class at Year 10 level. Thanks to all involved for contributing to a very significant recognition of those who gave their lives for our country in the many theatres of war.

Another significant celebration during Term 2 was our PEACE Mass. The College again hosted the event which made its return after a COVID enforced hiatus since 2019. Over 2000 students from the College and our associate primary schools attended in a wonderful mass led by Bishop Greg Bennet. Thanks, in particular, to Jeff Hobbs for his countless hours of organisation in seeing this endeavour come to fruition.

ADDAMS FAMILY

The schools senior production took place in late May and was a fantastic performance by many talented thespians at the College. The Addams family story was told in song by an ensemble cast ably led by Ms Jane Robbins and Ms Anne Roffe. The celebration of this event took place at The Wedge and was well attended by the College community which was appreciated by our performers.

Uniform Expectations

The good standing of the College is significantly influenced by the way students wear the uniform and present themselves.

Students are expected to present themselves well and to wear the uniform, including the College Blazer while travelling to and from school each day during Terms 2 and 3.

We ask Parents/carers to give full support to the College in ensuring that the uniform requirements (as outlined in the Student Diary) and personal presentation of the students are in full accord with the College's uniform

regulations. Monitoring the correct wearing of the uniform is the joint responsibility of everyone in our community. Any incorrect item of clothing is deemed to be out of uniform.

The Pastoral teacher is responsible for checking uniforms at the start of the day and noting any breaches of the uniform policy. Teachers are expected to monitor uniforms in all classes, and to ensure that students enter and leave classes appropriately dressed.

Phone Use

During the Semester, the College has reminded all in our community about the appropriate use of technology and in particular the use of mobile phones. We would like to remind students that the filming or photographing of anyone on the school grounds is prohibited unless under the strict instruction of the Principal. This is only one of the countless issues the College endeavours to support our young people in navigating the technology world. All students and parents/carers are encouraged to read the school Mobile Phone Policy and to adhere to this policy in order to ensure the College is a Child Safe environment.

Whole school approach to Positive Behaviours

The Whole school approach team continues to work on the development of a set of behaviours and actions that they wish to become endemic in our school. The School Wide Expectations matrix has been developed to outline the expected behaviours of all in our community. This matrix will now be used to create a language that is common within the community, which will help to guide our interactions as we continue to develop and nurture positive behaviours and relationships. We will continue to challenge each other in asking “Am I helping or hurting?”. “Am I doing what I expect of myself and others?” The support of Parents and Carers in having conversations that ask these same question of themselves, our staff and their children in a respectful manner will help to foster the further development of these core values as part of the College culture.

School Wide Expectations: Respect and Responsibility

Ways in which all members of CCS demonstrate Respect and Responsibility across different areas of the school.

Respect - *At CCS we respect ourselves, others and the environment.*

Responsibility - *At CCS we do the things we are supposed to do and accept the consequences of our actions.*

Finally I would like to take this opportunity to wish all in the community a safe and enjoyable holiday period.

Catholic Identity

Peace Mass

The Annual Wellington Shire Peace Mass has once again returned, marking its continued tradition of promoting peace and unity within the community. Since its inauguration in 2002 following the Bali Bombings, the Peace Mass has served as a platform for Catholic College Sale and the five Catholic primary schools from the Shire to come together and reflect upon their role in fostering peace in the world. This year, Catholic College Sale hosted over 2000 students, teachers and staff.

Throughout the years, this event has developed its own set of cherished traditions. The Mass begins with a vibrant parade of school banners, symbolizing the unity and diversity of the participating institutions. A wall adorned with national flags further emphasizes the global nature of the pursuit for peace. In addition, each school contributes artwork based on the Mass's theme, showcasing the creative expressions of the students.

One particularly heartwarming tradition is the Offertory Procession, where the tallest student from Catholic College lead the way alongside one of the youngest

prep students. This gesture embodies the importance of unity across age groups and highlights the shared responsibility of all individuals, regardless of their age, in promoting peace.

This year's Peace Mass was celebrated by Bishop Greg Bennet, who encouraged the students to think about their responses to minor disturbances and how to find peace during challenging times. Bishop Greg challenged them to reflect on the kind of person they aspire to be, emphasizing the value of kindness. He commended Catholic College for hosting such a "joyful celebration of faith and friendship."

Events like the Peace Mass require the dedicated efforts of numerous individuals and teams. The college extends its gratitude to everyone who contributed to the smooth organization of this event and are looking forward to continuing their mission of fostering peace and unity within the community in 2024.

Catholic Identity

Ballarat Mass

The Year 10 students gathered together at St Patrick's Cathedral in Ballarat to celebrate the final day of their tour. Mass was led by Fr Ed. The students read the main readings and prayers for the day and were able to participate fully in the celebration. It was a great way to not only see a special part of Ballarat but be actively involved in it.

Marist Connect

During the exam week students from Years 11 and 12 travelled to Lavalla in Traralgon to join together with other schools with a Marist Charism. The students were involved in discussion about leadership and what that means in the Marist Tradition. They shared a dinner with other students and were able to swap ideas about how student leadership in each school works.

RESA fundraising

The year 10 RESA class had a very successful BBQ at the Athletics Sports to raise awareness and funds to help Catholic Care. Catholic Care is an organisation which assists some of the most vulnerable members of our community. It offers assistance for people who are finding life difficult due to relationship and family breakups, unemployment, mental health issues and homelessness. Our students are very proud to be able to assist others in need through activities like this.

2023 College Inter House Athletics Carnival

After a brief postponement due to inclement weather, Wednesday May 10th saw staff and students descend on the College Ovals for our annual Athletics Carnival. With over 200 events on the program, it was a terrific event for all involved, with a number of students competing at a high standard in the battle for house points and place ribbons. Even more pleasingly, was the support and spirit shown by students towards their housemates across the day.

Congratulations to Paulinus House who were crowned overall champions for 2023. It was a tight finish, with just 15 points separating first and second place:

Official rankings and scores:

- 1st – **Paulinus House** - 1284 points
- 2nd – **Allman House** - 1269 points
- 3rd – **Theodore House** - 1197 points
- 4th – **Raphaella House** - 1195 points
- 5th – **Daly House** - 1136 points
- 6th – **Champagnat House** - 1036 points

In the other major team award for the day, students were able to earn points for the House Spirit Shield through; participation numbers during trials, cheering for fellow students, creative dress-ups, being sun-smart and the tidiness of their house area. With all these efforts in mind, congratulations to Daly House for being this year's recipients.

We would also like to congratulate the following students who took out Year Level Champions medallions:

- **Year 12** – Ash McDonough & Isla McCarthy (tie) and Johnathan Boyd
- **Year 11** – Zali Gallagher and Kayden McCulloch
- **Year 10** – India Dean and Harry Tatterson
- **Year 9** – Chloe Mowat and Jy Higgins
- **Year 8** – Brooke Kelly and Phoenix Cox
- **Year 7** – Taylah Mizzi and Josh Hall

Of course, these large College events wouldn't be possible without support from several groups and individuals within the College:

A big thank you to Mr Paul Lee as always for his assistance with staffing to ensure the event stations, house supervision and school road crossings were adequately covered.

Thank you also to our House Leaders and House staff for their enthusiasm in getting students up and participating for their houses.

I wish to also highlight the tremendous efforts by all our student leaders, our Year 12 House Captains and numerous SVC members, for holding sign-ups and leading from the front to rally their troops.

To our College administration, ICT and maintenance teams for their behind-the-scenes support with bookings, attendance, equipment delivery and numerous other thankless roles – your logistical support is most appreciated.

To our lovely canteen staff, who came through at the last minute with the terrific idea of bacon and egg rolls during the morning for staff and students – thanks for your support and creativity which added this special touch to the day.

To Mrs Cashman, Mrs Peatling and our RESA students for giving up their time to coordinate the fundraiser BBQ, which raised a significant amount of money for charity.

Finally, thank you to Seb Pendergast, our College Sport Trainee for 2023, for his tireless work prior to the carnival and on the day of the event, which helped ensure the day ran smoothly and without any major issues.

Well done to all involved!

Senior School Production

The Addams Family

The Senior School Production of the Addams Family was a tribute to the work of the cast and crew. Wednesday night rehearsals started in earnest in February and from the beginning, it was emphasised that the students would 'own the show'. This meant the cast were responsible for many aspects of the creation of the Musical. Performances were held at the Wedge on the 29th and 30th May. The opportunity for students to work in such a great space and for our

students studying VET Music Industry to work with Professional standard equipment is of huge benefit. We would especially like to thank Charlee Vernon for her Choreography and instruction. Also Mr Bradley, Mr Turner, Ms Ruijs, Issy McKinnon, Zoe Turner and Oliver Luxford for their work on the set and to Issy and Zoe for their assistance with Make up on the night of the shows. To all of our audience members thank you for your support of the Addams Family Production cast and crew. We had a ball!

Year 10 Ballarat Camp

On Tuesday 16th of May approximately 160 students and 16 staff set off for a week of adventure and learning in Ballarat. After an early departure, the group headed straight to Ballarat where the girls made their way to the accommodation at the Bell Tower Inn and the boys to the Windmill Holiday Park. Over the remainder of the week, the group visited sites such as the Ballarat Wildlife Park, Ballarat Art Gallery, Sovereign Hill, the

You-Yang's and Anglesea where they participated in surfing, kayaking, abseiling and mountainbiking. They were also able to enjoy the Year 10 Formal, held at the George Hotel on Thursday night. All in all, the week was a great success allowing students to form connections and make lasting memories with their peers. Also, a big thank you to all the staff who attended the camp.

Year 10 Formal

Marist Netball

On Sunday June 18th, our Marist Netball team departed for Western Australia for the 27th Australian Marist Netball Carnival.

This year's tournament ran from June 18-21 and was hosted by Newman College, Churchlands (WA). This was College's first entry into a Marist Netball Carnival since 2019, where we finished 3rd in Alice Springs.

The team was made up of a strong group of Year 11 and 12 students, who were incredibly keen to head interstate to represent the College:

Isla McCarthy (Captain), Kate van der Voort (Vice Captain), Hannah Abdallah, Ciara Fitt, Ash McDonough, Scarlett Morris, Kate Ronchi, Milla Anderson, Lucy Jones & Millie Lamb.

Mrs Kirralee Carstairs and Miss Sarah Gardiner coached the side, while Mr Jamie Murphy was the Team Manager.

Team members have conducted fundraising in the lead up to the Carnival, selling raffle tickets and holding a BBQ on site at the College to assist with airfare and accommodation costs.

Thank you to the school community for their support of this team and thank you also to the following businesses for their contributions: Sporting Legends Sale, Carmody's Tyre Service, Always Greener, Intersport Sale, Redd Catt, Collins Bookstore and Coles Supermarket.

More information on their results will be distributed via our website.

SSV Swimming - State Finals

Congratulations to the Catholic College Sale students who did a tremendous job at the School Sport Victoria (SSV) State Swimming Championships held earlier this term.

Hosted at the Melbourne Sports and Aquatic Centre (MSAC) in the first week of term two, the College had eight swimmers qualify for the event, following some wonderful efforts at both the Division (Wellington) and Region (Gippsland) swimming finals in Term 1.

Our 12-13 Boys 4x50m Freestyle Relay team - made up of Lachy Arnup, Josh Hall, Mitch House & Oli Dyer - finished 2nd in the state with a time of 2:10.03. Earlier in the day, Oli competed in the 12-13 Boys 50m Freestyle, finishing in a personal best time of 30.64 seconds!

Our final race for the day was the Boys 15 Years 4x50m Freestyle Relay. The team finished 8th in a time of 2:08.69. It was a very hot field, with the first three placing schools all breaking the existing record, so top eight in the state is a terrific achievement. Well done to the following students who contributed to that relay over the course of the 2023 SSV Inter School Swim season: James Arnup, Jett McMahon, Mack McMahon, Tom Aeschliman and Dean Feltis.

It was a fantastic effort from all involved and thank you so much to the parents and family members who were able to travel down to show their support.

SSV Gippsland Cross Country

On the 1st of June the College's top long-distance runners headed up to Drouin Golf Course to compete in the SSV Gippsland Cross Country. The day began with overcast, windy conditions and rain threatening to fall, however as the day progressed the sun came out and gave the runners ideal conditions to compete in.

Overall, the College had some terrific results with 10 students qualifying for SSV State Finals.

Runners who finished in the top 12 for their age group automatically qualified, while the best finishing team in each age category also progressed, which was the case for the 14 Years Boys.

The ten students that will now compete at the Yarra Valley Racing Club on Thursday July 13 are: Taylah Mizzi, Oliver Sullivan, Harry Bartlett, Leo Stephenson, Mac Pendergast, Jimmy Little, Natalie Begovic, Eve Crouch, Luke Dwyer and Chris Dwyer.

Three Girls AFL teams through to State Quarter Finals!

Following tremendous efforts at the division and region finals, all three of Catholic College Sale's girls football teams have progressed to the State Quarter Final stage of the School Sport Victoria (SSV) AFL competition.

Gordon Cameron Reserve in Maffra played host to the Gippsland Finals on Thursday May 25th. Our Junior Girls (Year 7 & 8), Intermediate Girls (Year 9 & 10) and Senior Girls (Year 11 & 12) all went through the day undefeated, coming up against teams from Bairnsdale, Wonthaggi, Drouin and Newborough.

Our Senior Girls side came up against a spirited side Bass Coast College, Wonthaggi. This proved to be the side's only match of the day, as two schools withdrew late from the competition. It was a highly competitive, four-quarter effort, which saw several lead changes, but in the end, CCS came out with a victory defeating Bass Coast 5.6.36 to 5.3.33. Best players from the match were: Kate Ronchi, Hannah Abdallah, Ash Centra, Zali Gallagher, Isabelle Elson and Ash McDonough. The Senior Girls will now play in Melbourne on Wednesday 9th August.

Our Intermediate Girls side were dominant across the competition, scoring regularly and being ferocious in defence - letting through just the single goal for the day!

Game 1 - CCS defeated Nagle College 6.8.44 to 0.0.0

Game 2 - CCS defeated Bass Coast College 4.6.30 to 1.1.7

Game 3 - CCS defeated Lowanna College 2.5.29 to 0.1.1

Best players on the day were Tanna Boyle, Grace Dillow, Charlotte Stephenson, Katie Robinson, Chloe Rees and Jas Stewart. The side will now play in Melbourne on Tuesday

Our Junior girls side were equally impressive on the day, winning all three of their matches. First up we defeated Nagle College 4.1.25 to 0.0.1. Brooke Kelly kicked two goals from the midfield, while Daisy Wilson and Charlotte Dillow chimed in with a goal of their own. Our second match came down to the wire against Bass Coast College Wonthaggi. After a strong first half, the visitors came back strong with two late goals, but CCS held on to win by the smallest possible margin 2.3.15 to 2.2.14. The side's best effort was saved for its final game against Drouin Secondary College. CCS piled on eight goals for the game, with Ella Higgins contributing

three, and Brooke Kelly again providing two goals from the midfield. Goals also came from Stef Worcester, Charlotte Sage, and Daisy Wilson in the 8.6.54 to 0.1.1 win. Best players across the day were: Brooke Kelly, Taylah Mizzi, Ella Higgins, Charlotte Dillow, Daisy Wilson, Shylah Coleman and Ashlyn Reid. The side will now play in Melbourne on Monday August 7th. Well done girls!

Year 7 Boys AFL – Gippsland Champions!

On Tuesday the 9th of May the College's Year 7 Boys Football Team competed in the School Sport Victoria (SSV) Gippsland Finals at the College Ovals. The team came up against Bass Coast Dudley in the first game and looked shaky early going down a goal in the opening minutes, however they quickly turned it around with some great intercept marking from half backs Kain Pritchett and Tom Maxfield. This continued for the entirety of the first half, going into the break up by one point after a good goal from dynamic small forward Jaxon Grant. The boys surged in the second half kicking another two goals (Archie Domaille and Will Kelly) and didn't allow their opponents to score again for the rest of the game with some great two way running from Mac Birss and Hunter Wynd. The final score ended up 20 to 6.

The team's next challenge was Marist-Sion Warragul who came out strong but found that the Catholic College boys were more than equal to the task. After a back-and-forth game the Sale boys kicked away at the end bringing the final score to 26 to 13 with goals from Joel Shingles, Oliver Sullivan, Xavier Hurley, with a great assist from Grant, and Mitch House.

The last game of the day was against Nagle and with a chance at the state quarterfinals on the line the boys came out strong and delivered their best performance of the day, defeating the Bairnsdale team 38 to 13. Goals came thick and fast throughout the game with Hurley, who was a revelation at centre half forward, kicking 3 and singles coming from Wynd, Domaille and Grant.

Best Players for the day were: Jaxon Grant, Xavier Hurley, Mac Birss, Thomas Maxfield, Zac Bird, Cooper Hole and Max Cox. Thank you to Mr. Josh Davis for coaching the team to a state quarterfinal which will be held on the 11th of August at Elgar Park.

On Tuesday the 30th of May the College's Intermediate (Year 9 & 10) Boys Football Team competed in the School Sport Victoria (SSV) Gippsland Finals at the Joe Tabuteau Reserve in Moe. The first game was against Mary Mackillop College who came out firing kicking the first goal of the day despite kicking against the wind. This, however, would be the last shot at goal they would have as the CCS boys kicked into gear and piled on 10 unanswered goals, 4 with the wind and 6 against, before the final siren blew. The final score was 10.3.63 to 1.0.6 with goals coming from Harry Tatterson (2), Darcy Scott (2), Will Burgiel, Mitch Stevens, Brandan Manson, Will Moon and Harper Walker.

Their second and final game was against Marist-Sion Warragul. Marist-Sion won the toss and kicked with the wind and kicked 2 quick goals to take a 14-point lead at half time. Catholic College, now kicking with the wind,

were able to find Jack McQuillen who kicked 2 goals early in the second half to bring the margin back to with-in a kick. The game was back-and-forth for most of the second half, however, in the late stages of the game Marist-Sion were able to kick a goal to seal the win, ending the game 22 to 14.

Best players for the day were: Harry Tatterson, Darcy Scott, Jack McQuillen, Lachy Harrington, Brandon Manson, Taelan Miller

Year 8 Boys AFL

On Tuesday the 9th of May the College's Year 8 Boys Football team competed in the School Sport Victoria (SSV) Wellington Finals at the College Ovals. The day began well with the boys gaining a large first half lead against cross-town rivals Sale College, going into the main break up 50 to 0 with multiple goals from Beau Cottrell (3) and Mitch Robinson (2) and singles from Blake Rowley, Jimmy Little and Sam Nowak. The second half was much of the same with the score ending up 95 to 0 with second half scoring contributions from Finn McCarthy (2), Will Stevens (2), Sam Phillips, Hudson Johnson and Bill Douthat.

In the second game the boys came up against Maffra Secondary College and maintained the momentum built up in their first game with the final score being 88 to 0. Scoring contributions for this game came from Cottrell (2), Little (2), Robinson, Nowak, Stevens, McCarthy, Charlie Kelly, Cooper Rand, Gus Weatherly, Phoenix Cox and Oli Skeels. This win put the team into the final and gave them a chance to go onto the Gippsland Round.

In the final the team came up against a tall Lavalla side and although they fought hard all the way through, ended up going down by 33 points, 39 to 6, with the colleges only score coming in the way of a goal from Cottrell.

Bests for the day were awarded to: Beau Cottrell, Phoenix Cox, Leo Stephenson, Cooper Rand, Mitch Robinson, Jimmy Little, Finn McCarthy and Will Stevens.

The team next came up against Yarram Secondary College and again won the game by quite a margin using quick ball movement and run, setting up a round robin final against Lavalla.

Places available

It is not too late to join in the activities in the Music Department – we have new members joining all through the year! We would particularly like more woodwind players and a cello or two is always welcome. There is also one vacancy at St Pat's for acoustic double bass. Pick up an application form from the office and see Ms Roffe, or any of our other music teachers if you would like to start learning an instrument. All you need is enthusiasm and a willingness to practice regularly.

Calendar Dates

The Yarram Eisteddfod dates are on the week starting Monday 31st July and going through to the following Monday. Details will follow and also details of the pre-Eisteddfod concert. The Latrobe Valley Eisteddfod details will also be released next term.

I look forward to seeing you at one or more of these events and thank you all for your continued support of Music at Catholic College Sale.

Yeah 10 Holocaust Incursion

On the 6th of June, the Year 10 cohort had the opportunity to take part in an incursion run by the Melbourne Holocaust Museum. Our English and History students have been learning about the Holocaust this term and this incursion complimented their study. This incursion was a wonderful opportunity to gain great insight into the horrors of World War II and how they were able to be carried out, through firsthand accounts of those who have witnessed one of the greatest atrocities the world has ever seen.

Holocaust Incursion students reports

On Tuesday the 6th of June, the year tens of Catholic College Sale experienced a virtual tour of the Melbourne Holocaust War Museum. We learnt interesting Information about what happened in the Holocaust, and extra background stories on individuals who made an impact to help others. One thing I found interesting was a lady who was a nurse had permission to go into the ghetto. She would save young Jewish children and babies with their parents' names on a piece of paper and return them to an orphanage after the war or their parents if they had survived. Joe Szwarcberg experienced the Holocaust at a young age. When he was 8 he and his family were forced out of Poland and brought to the ghetto in Kozenice. He was the youngest of 6 siblings, 2 brothers and 3 sisters. At 12 years old, he would work extra jobs to earn extra food to feed his family. His parents and two of his brothers were both murdered in front of his eyes. Joe spent time in multiple Nazi labour camps before finally getting liberated from Buchenwald concentration camp in 1945. There were points where he thought he was going to die of starvation, but he survived the war and moved to France when he was 16 and went to a Jewish orphanage to catch up on the schooling whilst the war was going on. A message was sent to his sisters that said he had survived; Joe reunited with his three sisters and was full of joy. Later in his teens, Joe migrated to Australia and from there on, started his new life. My class and I benefited from this experience as we got to physically talk to a Holocaust survivor, a once in a lifetime experience, and also gave us more understanding of World War 2 and the book we have been analysing 'Night.'

Written by Kayla Pratt

On Thursday the 6th of June, the whole of year 10 had an incursion from the Melbourne Holocaust Museum. We started this experience with being told a bit about the history of WW2 and the holocaust, then we were

given a virtual tour of the museum looking at the different artefacts that were on display. This ranged from Nazi propaganda to the pyjamas people were forced to wear in the concentration camps. We were told about different people who risked their lives to help protect the Jewish people from the mass genocide that was the Holocaust. Then to end the session we heard from Holocaust survivor, Joe Szwarcberg. Joe was born in 1930 and was the youngest of six children, he was just twelve years old when he was taken to his first camp, separated and entirely alone with none of his family being sent to that same one. Before being transported his home in Poland was turned into a ghetto, he risked his life on the daily to leave and get food for his family. Unfortunately while in the ghetto he witnessed his mother and brother be shot by Nazi soldiers. After being transported to his first camp he later was moved to Buchenwald which was the same camp that Elie Weisel was in, linking to our English classes as we read his memoir 'Night'. On April 11, 1945 he was liberated by the US army, and later moved to Australia; reuniting with his 3 sisters after they were also separated and put into a camp. He later went on to get married and have children, grandchildren, and great-grandchildren. His one message and purpose for speaking was for nobody to forget the atrocities that happened in the Holocaust, making sure that it never happens again.

Sue Hawkins Netball Clinic

On Monday 6 June, our Year 9 Netball Sports Academy were lucky enough to have Sue Hawkins take them through an intensive all-round netball clinic. Sue spent five years in the Australian netball team, highlighted by her role in spearheading her country to victory in the 1983 Netball World Cup. After retiring, she was a national selector and appointed Netball Australia's first ever High-Performance Manager in 1999. This was an amazing opportunity for our students, learning skills from one Australia's top level past players.

Inspiring Careers in the Health Industry Camp

During Term 2 we had a small group of Year 12 students attend the Inspiring Careers in the Health Industry Camp. Students spent a day at Federation University in Churchill which included a dinner with current health professionals. This was followed by a day at the TAFE Gippsland campus in Morwell, finding out about what is involved in studying a number of different courses.

Black Sun/Blood Moon

This term our Year 7 students attended a production of Black Sun/Blood Moon at The Wedge in Sale. This is a new Australian play, and we are grateful for the opportunity to support local and have a great day out at the theatre. Our year 7s are currently studying the play script text form in their English classes and being able to drop down to The Wedge to see a real play in action was an exciting treat. The following is a recount written by year 7 students about their experience.

Student thoughts:

The year sevens enjoyed the play Black Sun Blood Moon on Tuesday the 23rd of May. We got to learn about climate change from the two stories in the play.

The first story was about a young girl who was protesting to change the way the world was trying to fix the climate problems by "taking action now".

The second story was about a magical adventure when people travelled all around the world planting seeds to fix the climate.

One of our favourite parts was when the puppet animals helped the people on their magical adventure to plant seeds and save the world.

Going to the play black sun blood moon was a great experience and we would gladly go watch the play blood sun black moon again.

Students are looking to build a portfolio of work that demonstrates these range of competencies and our newly purchased VEX EXP robotic kits are a super fun way to explore these topics.

Some of the completed projects include interactive LED light displays, digital music makers, programmed driven robotic vehicles and obstacles and light sensing robotic vehicles.
